## President's forward

The past twelve months have been quite a learning experience, but one which whets the appetite to see Henley SLSC a force in Surf Life Saving, and realise the opportunities that lay before it.

May I firstly take this opportunity to thank those that have selflessly given of their time and effort and worked to ensure the future success of our Club. The many and vast range of activities we all at times take for granted, often unrewarded in volunteer organisations. The hours patrolling, the training, the work with the juniors and bronze squads, the manning of the bar and kitchen, the cleaning, the maintaining of gear and equipment, the administrative commitments and follow up necessary to ensure the day to day responsibilities are met...the list is endless, but to all involved I express my appreciation and public acknowledgment, of your efforts this season.

To our sponsors and long standing supporters of Henley SLSC, our Club thanks you for your continued generosity which enables Henley to continue it's commitment to community service. In particular Cole Motors, Red Cross, Boral, Henley Community & Aid Centre and CUB, continue to be long standing supporters of Henley SLSC and I cannot urge you enough to support those who support us. Harvey Hele and family made a significant contribution to enable the completion of our kitchen, and on behalf of all members I express our sincere appreciation to Harvey, Mrs Hele and family for their fantastic support.

This season the President's Trophy was awarded to three people within the Club, who in mind, worked to ensure the success of the Henley Juniors, Debbie Parsons, Joe Bayer and Darryl Graham in conjunction with the many age group leasers, parents and patrol members, successfully lifted the profile and membership of our juniors this season to record levels. As a matter of interest I have listed our Junior Membership Statistics since 1990.

1989/90	1990/91	1991/92	1992/93	1993/94	1994/95	1995/96	1996/97	1997/98
M F	M F	M F	M F	M F	M F	M F	M F	M F
- -	2 3	2 2	3 1	1 -	4 1	21 10	54 34	50 26

Our juniors are our lifeblood and I urge you to all work towards ensuring the successful development of the Henley Juniors.

Our list of achievements this years could be larger, but as I will touch on shortly, a list of objectives and an implementation strategy which ensures the objectives are achieved, must occur to enable Henley to become a viable, successful Club. The kitchen was outfitted and finally completed, and the installation of a wall furnace heater and new lighting, completed several of the more pressing jobs on our list.

The Old Henley Pool was demolished and a new rock retaining wall was built to afford support to the clubhouse. The council has since removed several large rocks on the beach, which became quite hazardous for our Members over the summer. A special thankyou to Tom Jennings for his liaison with Charles Sturt Council, to ensure the protection afforded the clubhouse over the years by the old swimming pool, would not be compromised with the construction of the new Rock Wall.

Licensing of the Club and nomination of Responsible Persons under new Licensing Legislation, is currently being addressed to give us the required flexibility and fundraising opportunities, within the requirements of the new Act. And without doubt the excellent record of Junior Memberships this season is another of our outstanding achievements.

Many of our competitive members performed strongly this season. Lindy Foureur completed an excellent year, capped off with two Gold medals at State Titles and then a magnificent effort on

## President's Forward

reaching the final at Australian Titles. Stuart Mills, James Ellis & Tim Lepley were some who demonstrated our strength in the Ski area, and the fantastic competition achievements of our many juniors – Hamish Gillis in U9's, Adam Floreani & Tim Galaz. Also with Sarah Loveband and James Bayer being nominated as Henley's Junior Lifesaver of the Year Award all of who proudly represented Henley this season.

Eighteen members completed their Bronze Medallions this season and have commenced their actions in now being able to officially patrol the shores of Henley Beach and compete in Surf Life Saving carnivals.

Personal thanks to Teresa Searcy and Barry Duhne for their continued diligence and dedication of the roles of Secretary and Treasurer. At times, they seem thankless tasks but each year brings new challenges and issues, which they handle on our behalf most admirably. The Management Committee continues to tackle issues relating to our day to day responsibilities and I thank them for their time, effort and value of contribution this season.

And finally, to all Office Bearers this season, particularly those who stood in and covered the loss of pre season appointees, thank you for your significant contributions which entail long hours of commitment, of which you should be justly proud.

A Five Year Plan is a priority for the long-term success of the Henley SLSC. Discussed at recent Management Committee Meetings, it is imperative that we set goals year on year to achieve our objectives. Planning an annual strategy is vital to ensure the oldest club within SA, becomes a force in SA Surf Lifesaving – both competitively and financially.

Tentative plans have been drawn up showing balcony extensions and refurbishment of the clubhouse exterior. With the current plans Charles Sturt Council has in place for the upgrade of Henley Square, we have the opportunity to become an integral part of the Square's upgrade.

I urge you to continue your efforts in making our Club a fun, vibrant place to be associated with. A recruiting and membership drive – stressed by Kevin Fitzgerald (when President two years ago) as a priority, would lift morale within the Club and should be incorporated into our long-term plan.

Finally, I believe we should never lose sight of the great family and social environment at Henley, which is surrounded by an enormous amount of pride and tradition. Our members – the heart and soul of the Club, need a vision for our continued success and it should be the responsibility of us all to implement this vision, for strong financial and competitive success – ever mindful of the role Henley SLSC continues to play in community vigilance and service.

Gary Kirwan

# Secretary's Overview

*I once again express my sincere thanks to all of the dedicated patrolling members and Office bearers for their efforts throughout the season. It can be very trying being Lifesavers, but it is always satisfying.*

It is my great pleasure and privilege to submit this the 73<sup>rd</sup> Annual report of the Henley Surf Life Saving Club as a true and accurate record of the activities which continue to reflect Henley's commitment to providing a safe beach for the local public.

This report includes a comprehensive review of the many activities of the Henley SLSC. This year saw a few new faces on the Management Committee who showed commitment and enthusiasm.

Once again the activities of Henley keep on broadening each season from the traditional patrolling and competition areas and onto the mission of making Henley the BEST CLUB IN THE STATE. Each year we improve in so many areas. It is also good that we keep learning new things each year and keep setting goals to aim for.

Henley SLSC's primary function of patrolling the Beach has been carried out in an excellent manner with again "NO LIVES LOST" while patrols have been on duty. This year a few instances happened while not on duty, and the professionalism of so many members shone through when we saved lives while not wearing the yellow and red quartered cap.

My congratulations are extended to all of the competitors who competed this year. We had some great results this season winning medals at all State Championships. Well done to all members who wore the Henley cap.

I would like also to congratulate the members of the Junior and beach Committees. All members who went on behalf of the club to State meetings, Paul Martin for doing another year as a state examiner, James Doherty and Trevor Mulvihill who continue to referee at senior carnivals. It often shows the depth that Henley does have when members take time out to go and represent their Club on a state level.

To all surf lifesavers that are committed to surf lifesaving, I pay tribute and pass on congratulations. To the volunteers who help out with either committees, meals, shows and working around the Club, my gratitude extends to you all for facilitating a prosperous future for all those whom don the red and yellow quartered cap.

Finally to my friends and family who have put up with me and stayed loyal to me over the year my love and respect you'll have always.

*Teresa Davoren Searcy*  
*Hon. Secretary*

# *Lifesaving Services*

*Goal: To provide services that minimise danger & prevent loss of life  
Or injury on the beach & in the aquatic environment*

## *Club Captains Report* *Scott Robinson*

This season was trying for all members although the banding together of all members was shown throughout the year. The strong presence of this comradeship is what we now need to continue on.

For the first part of the season I didn't hold any position. Due to Grantley White's work commitments he had to resign so that's when I took on the role.

This being my first year as Captain but not my first year on the Management Committee I knew what was needed, so I set my goals and headed straight for them.

Patrols were satisfactory with improvement needed in some areas, which next season we hope to bring into force. I thank my Vice Captain Paul Martin for his efforts throughout the season.

Every season the Chief Instructor is faced with the task of training dozens of people and this year the Club gained more new members than we have for some time. Greg Fletcher took on the role as Chief Instructor and did a fantastic job earning him Club Member of the Year award.

All areas of competition performed extremely well throughout the season with again some great results at all State Championships.

Next season will be a test for all, with every area growing but I am sure that the satisfaction gained through the work we do and the company we are with will shine through.

From now until the new season lets keep the clubrooms in good order and approach everything we do with enthusiasm and vigor.

Once again I thank all members and our many helpers for all there help and assistance and I look forward to seeing you all next season.

*Karen Hansen & Mel Scott in the Female Double Ski*

# Lifesaving Services

## Vice Captains Report

Paul Martin

Season 97/98 was well attended by all members with an average of 25 hrs per person. Well done to Bill Hoey's patrol winning the Bentley Wood Trophy. Attendances, conduct & punctuality determined this trophy.

A number of rescues were performed outside normal patrol hours, which shows that we must keep an eye at all times down on the beach.

Once again Henley, along with all other clubs, were rostered on for duty in the Radio Room. Thanks to Dan Graham & Lindy Foureur for their assistance.

I would like to thank Cole Motors for their continued support in supplying fuel for the IRB. For without this donation we would not be able to patrol the large area we monitor to our best ability.

Once again thank you to all members who did their rostered patrol throughout the season. See you on the beach next year.

## Power Craft Report

William Hoey

This year has been a success in the IRB area with the boat being available all year without any major problems.

At the start of the season the old IRB was sold. A decision was made that the Club will run with one boat. If a keen interest is taken in competition then thought will go into the purchase of a new one.

The sale of the oldest motor during the winter will allow us to purchase a new one before next season. This will give us two excellent motors.

Five members were awarded their IRB driver's certificate during the season. We managed 3 days down at Goolwa practising in the surf with plenty of fun and excitement had by all. All trainees passed with ease and their new skills will be appreciated at the club in future seasons. Congratulations to Daryl Graham, Joe Bayer, Craig Martin, Kate DeHeus and Mark Pierson on their efforts.

If any persons are interested in obtaining their certificate, for next season, they can contact me. I will be starting training in September.

Thanks to all drivers for their involvement and cooperation during the season, and for servicing and maintaining the equipment to a good standard.

Thanks to Cole Motors for the sponsorship fuel for the season and hopefully we can enjoy your support again next year.

*Jessie, Lindy & Michelle (3 of Paul "Super Coach" Martin's tribe) receiving their Bronze for the Open Relay – Diane Alagich missing*

# Lifesaving Services

## Chief Instructor's Report

*Greg Fletcher*

The season kicked off with a camp at Chiton Rocks SLSC. Here basic skills were taught to the Bronze group while other members drove the IRB and prepared for the coming proficiency. An excellent time was had by all that attended and we should try and make it an annual event.

Four more Bronze squads, a SLSC squad, ARC and IRB squad, in which Kate DeHeus became the Clubs first female IRB Driver, took up the rest of the year.

Many thanks go to the following people who helped out with squads.

- Geoff Brennecke – First Aid & ARC
- Bill Hoey – IRB
- David Foureur – Bronze Medallion
- Joe Bayer – Surf Life Saving Certificate

Please remember every award received is extra point for the Club so just ask the Chief Instructor if you wish to do one.

I hope everyone had a good season and congratulations to all those members who gained awards.

*A group of the young Henley blood which will soon be doing senior awards*

# Competition

## Beach Report

*Paul Martin*

Season 97/98 proved to be one of the best in the beach area for sometime. State Titles was very successful with a tally of 6 medals and numerous placing's for points.

Lindy Foureur once again dominated the beach area at all carnivals along with god performances from Michelle Price and Jessi McLennan. Doing one better than last season Lindy won 2 gold, 2 silver and 1 bronze. She also was a member of the SA State Team travelling to Tasmania where she was SA's top female gaining a 2<sup>nd</sup> in flags and 4<sup>th</sup> in sprints. At National Titles she made the final of the U18 flags finishing with a 7<sup>th</sup> place.

This season's winner of the Most Enthusiastic Beach Competitor. Michelle Price had a very productive first year. With her determination and positive attitude, she achieved numerous 3<sup>rd</sup>'s 4<sup>th</sup>'s placing's at carnivals and an excellent 4<sup>th</sup> placing at the Southern States Challenge in Warrnambool in flags. She also played an important part in the Bronze Medal winning relay team with a brilliant baton change.

Thanks to David Brennan of the Grange SLSC and Matteo Simone for all their assistance. With talented youngsters such as Tim Galaz, James Bayer and new flag sensation Clayton Wheeler the future looks good.

*Lindy Foureur in action during the U18  
Flags*

## Water Area

*Andrew Lanyon*

Henley was well represented in the water area with regular teams in Taplin Relay and Board Rescue events, and with individual efforts in the Swims and Tube Races.

Carnival regulars in Swim and Board Rescue events included Tim and Dan Graham in the U16/U18 events, Aaron Lewis, Bennett Maxwell and Greg Fletcher in open and Paul Martin, Adam Harris and Mark Searcy in the over 30's.

In the Taplin relay Tim Lepley and Travis McCombe added their support to field a competitive team.

State Titles saw a great turn out, particularly in the Masters section. Mariane Costello showed her usual prowess with a silver medal in the 35-39 Women's tube race.

Mark Sutton (in his first carnival) teamed with Andrew Lanyon to win gold in the 35-39 Board Rescue and also came 4<sup>th</sup> in 35-39 surf and Tube Races. Andrew claimed silver medals in 35-39 Surf Race, Tube Race and Ironman and 6<sup>th</sup> in open surf.

The Taplin Team put in a big effort for 7<sup>th</sup> place, and good efforts also came from Adam Harris in 30-34 surf and tube races and Paul Martin and Mark Searcy in all the 35-39 events.

Well done to all.

# Competition

## Board Captain's Report Aaron Lewis

Season 1997/98 has been a good season for Henley. In the Masters Section gaining medals and points for the Club.

Also at States we got points in the Female Board Rescue.

With numbers and enthusiasm increasing in the boards it is looking good for the 98/99 season.

This season 97/98 we had 2 Touring Teams one to Warnambool Victoria to compete in the Southern States Challenge and then to Kurrawa Beach Queensland for the Australian National Championships. The teams had a good time if not bringing home medals.

There should be at least 2 touring parties this season 98/99. First to Yorke Peninsula on Sept 12 -13 at Ponclalow Bay for part of the Endurance Series and a Club Surfing Comp and secondly to Kurrawa Beach Queensland for the Australian Championships. I hope this year we have larger teams competing.

The Endurance Series starts 14<sup>th</sup> June at Glenelg.

On behalf of the Board Competitors I would like to thank the Management Committee and everyone who helped throughout this 97/98 season. I also would like to thank all the members who competed and hope to see you all back for 98/99 season.

Last note is on the Surf Competition –  
Short Board State Titles is 27<sup>th</sup> June  
Long Board State Titles is 31<sup>st</sup> October.

Training is on Mondays at 6pm at the Club.

## Ski Captain's Report Bennett Maxwell

This year has seen a much more professional approach to training and competitions within the Surf Lifesaving fraternity, which has subsequently increased the level and depth of competitors in all areas. This has meant that for our competitors to produce the same results as they achieved last year they have had to be more consistent and better prepared for races. There was also an increase in the numbers of Henley Ski competitors, which shows our depth and commitment to the Ski arena.

Fortunately, all ski team competitors rose to the challenge and produced some fine performances of which we should all be proud. There was both a winter series and a summer program. Numbers at training sessions have been high and the level of training sessions has been of a better quality due to the inter-club training sessions.

Some of the notable performances included: Tim Lepley in the Open (4<sup>th</sup>) and Masters Single Ski (1<sup>st</sup>). Libby Maxwell in the Women's Single (4<sup>th</sup>), Mixed and Double with Dianne Alagich (3<sup>rd</sup>) and David Foureur in the Mixed (1<sup>st</sup>). The Ski Relay Team for their third place. Also the Junior Relay Team (4<sup>th</sup>), Junior Double Ski (1<sup>st</sup>) and Single performances from Stewart Mills, James Ellis. Other notable Masters performances by Mark Searcy and Andrew Lanyon. Open double performances were solid and we had an excellent contingent in the final although none managed to bring home a medal.

The Australian Titles saw a smaller contingent go across than that which competed at State Titles, however they did manage to perform well despite the obvious numbers of competitors and the difficulty of the surf. At least it was slightly more manageable this year! Greg Fletcher performed well and made it through a couple of rounds, as did Stuart Mills in the Junior Ski.

# Competition

## *Ski Captain's Report cont*

Libby Maxwell was taken out of her race by a back-shooting ski and the Double Team faired a little better to make it through two rounds.

On behalf of the ski competitors I would like to thank the committee for providing us with both new single and double skis. They were much needed and appreciated. I would also like to thank not only the ski paddlers but everybody who provided support in this area and in particular with loading and unloading of craft at carnivals. We look forward to a fantastic 98/99 season with best results yet.

*Bennett Maxwell on the third leg of the Open Ski Relay – 3<sup>rd</sup> placings (Greg Fletcher & Tim Lepley)*

## *Boat Captain's Report*

*Steve Crouch*

This season saw a downturn in the number of rowers and crews competing for Henley. Unfortunately, work and family commitments took their toll in the Boat area, with some boaties not being able to compete very often, and some not at all. As Boat Captain it was frustrating to be one crewmember short, week in and week out.

This year State Titles saw only one Henley crew competing, the Reserve Grade crew. After winning the association and super series premierships in 96/97 season the crew, with very little training together, performed very well at the States. After winning their heat and semi final turned the can 1<sup>st</sup> in the final by 2 lengths only to have no wave assistance in lane 1. The crew in lane 7 came through on a wave, with 4 crews across the line together.

Congratulations on their bronze Medal, following the Silver Medal last season. The crew was;

Bow: Scott Mather,  
Stroke: Steve Crouch

2<sup>nd</sup> Bow: Shane Thomas    2<sup>nd</sup> Stroke: Tibor Szolnoki  
Sweep: Rob Langford

# Competition

## Boat Captain's Report cont..

Other highlights/results for the season were:

### "Oarbusters" at Henley:

Australia Day, a successful fun day for the Club. Thanks to all those that assisted.

- Reserve Grade Crew 2<sup>nd</sup>
- Female Crew 3<sup>rd</sup>

### Pt Augusta Outback Surf Safari:

March 7<sup>th</sup> best social event, no surf, but lots of crews, spectators and partying. Henley's Female Crew and Reserve Grade Crew competed well, with the reserve Crew gaining 3<sup>rd</sup> in the open Relay Final.

**Thanks to** Phil Hogan for towing the boat, Jamie Butterfield for volunteering for the bow seat and doing a great job and the entire Club supporters.

### Carnage Award:

Tibor Szolnoki at a Middleton carnival for receiving 16 stitches to his leg after riding the boat upside down!

Next season we must have more of our rower's back on the water regularly, also recruit new rowers from within the Club, as well as outside. A new set of oars are urgently required and we must set-up a "Boat Fund", as a new boat is essential every 2 – 3 years to be competitive.

### Special mentions:

Tibor Szolnoki for his support and assistance to myself as Boat Captain and for his tireless efforts in and out of the boat are fantastic.

Gary Fazzalari for sweeping the Female Crew and being keen to jump in and row in the reserve Grade crew as well.

## Boat Crews for 1997/98

### Reserve Grade:

Rob Langford, Steve Crouch, Tibor Szolnoki, Shane Thomas & Scott Mather – Bronze  
Plus Gary Fazzalari, Jamie Butterfield, Simon Jennings & Mark Shuttleworth

### Female Crew:

Kelly Lavington, Rebecca Comerford, Tracey Roe, Emma Johnston, Tracey Davidson & Gary Fazzalari

### Masters (States Only):

Rob Langford, Steve Crouch, Mark Shuttleworth, Tim Lepley & Scott Mather

### Plus:

Jamie Butterfield, Phil Hogan, Simon Jennings, Big H & Rob Langford

# Development

## Junior Report

Debbie Parsons

The 1997/98 season saw an even stronger junior section at Henley. Congratulations to the junior members of the Club for all their hard work during the season and the competitors and parents who consistently made a great effort at carnivals.

Henley entered 30 junior children in the State Championships held at Port Noarlunga in March. Congratulations to all entrants and especially to the following juniors who were awarded medals.

Hamish Gillis	Gold	U9 Wade
	Silver	U9 Sprints
Adam Floreani	Silver	U12 Flags
Tim Galaz	Bronze	U14 Sprints
U9 Wade Relay Team	Gold	
U9 Beach Relay Team	Bronze	
U12 Beach relay Team	Bronze	
Sarah Lovebird	Junior Life Saver of the Year Award	
James Bayer	Junior Life Saver of the Year Award	

Congratulation also to our Under 14's – James Bayer, Tim Galaz, Simon Bourne, James Steer and Liam Flanningan who successfully gained their Surf Life Saving Certificate during the season and it was great to see them doing their patrols.

There are so many people who helped out during the season and contributed their valuable time to ensure our juniors enjoyed being a member of Henley.

Thanks must go particularly to all the Age Group leaders and Committee members who so successfully organised and maintained the 97/98 season – Shelly Nelson, Grant Forsyth, Tim Bourne, Lily Keane, Kevin Duffy, Leo O'Callaghan, Joe Bayer, Darryl Graham, Marianne Costello, Andrew Lanyon, Lloyd & Jen Oaten and Jan Duhne.

We saw an increased number of parents helping out at training on Saturday's particularly with the younger aged children where the numbers in this group has grown. There was certainly no shortage of enthusiastic parent helpers who organised fundraising events, cooked BBQ's etc. We now have a fantastic BBQ that was kindly donated by the Grange Division of the Red Cross.

One of the highlights of the junior's season was Henley hosting the Triangular Carnival for the first time. Feedback from other Clubs proved it was a success.

Thanks also to Barry Duhne, the Club Treasurer and Phil Hogan for organising clothing for the juniors. A special thanks to Tim Bourne who attended meetings of the Junior Development Panel on a regular basis and for his assistance with numerous administration tasks. Also acknowledgment to Darryl Graham who held the position of Juniors Representative on the Management Committee and attended meetings on a monthly basis.

Last, but not least, thanks to Scott Robinson Club Captain, Paul Martin Vice Captain and all the senior members of the Club for their assistance throughout the season.

# Congratulations

**Stuart Mills** has been chosen in the Australian Junior Kayak Team, which will be touring to Germany and Poland. Stuart will be competing in the K4 500m & the K4 1000m.

**David Foureur** has been appointed Coach of the Senior Australian Team, which will be leaving soon for Denmark, Belgium & Germany for 2 weeks. The Team is competing in 2 World Cup Regattas competing in the K4 500m. Two fellow lifesavers are in his team, Jamie Beavis and Brett Fielder. Good Luck.

It was a great season for **Lindy Foureur**

- Representative of Carlton & United State Team (toured to Tasmania)  
Lindy's performance in Tasmania was of a high standard achieving a 2<sup>nd</sup> in the Flags and a 4<sup>th</sup> in the Sprints.
- Member of the 97/98 Youth Development Squad  
There was over a hundred applicants for this squad with only 30 being chosen, Lindy was chosen for the U18 section.

**Tim Graham & James Bayer** - two of our younger members of the Club have been selected into a Junior Development Program for Kayaking which starts on 24<sup>th</sup> of May 98.

**George Rogers** - is a new member to the Club and he holds a Scholarship with SASI.

Just prior to the season **Diane Alagich** made the Australian Junior Kayak Team. The Worlds were held in Finland and they finished 11<sup>th</sup> in the world for the K4 500m.

For the past two years **Teresa Searcy** has been nominated as the Assistant Manager of the Youth Development Squad for the State.

# Sponsors & Supporters

## **Cole Motors Crash Repairs**

**COLE MOTORS** have been donating **fuel for the IRB to the Club for over 10 years.**

The IRB is a vital part of the Clubs rescue equipment, and without this vital sponsorship worth approximately \$700 a year, the Club would find it very difficult to keep the IRB up and running on patrols.

We look forward to maintaining this strong relationship in the future.

## **ADAMI SAND & METAL**

## **ADELAIDE FESTIVAL**

## **Grange Red Cross**

In the past two seasons the **GRANGE RED CROSS** have kindly **donated** two items. One a **Resuscitation unit (called Annie)** for the training of new squads. The other item is a **BBQ**, which the juniors have been able to use it for fundraising (sausage sizzles).

It's great to see after a hard junior training that the kids are able to get something hot to eat.

## **BRANDON BUSCOMBE**

## **DR DUHNE**

## **Henley Community Aid & Advisory Centre**

The **COMMUNITY CENTRE** has been donating money to the Club for the **past five years to both junior and senior divisions.**

The amount each year donated has been put towards training and competition equipment in both areas.

Andrew Jarman from **TRIPLE M** gave Henley extensive on air support of all our shows that we held throughout the summer.

## **The Hele Family**

The family members of the late Cedric Hele donated a **generous amount of money** which all went towards the **furnishing of the great kitchen.** The kitchen will have a huge impact on the funds that will now come into the Club.

## **WATTYL AUSTRALIA**

## **The Grunters**

The **GRUTERS** are a group of men who get together three times a week down the Club. They have appreciated to use of the gym and showers so much that they wanted to give something back in return.

They wanted to **donate money and a trophy towards the Presentation Night.** So for the past three years the **GRUNTERS** have supported the Club in making the Presentation Nights a great success.

## **FREEDOM POOLS**

## **DON WHENAN**

## **CITY OF CHARLES STURT**

## **SLSA FUNDRAISING DISBURSEMENT**

## **Piccadilly Spring Water – Bob Hewitt**

Bobbie Hewitt from **PICCADILLY** has kindly **donated a few hundred dollars each year for the past few seasons.**

This donation has gone towards patrol equipment each year. It is vital to keep the patrol equipment up to date and in good conditions – a life may depend on it one day.

## **Mr. & Mrs. NB WOOD**

# Sponsors & Supporters

## **GA Anderson – T. Jaggard – RJ Treloar**

The Club along with the help of the above past members have set up a 10 year fund on behalf of another past member – **Bentley Wood**.

Each year there is a **Patrol Competition** held within the Club and the best patrol group wins a T-Shirt and their names go on a Silver Cup. (Value of \$100 each year.)

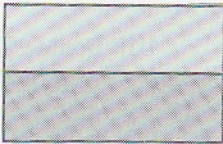

The above group of names are among the best in the running field in Surf Lifesaving competition

**ADELAIDE FESTIVAL**

**SA GOVERNMENT**

**SLSA TRUST FUND**

## **BORAL MASONRY**

Two summers ago saw BORAL become one of the major sponsors of the HENLEY SURF LIFE SAVING CLUB.

BORAL is a large SA company with many outlets. BORAL donated a majority of the money towards the **Geoff Bull Surf Boat**. Many crews over the past two seasons have enjoyed many wins in this boat. We look forward to the future with BORAL.

### **Department of Recreation & Sport**

Darryl Graham and Joe Bayer put together an application for an **ACTIVE GRANT** from the DEPT OF RECREATION & SPORT and they kindly donated some money, which has gone towards the growth of the competition equipment for the juniors.

**SPA WORLD**

**SUPER SID BEM**

**Mr. TOM JENNINGS**

**TREVOR MULIHILL**

**ENDRUST**

Anti Cancer Foundation have supported through there association of the State. They donated the HENLEY sign on the outside wall of the Clubrooms.

## **Carlton & United**

AUSTRALIA'S LEADING BREWER

CUB sponsors some major sporting events all over Australia and it's a pleasure that CUB continues to support the HENLEY SURF LIFE SAVING CLUB. They sponsor us either by donating product for the **HENLEY OAR BUSTERS** or kegs and bar products throughout the season.

**CUB has been fantastic sponsors over the years.** They have even donated a large sum of money to purchase a **new surf boat** a few years ago.

We have never lost their support and hopefully it will continue to be strong.

**ON BEHALF OF ALL THE MEMBERS I  
WOULD LIKE TO THANK ALL  
SPONSORS AND SUPPORTERS THAT  
CONTINUE TO HELP THE HENLEY  
CLUB DO WHAT THEY DO BEST**

**SAVE LIVES AND ENJOY THE SPORT**

## Auxiliary Officers Report

Kelly Lavington

Hi everyone! Well it was another successful season at Henley. There was a great response to our shows and it was good to see everyone who turned up.

It was a rewarding experience for me to help out at the Club. It was a chance for me to catch up with many people, and meet some new friends. The shows are also for you, as members, to get to know both old and new were.

I would like to say a huge thanks to Deb Parsons as she did a fantastic job as Top Room Manager this season. Without her help and support I know the shows would not have been the successes that they were.

A big thanks also goes to Tracey Roe and Karen Hansen for helping with posters, invitations, collecting money at the door etc. Without their help the shows would not have gone ahead. Other people who deserve mention and thanks are also Kate De Heus, Lindy Foureux, Mel Scott, Scott Robinson, Michelle Price etc. Also to everyone who attended and helped behind the bar it was much appreciated.

All the shows were well attended which the coffers have been very profitable. The band nights were great fun. This season we had, our all-time favourite Tongue n Check, the Highwaymen (thank you Crouchy), and we moshed to Tidal Grunge.

I think that having live bands is such a fantastic way to support the local music industry and it's great that members turned out to support these. To help advertise for the highwaymen show a few of us invited to attend at Triple M Radio Station. This was lots of fun and also a free plug for the surf club.

The cocktail party was a huge success and we sold over 90 tickets. It was really great to see that clubbies do actually own some decent suits and frocks, instead of dick bathers, one-pieces and shorts (and patrol tops and caps)!

Thanks again for the opportunity to help the Henley Surf Club. As I said really appreciated the effort of all involved with our shows. Please remember it is your Club and the more people who can help the Club, the more can happen at the Club.

# Fundraising

## Top Room Report

Debbie Parsons

It has been an interesting year for me to say the least. Thankyou to all those members who have assisted me in various ways, turning up for bar duty, hoisting kegs, sharing knowledge, cleaning etc.

In particular I would like to thank Tulip and his Sunday gang who have been of considerable help to me, and Barry Duhne who takes care of all the financial side of things and who has guided me along the way.

I would also like to thank Kelly Lavington, Tracey Roe and Karen Hanson who have been so easy to work with when organising Club functions.

The kitchen in the Top Room was officially opened on 26<sup>th</sup> October by Harvey Hele, which has now improved the facilities available at the Henley Surf Club.

As well as Club functions there were several private functions held throughout the season and having the kitchen available for catering has been greatly appreciated by those who have hired it.

Meals have been and will continue to be served in the top Room on Friday nights. It has been my aim to encourage a friendly social atmosphere in the Top Room so that members can take advantage of a meal and a few drinks on a Friday night. It has been great to see some members enjoying the facilities of the Top Room, but more members are needed to support their Club in this area.

Again my thanks to all those fantastic people that have assisted me and provided very valuable support.

# Financial Summary

Barry Duhne

Again I can report a financially successful year for the Club and that we have been able to meet all of our liabilities. The assets of the Club for the first time now exceed in excess of \$550,000 and while most of this is in the clubroom valuation, it does highlight the amount of money that has been and continues to be required to achieve the objects of the Club. It also highlights the ever-increasing cost of the lifesaving equipment required for both competition and for the patrolling of the beach.

Most of the funds raised have come from outside of the Club and we are greatly appreciative of the financial support that we receive from these sources. The family of our past Life Member and former Club Captain Cedric Hele donated \$10,000 towards the cost of furnishing the top room kitchen, a facility which while always being a necessity was never a priority because of the cost involved. We are greatly appreciative of this magnificent gesture.

The State Government has for many years acknowledged the work done by Surf Lifesaving Clubs in South Australia and our Club was fortunate to not only receive a \$7,000 Administration grant but also to receive a further special grant to purchase equipment for the Junior Section of the Club.

Carlton United Brewery has also supported the Club for many years and we are again grateful for their continued support.

Members should always be aware of the need to still raise funds and this has been done primarily by the social facilities conducted in the upstairs facilities.

The attached financial records while showing a downturn in the social income fails to highlight the work put in by the group of members who ensured that there was always something on the Social calendar for members to attend. While several events broke even at the door, there was on all occasions a sizeable profit made from bar trading.

It was pleasing also to find after many years we can show a small profit in the sale of Club clothing. While this has been achieved mainly because of the light stock controls by Phil Hogan and Debbie Parson I must mention that the Club is carrying a considerable amount of old stock that will need to be sold at a loss next season.

The competition area is no doubt a major expense to the Club and it is in the interest of all members who compete and use the competition equipment to maintain their gear in top condition. They should also support the efforts to raise funds to enable regular replacement.

Club subscriptions have not risen for many years and this can only remain so providing all members support all fundraising efforts.

I again thank all members who have assisted me in my position of Treasurer and also Peter Brass the Club's Hon. Auditor who, as in previous years is able to check our books which always seems to be at short notice.

## STATEMENT BY COMMITTEE

"The attached financial statement of the Henley Surf Lifesaving Club Inc. being the Balance Sheet, Statement of Income and Expenditure and statement of Receipts and Payments for the year ending 30<sup>th</sup> April 1998 are, in our opinion, properly drawn up so as to present fairly the financial position of the club as at the 30<sup>th</sup> April 1998, and its results for the year then ended."

DATED AT HENLEY BEACH THIS 1<sup>st</sup> DAY OF JUNE 1998

SIGNED IN ACCORDANCE WITH A RESOLUTION OF THE COMMITTEE.

  
.....  
G KIRWAN  
President
