## THE PRESIDENT'S REPORT

The season just concluded has been one of varied success for the Club, with some pleasing results in some areas.

Competition in most areas was contested keenly, with some excellent results, mainly due to the dedication and self-discipline of those members who had winning success at the State Titles. Our younger members should improve next season by experiences gained at this year's Australian Titles. A special mention must go to Peter Elverd, who coached the Junior R. & R. team, gaining a State Title, and for an excellent effort from the members of his team at the Australian Titles.

Those members who did not have any success during the season should be looking at the reason why, and also should be trying to improve their performance in their particular areas. Just talking about it is not good enough - so it is up to you to get off your backside and improve your effort - because a winning Club takes a team effort, which has to come from every member of the Club, not just one or two individual members, or any one team.

I would like to take this opportunity to thank the other members of the Building Committee, Tom Jennings, David Hemsley, and also our Architect, Alan Finlay, for the time and effort spent in preparing workable plans for alterations and extensions to be made to the Clubhouse, to enable proper changing facilities for active female members for the coming season, also improved training and equipment storage facilities, which at present is being negotiated with the Henley & Grange Council.

Many thanks to Rose Nelson and the girls of our Womens Auxiliary for their support during the season; our social functions would not have been a success without you or your members.

I would like to thank Neville Fielder, who was transferred to Darwin in February, for his fine effort as Club Treasurer over the past seasons, and to Peg Guster, who filled this position when Neville left.

My thanks to the Committee for their support during the season, a special mention to our Secretary "Soupy" for his tireless efforts, and a job well done.

With the approach of yet another season, I would like to call on all Henley Club Members and supporters to unite in all areas for a maximum team effort, to assure a strong, active and competitive Club for the coming season - for a strong, competitive Club is a healthy Club.

A. A. PARK

President.

## CLUB CAPTAIN'S REPORT

The 1979-80 season is now ended. As we sit down at the Annual General Meeting we tend to stop and think back to all the good times and all the bad times we have had. Strangely enough, the good times seem to be easier to remember. But things have to be rectified for the coming season.

As in past years there are too many members who are prepared to sit back while the same ones do all the work. We are a Club - which means we must run as a unit, and all pull together.

Patrols this year were reasonable, and although there were many members who didn't turn up on their rostered days, generally patrols were run efficiently. I thank all Members and Patrol Captains for this effort.

It is good to see that the women of the Club are showing concern. I feel the Womens Auxiliary did a tremendous job this year. I especially would like to thank Rose Nelson, Anne Smith and Jan Duhne for their extra efforts.

Fund raising wasn't really successful. Although we had many functions, there was a lack of support. The Juniors have hit off well with the Unlicensed Disco, and I hope all goes well for them in the future with the venture.

Bernie Godfrey and his helpers ran a successful string of crayfish raffles, which assisted the Club immensely. More of this type of thing will certainly see the Building Fund well on its way.

Recruiting is one area where we have fallen down. The Club seems to be getting fewer active members each year. I feel it is up to all Members to take an interest and try and promote our Club, so as to increase our active membership.

One man who has played a big part in publicity for the Building Fund and recruiting is our illustrious Secretary, Colin (Soupy) Smith. This is his first year with the Club, and it is good to see a man who puts so much time into the Club.

If there has been someone who has been 'licked in the teeth' so many times this season, and always came back and stood on his feet, it is our Chief Instructor, Chris Broderick. Chris received little response from Members on his training programme. Next season every instructor will have to chip in and help; and new instructors will have to be brought up through the ranks.

Competition this year was generally strong. The weak areas will have to be looked at and training programmes worked out. I feel Henley could take a more serious attitude towards competition. One team our Club is very proud of is our Junior R. & R. Team, which represented Henley at the Australian Titles, with our two belt swimmers, Robert Mackay and John McVann.

I think our main aim next season is to promote the Building Fund, recruiting and instructing.

Let's hope we see some female lifesavers in our Club in the near future. I am looking forward to an improvement next season - I believe we can do it!

KEVIN FITZGERALD  
Club Captain.

## VICE CAPTAIN'S REPORT

Throughout the 1979-80 season our beach was patrolled for a total of 1,618 hours, which is 169 hours more than last season. To all Members who assisted in maintaining efficient patrols, the Club and I are grateful, and we thank you. Special mention must be made of David Fourier's and Rodney Hill's sterling efforts in amassing 140½ and 112½ hours respectively. I feel David's effort was exceptional, considering he also competed enthusiastically at all carnivals. A vote of thanks must also go to those Members who volunteered for carnival patrols, thus allowing other members to compete.

During the season our patrols effectively treated 8 First Aid cases, and helped return 3 lost children to their anxious parents. On four occasions Club Members were called upon to assist people in minor difficulties from the water. Fortunately only one shark sighting was reported for the entire season.

Of course, a season would not be complete without those people who don't pull their weight; I am referring to those few members who break patrol regulations and also let their coaches and team mates down. I appeal to these members to "lift your game", or find another interest next season. We are anxiously awaiting the results of the "Wales Patrol Efficiency Competition", as I feel we have performed quite well, but we cannot place enough emphasis on efficiency, no matter how good we think we are.

In closing, I would like to congratulate Kevin Fitzgerald on his first season as Captain of our Club. Kevin's enthusiastic and hard working approach to his tasks were excellent, and I sincerely hope everyone will support 'Fitzie' in his efforts to make Henley 'Number One' again in S.A.

I thank everyone for their support during the season.

MORRY GRANT  
Vice Captain.

## CHIEF INSTRUCTOR'S REPORT

As Chief Instructor I found it very rewarding to help new and old Members gain the awards available to them through the Surf Life Saving Association.

The 1979-80 season had its ups and downs, but despite these, I consider Henley S.L.S.C. had a successful season.

The Henley members achieved the following Awards - One Helicopter Air Crewman Certificate; One Instructors Certificate; 11 Bronze Medallions; 6 Qualifying Certificates; and 9 Resuscitation Certificates.

I would like to congratulate each of the Members who worked hard to gain an award, and a thank you also to the Instructors who helped these Members.

I feel sure that with the support from all our Club Members, we can make the 80-81 season the best ever for the Henley Club.

CHRIS BRDOERICK  
Hon. Chief Instructor

## TOP ROOM REPORT

It is again my pleasure to report in respect of the Top Room for the 1979-80 season.

During the season most of the functions held in the Top Room were in conjunction with the After-Carnival B-B-Qs. All those functions were successful.

Maybe during the next season, with the aid of a Social Committee, several more functions could be held.

This year a Radio Cassette Recorder, new cushions and cloth for the pool table, were purchased.

In completing my report, I would like to thank all the Barmen, as without their assistance the Top Room would not function; Possum Baker for supplying suppers; the Ladies Auxiliary for their support and Trevor Mulvihill for his help when I was not available.

A. B. NELSON  
House Manager

## WOMEN'S AUXILIARY REPORT

It is with pleasure that I forward this report of the Women's Auxiliary for the 1979-80 season.

During the season we catered successfully for many varied functions, including barbeques, \$1,000 draws, New Year's Eve Show, Fashion Parades, etc.

We started the season with \$42 in hand, and we were responsible for increasing that balance to \$914.

In conclusion, I would like to thank those who have supported us this season.

ROSE NELSON

## COMPETITION REPORT

The 1979-80 season was one of only mild success for the Club. As usual, Henley dominated most of the water section, with Robert Mackay, Gavin Cousins, Tony Ryan, Peter Elverd and Andrew Lanyon being constant winners, and placegetters, throughout the season.

Our Cadets were constant placegetters throughout the season in Beach and Ski events. This augers well for the future, and I feel the Club must encourage and assist these lads, as they are our future champions.

All our Boat Crews, even though some of them were only formed this year, rowed with great enthusiasm, which looks well for next season. The 'A' Boat Crew rowed with moderate success during the season, but at the State Championships they put in a fantastic effort to win the Open Boat Final, in what was a thrilling final.

A special mention must be made of Peter Elverd and his Junior R. & R. Team. Peter formed this team halfway through the season and they won four carnivals, but unfortunately were beaten into second place in the State Titles.

There were many other fine performances during the season, and the Club congratulates all members for their efforts.

In closing, the Club acknowledges the untiring efforts of our coaches - Trevor Mulvihill, Peter Elverd, Dave Hemsley and Tony Park. These men have the ability to generate an infectious enthusiasm from their teams, and with the new season fast approaching, I'm sure they will be trying even harder to get Henley to the fore in surf lifesaving - the position where our Club belongs.

\*\*\*\*\*

### 200 HOURS CLUB :

The 1979-80 season saw only two Members join the 200 Hour Club.

The two new Members are Terry Gunneen and David Fourier.

The Club congratulates these members on achieving this milestone in their surf lifesaving careers.

\*\*\*\*\*

### AUSTRALIAN CHAMPIONSHIPS :

A small contingent of Henley members journeyed to Maroochydore, Queensland, for the 1979-80 Australian Titles. Peter Elverd and Barry Duhne competed in the Veteran Surf Race; Robert Mackay, John McVann, Gavin Cousins and Tony Ryan competed admirably in surf and belt races. Tony Ryan pooled extremely well to make the semi-final of the Junior Malibu. Our Junior R. & R. team performed magnificently, only to be narrowly omitted from the final - 'thanks to Interstate Judges'.

Congratulations are in order for Gavin Cousins, our only representative in the 1979-80 State Team.

Dedication and training can put Henley clearly on top in the boat area in South Australia. Looking back on this season as a good one, we can now look forward to an even better one next season.

My thanks must go to Geoff Bull for his work on the boat trailers, and to Sno Wallace for keeping our boats in good condition, and to the many others that have helped throughout the year.

TERRY CUNNEEN  
Surf Boat Captain

## JUNIOR REPORT

The 1979-80 season was one of rebuilding for the Junior Association. We had 51 boys registered with the Club, plus two 13 year olds, who, although registered with the Senior Club, were still eligible to compete with our Juniors.

Before the start of the season we took the opportunity to hire the Seaton Swimming Centre, an undertaking I feel that was well justified, because a majority of boys went for their certificate. A total of 22 swimming certificates were gained by the lads, and with the aid of Rodney Hill and Barry Duhne's instruction, an additional 9 Resuscitation Certificates were gained.

During the season we had the good fortune to gain the services of two ex-Vietnam boys - Tuan and Ha Nuuyen (Acott), who, with their enthusiasm, willingness to learn and additional instruction, became very valuable members of our Club.

This year's State Titles were very encouraging and a morale booster to the efforts put in by the lads and the instructors. Even though we only finished 7th, I feel this was an excellent effort, considering the number of boys we had competing in comparison with other clubs.

Two outstanding results in the State Titles were that of Tuan Nuuyen and Bradley Weeding, both of whom gained gold medals in their beach sprints. There were many other fine efforts during the Titles and the Club offers heartiest congratulations to all the lads who competed and tried their best for the blue and white costume.

To the boys who are leaving our ranks this year, we sincerely hope they will continue their life saving through our Senior ranks; this I feel can only be achieved by encouragement by all sections of our Club.

In closing, I sincerely thank those people who have supported me during the season, and if possible I ask them for their continued support next year.

### V A L E

The past season has regretfully seen the passing of two very strong supporters of the Club, and the sincerest sympathies of all the members of the Club are extended to those who were near and dear to these members who served the community to the best of their endeavours.

SAM WALKER, who was an Honorary Member of the Club for 10 years, and was responsible for the successful introduction of 'Beer tickets' to the Club. This resulted in a steady source of income for the Club.

HAROLD JOHNS, was a Foundation Member of the Club. He gained his Royal Life Bronze Medallion and Instructors Certificate, and was quite an active member of the Community. He was a member of most sporting organisations throughout the district.

### BOAT CAPTAIN'S REPORT

This season saw Henley with four boat crews training and competing, under the guidance of Tony Park and Trevor Mulvihill.

The State Titles results were quite respectable, with the 'A' crew winning, and the 'B' and 'C' and Junior crews finishing well up in their respective grades. These crews, many of whom are first year rowers, have laid the foundation for future gold medals in the boat area for Henley Club.

With the 'Golden Jubilee' now six season old, and the 'United Motors' 5 years old, it is time to look at replacing one of these boats with a new, lighter and more competitive boat.
