

**Henley Surf Life Saving Club
Annual Report 2011 / 2012
87th Season**

860 Lives Saved

SECRETARY PREFACE

I present to you this Annual Report for 2011/12. We have presented you with acknowledgement of all our supporters and sponsors.

There is a great buzz around the club as I see it growing and looking into the future. I never thought I would still be waiting for the new building to start but I can safely say it will next season.

The club has achieved Good Sport Level 1 status which provides a safe licensed premises environment for all members and the public. I am very proud to announce our club has also achieved Starclub Status which is a reflection on the good work our committee has achieved with a strong constitution, OH&S practices and general running the club with various programs in place.

I hope you enjoy this report and support our club sponsors. Again thanks to Jane Dewar for formatting and editing this report, and my wife Sue for running the bar and supporting me.

President's Foreword

The 2011/ 12 season – the Club's 87th year of operation has seen further strong growth in all areas.

Our membership has grown to well over 500 now with new members across all age groups which is very pleasing. Our finances are sound and we thank Mark Travers for his expertise and diligence in this area. Our major fundraiser – **The West Beach Community Bank Big Row** was another outstanding success in February raising \$68,535 toward the new Clubrooms.

Our Patrols performed admirably again this year with results still to be published in the State Patrol Efficiency Competition. Our Training team has again ensured another near record number of members have gained a variety of awards. Our Trainers spend much of their own time on top of their patrols etc ensuring the rest of us are skilled and upskilled in a range of First Aid and Life Saving disciplines and we thank them all for their huge efforts.

Our competition area had another successful year and there are several ongoing initiatives underway to ensure those members wishing to compete at a high level have every opportunity to do so with the appropriate support.

Many of our members travelled to Stansbury again to conduct the Beach Safety session for the Stansbury Primary School – an event that the children, teachers and parents all enjoy. Next year we hope that another Yorke Peninsular school can join us.

By the time you read this Annual Report our dear old Clubrooms have been removed from the landscape. It has been such a long and tiresome road and even when we have been on the cusp of commencement new hurdles have appeared. During May and June this year things came to a head and the fact we have now finally made a start is only due to the co-operation of Staff of The Minister for Emergency Services, Minister for the Environment, Minister for Infrastructure and Charles Sturt Council.

I wish to particularly thank our Local State Labor Member Paul Caica for his ongoing support, and Federal Labor Member Steve Georganas. If not for the assistance of Steve we would have lost the \$10,000 Federal Grant that will partly cover the cost of rainwater tanks and reticulation in the new building.

We must also thank Elaine Farmer and the Board of Management of Surf Life Saving SA who have agreed to act as Guarantor for our share of the cost of the building. This was a requirement put in place by Crown Law and without this Guarantee we could not have proceeded.

Your Committee has been very conservative in the financial commitments we have entered and we are confident that we can comfortably afford the loan repayments, the running costs of the new building and of course the cost of putting our patrols on the beach. But we need to continue to be prudent in all areas and continue to support our ongoing fundraising efforts. The **Foundation Fifty** fundraising initiative is almost fully subscribed, raising \$80,000 of the \$100,000 target and we thank Joe Bayer for putting this initiative together.

This year I was delighted to award The President's Trophy to Jane Dewar in acknowledgement of her continuing behind the scenes efforts in managing and administering the Big Row and support of the Committee in general. It was Jane's initiative to create the Henley Challenge concept which raised \$5,000 toward the new Clubrooms (and we hope this initiative will grow in the coming years).

Once again, a huge thank you to our volunteer members, families, friends and supporters for their efforts in ensuring that our Club remains respected, successful and an enjoyable place to be.

NEVILLE FIELDER

Presentation Night Award Recipients

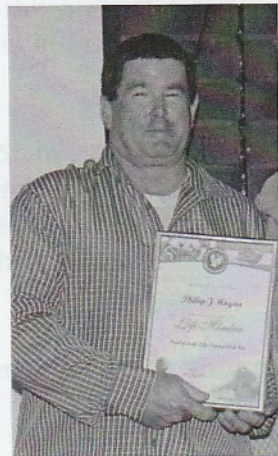

CLUB MEMBER OF THE YEAR

Phil Hogan

Phil was awarded the Club Member of the Year this year in recognition of his contribution and leadership a variety of capacities at the Club during the past 12 months.

Phil has been Chair of the Junior Division for several years now and has shown outstanding foresight and leadership in gathering a dedicated group of like minded people around him to ensure the continued improvement, forward planning and success for our Junior Division. His efforts have seen our Junior membership numbers grow to record levels and the programs we have in place now provide a very sound foundation for the entire club as our younger members develop and transit through to the youth and eventually senior ranks within our club.

Phil continues in his roles as Age Group Leader and member of the Building Committee in addition to his role on the Management Committee. Congratulations Phil and thank you for your continued efforts.

PRESIDENT'S AWARD

Jane Dewar

Jane was awarded the President's Trophy in recognition of her behind the scenes efforts as Sponsorship Manager. In addition to the base requirements of the role she took on the administration of the The West Beach Community Bank Big Row in a most efficient and professional manner. This involved countless hours of liaison with past and prospective sponsors, generating correspondence and invoicing for pledges, banking and planning the logistics of the event as well as the after party celebrations.

On top of this Jane established 'The Henley Challenge' fundraising initiative which was a very successful fundraiser with over \$5,000 raised going toward the building fund.

Annina D'Amico

Club Captain

At the end of another successful season it would be remiss to not reflect on what we've achieved but also to understand where we have room for improvement.

Patrol services have been and will remain Henley's priority and focus, as without these we would not exist as a club. It has therefore been encouraging to see our assiduous training team bring almost 60 new members into our patrolling group this season. Even though we now have a larger pool of members to fill our patrols, we must all remain diligent and dedicated to our own patrol commitments, and not rely on others to pick up our slack. The number of instances of people failing to attend their patrols is slowly on the rise and to ensure we nip this in the bud, next season there will be a focus on enforcing our already existing processes and policies around patrol attendance and penalty patrols.

I do not wish to detract from the huge commitment and effort that our members have made this season. Collectively, Henley members have accumulated over 5,030 hours patrolling for surf clubs and state services (e.g. rescue helicopter, jet boat, jet skis, 'SurfCom' radio room) in the 2011/12 season which is a tremendous amount of their time to volunteer.

In the past Henley has struggled to encourage its Junior members to progress into the Senior competition area; over the past few years, however, there's been a resurgence of the Juniors competitively which is certainly pushing the club to ensure that there is a structured and welcoming competition area to support this progression. Along with this growth we will find ourselves in need of more coaches and officials and so encourage everyone to take up these opportunities when offered.

I am once again amazed by the willingness of Henley members to volunteer and assist around the club wherever they may be needed. As Club Captain I frequently feel that I am constantly asking for a lot from our members (whether that be filling in for a last minute patrol, running some extra training, preparing some documentation or even just cleaning the club rooms) and am continuously astounded and made proud when the answer is always an unreserved "yes" or "no problems". It's this committed and selfless nature of our members that makes Henley such a great club and thank everyone who has contributed to this.

I'd also like to take a moment to particularly recognise and thank Shelly Nelson who has covered a myriad of roles within the club this season (often without choice or purely because there was no one else to do so) and has done so conscientiously, autonomously and without reward or recognition. I have no doubt that we would not have had such a successful season if it wasn't for the contributions made by Shelly in so many different aspects of our club.

We are now faced with the challenge of maintaining this high standard that Henley has built but without our club rooms for support and communication and ask that, now more than ever, we all work together to continue the Henley enthusiasm and quality.

TOM LANYON
CLUB CAPTAIN

Vice Captains Report

Firstly, I would like to mention how refreshing it was to have so many patrolling members this season. We had 11 patrolling groups and next season it looks like we could have at least two more.

I would like to thank our Patrol Captains for the season. George Symeonakis, Shannon Asa, Bianca Parker, Sean Fletcher, Phil Hogan, Tom Lanyon, Tony Tammita, Aaron Lewis and Hannah Foody.

A special mention to our two youngest patrol captains - Bianca Parker and Jake Fitzgerald. I hope these two members keep developing their leadership skills because I anticipate you will be part of the bigger picture in the future.

People's attendances at patrols this season were varied. Next season the committee has decided to restructure the penalty system for not attending patrols. If, you don't attend your patrol with no sub you will get a penalty patrol. If, you miss another patrol with no sub you will be asked to explain personally your actions to the management committee. This will ensure Henley continues to serve the community with vigilance.

A special mention to one of our youngest patrolling members. Maddie Howard had 100% attendances for the season. Thank you for leading the way.

A few examples of Henley's service and vigilance this season

Patient was identified as being in distress on the Northern side of the Jetty. Hannah Sitters and Paul Leonard performed an extremely effective IRB retrieval.

The rest of RED patrol worked as a team to ensure that Oxygen, Defib, communications and ongoing patrol was maintained. The patient was in mild to moderate respiratory distress that failed to improve with oxygen. An ambulance crew attended the scene and eventually discharged the patient into the care of his friends. There was no doubt that without rapid identification of the patient's condition and an efficient rescue and resuscitation, the outcome for the patient would have been grave.

Three things were identified from this incident:

1. Our patrol members all exhibit outstanding skills and professionalism in performing rescues.
2. The Northern end of the Jetty is a major problem area for inexperienced swimmers, and,
3. Jack Mather is a very handy nipper to have around as it was Jack who identified the swimmer in distress and alerted the patrol. Well done to all involved.

Our community swims were conducted brilliantly and the absence of rescues and/or incident is a reflection on how well organised these events were. Sean Fletcher did a particularly high-quality job on Australia Day. I would also like to acknowledge Tony Tammita's commitment to supporting these events and showing ongoing leadership in the water. The patrolling members who did extra patrols for these events showed dedication and commitment in supporting our vision to grow and develop as a club.

A small anecdote of commitment - Tim Cavanagh's wife was competing at Master States and we were finding it difficult to find a few more people to do an extra patrol. Tim stepped up to the plate even though he had other commitments he found time to help the club and his community.

The Bunning's BBQ's have been a great fundraiser. Around \$4,500 was raised over 5 days.

Tom Jennings – a massive thank you for helping every day. Your support made my job a lot easier.

Russell Watkin – thanks for helping order, counting money, taking money to the bank setting up and packing up each time.

Oscar Forest (from U9's) who was so helpful buying bread one day.

Chris Sheehy – for taking the lead to set the dates and get us moving.

Thank you to everyone who helped out at the BBQ's.

The Vice Captains role needs time and commitment so due to our family's addition I will be unable to do this role next season. However, I encourage someone with new ideas and a willingness to work hard towards a great future for HSLSC to have a go as it's very rewarding.

SHELLY NELSON (WATKIN)
VICE-CAPTAIN

Henley SLSC Officials

Table 2. Awards gained by Henley SLSC volunteers in season 2011/2012

Looking back at the last 5 years of our club's history, you can see we have recruited good numbers into the club. This is due in part to our increased visibility in the community and our ever increasing number of members.

Membership Manager Report

The season started off with 2 busy registration days at the Henley SLSC. Membership grew throughout the season and as of May 2012 the membership was as follows:

Category	Total Members	Male Members	Female Members
Junior Activity Member (5-13 years)	229	120	109
Cadet Member (13-15 years)	21	8	13
Active (15-18 yrs)	37	21	16
Active (18yrs and over)	148	91	57
Reserve Active	1	1	0
Long Service	0	0	0
Life Member	20	19	1
General	77	35	42
Honorary	14	14	0
Total	547	309	238

I would like to thank Jane Dewar for mentoring me into this position over the season. Her patience and willingness to support me in this role has been invaluable.

To my two registrars – Irene Cole (seniors) and Terri McCaffrey (juniors) I thank you for your enthusiasm to take on this mammoth task and run with it over the season as we all learnt as we went along. You both took on huge workloads especially at the start of the season with poise and commitment.

I would also like to thank the 'bar girls' on Saturday afternoons who took lots of memberships over the season.

The other part of the Membership Managers role is to support the clothing area. Louise Howard and Lynda Fazzalari were organised, devoted and most importantly available to our members every Saturday. This role is imperative as the club grows and we continue to improve our presence at carnivals and in the community.

I'm sure we will hit 600 members next year as we continue to be the best club on the coast.

SHELLY NELSON (WATKIN)
MEMBERSHIP MANAGER

Chief Instructor

It was another successful season at Henley SLSC, and the last in the old clubrooms! To start with a huge THANK YOU to Paul Leonard who took on the Chief Instructor role for 5 months in my absence, and started the season off to in a fantastic manner. Thank you to the amazing training team for their enthusiasm and dedication: Paul Leonard, Tony Tammita, Andrew "Hen" Henry, Kate Viner, Roy Menner, Tiarne Easley, Peter Oborn, Samantha Moore, Hannah Sitters and Nick Travers. Also a special mention to Tony and Hen, who were rock solid during this season and welcome back to Sam to the training team.

Congratulations to all members who have trained for and gained awards this season! Members, if you see a new face around the club, remember to say hello ☺ it is important for us to foster these new relationships. New members, get involved where you can! If you're not sure how, please ask ☺.

The aims for this season were:

To increase the numbers of members holding extra awards, with an emphasis on ART and IRB award - I'm pleased to see the huge push to increase the number of members with ARTC and IRB awards has paid off. The numbers for the Bronze Medallion and Surf Rescue Certificate also held strong from last season. The following is a summary of awards gained.

AWARD

Number of members who gained awards

Advanced Resuscitation Techniques Certificate (ARTC)	8
Bronze Medallion	41
IRB Crew Certificate (IRBC)	19
Silver Medallion IRB Driver	7
Surf Rescue Certificate (SRC)	18

Table 1. Awards gained by Henley SLSC members in season 2011/2012

For the 2012/2013 season, there will be an emphasis on members gaining their ATV and Spinal Management Certificate.

To simplify the registration for training sessions - This is an area that still requires further improvement, and will be an emphasis for the next season. At the start of the season, a timetable will be released on the club's website with the anticipated start dates for training sessions.

To increase the number of trainers in all awards - A number of trainers qualified for training awards this season. Well done to the members listed below, it is fantastic to see the trainer's time rewarded with these official qualifications.

AWARD

Gained By

Training Officer Advanced Resuscitation Techniques	Andrew Henry
Training Officer Bronze Medallion	Tiarne Easley, Peter Oborn
Training Officer IRB	Paul Leonard
Certificate IV in Training and Assessment	Paul Leonard, Tony Tammita
Facilitator Spinal Management	Paul Leonard

Table 2. Awards gained by Henley SLSC trainers in season 2011/2012

Looking back at the last 5 years of number of bronze awards and SRC gained, you can see we have recruited good numbers into the club. This is due in part to our increased visibility in the community and our ever increasing competitive members.

Henley SLSC Juniors

Another great year has been had by the Henley Juniors for season 11/12 with plenty happening on and off the beach. Again the year started early, straight after the 2011 State Titles with the junior committee meeting regularly to set some modest targets and goals for this season ahead.

One of our main goals this season was to ensure that the U14's from 2010/11 remained at the club and continued along the Surf Club journey in a new category of U 15's and at the same time get an U 17 group going as well.

This was achieved with great help from Sonja Smith and Dave Cassidy in the U15's and John Coorey mentoring the U17.

The committee planned on improving our junior membership by 10% and by season end we had increased our membership to 224 which is a nice improvement on last year. The critical thing here is we had a retention rate of 96% which is pleasing to see and a great take up in the U15 and U17 area.

The newsletter continued to be a big hit keeping our members informed of results, events, profiles and training tips. Many thanks must go to Ali Albanese who spent many hours putting this professional publication together.

During winter, flag training and running training continued at Henley Oval, we commenced junior swimming training at Seaton pool which was a great success and changed the board training day to Saturday afternoons, we were fortunate enough to enjoy some nice weather on most days and gain some good fitness ready for the season ahead.

The start of the season was amazing with approximately 70 new children participating in a "come and try" day with most returning to sign up and participate weekly. The biggest groups again being our under 6's, 7's and 8's which continues to be a great success, this is an area where we always need new helpers, so if interested have a go it is very rewarding.

During the summer season we provided training in some form every night of the week with additional morning swim sessions on offer, the result of this was evident with our success at carnivals and state titles. It was great to see all the children out on the beach each night of the week and special thanks to all the parents and coaches who helped with the delivery of the sessions.

This year it was great to have Garry Ashton, Quentin Dorward, Brett Roe, Steve Forest and Dean Woods help with board training, Rachel Roe run the swimming training, Andrew Henry and Shelly with running and flag training during the week and on Saturday mornings, many thanks for your assistance.

Christmas was upon us very quickly and this year Santa made his entrance in the Rhino instead of the traditional surf boat. The weather wasn't the best but the old fellow managed to pull a good crowd. The kids just love this day and it is wonderful to see them all enjoying the occasion.

In January a team of 6 Henley children headed to Wollongong for the Wave Warriors competition where we enjoyed success winning 7 medals overall. The team consisted of Ed Gates, Daniel Hogan, Maeve and Aimee Moroney-Plouffe, Sax and Zani Bates.

After Wollongong some of the team then headed to Manly for the Junior Nationals where we were up against some of the best junior competitors in the country and again our children represented Henley SLSC very well and thoroughly enjoyed the experience.

This year we also took a team to the Australia Day Junior Carnival at Southport and our team of 12 children had a great day taking home a few medals along the way. I think next year we will encourage more of our children to compete at this carnival as it was a fantastic event to be involved in.

Early February the club continued with our major fund raiser of the year, the West Beach Community Bank Big Row. While we were in Stansbury we conducted our junior coaching day for the 30 children from the Stansbury area school who experienced the fun and challenges of Surf Life Saving. This year we also took some of our juniors over to Stansbury to help and participate in the session and with the help of Andrew Henry and Barrie Cole we were able to deliver Resuscitation training to the grade 6 and 7 children, something which the teachers and parents greatly appreciated.

This year we had a team of children represent our club at the Surf Life Saving SA Development camps for U11 to U14. We were well represented by Cooper Forest, Hannah Frisby-Smith, Ed Gates Ashton, Max Toddman and Sax Bates. We look forward to more of our children participating in this next year.

The pre qualifying and State Titles were soon with us and after a few long days on the beach we had achieved our next goal and that was to have as many of our children make the finals as possible allowing them to experience the pressure of the finals and also enjoy the team experience.

We were fortunate enough to win 9 medals at this years State Titles held at Seacliff Beach which was a great achievement. We finished in 9th position with 111 points. The great thing for our kids was that we had children in almost every final and with some finishes in 4th, 5th and 6th I am sure in the next few years they will break through into the top 3 places

Our medallists this year at the State Titles were;

GOLD

U11, Sprint Chelsea Albanese

U11, Flags, Chelsea Albanese

SILVER

U10, Flags, Jay Muir

U11, Swim, Jordan Muir

U12, Boards, Jack Mather

U13, Cameron Relay, Maeve Moroney-Plouffe, Izzy Williams, Daniel Hogan, Ryan Albanese

BRONZE

U10, Wade, Rebekah Frisby-Smith

U11, Swim, Emily Tyler

U13, Iron Woman, Maeve Moroney-Plouffe

As always the after carnival show continues to be a great time for everyone to applaud the efforts of everyone who competed and share each other's experience and it was great to see nearly every competitor and family back at the club celebrating with the children.

Congratulations to our Junior Life Savers of the Year award recipients, India Rose Chambers and Ethan Miller. We look forward to their leadership and enthusiasm around the club in the years ahead.

I would also like to thank all the many people who help and assist with the running of the junior section this year, in particular;

JUNIOR COMMITTEE

Shelly Nelson (Watkin), Andrew Henry, Michelle Lavingdale, Rachel Roe, Jen Frisby-Smith, Barrie Cole and Mark Frances.

AGE GROUP LEADERS

Bec Woods, Meredith Hemsley, Tiarne Easley, Madeline Cole, Matt Simone, Bec Codd, Michelle Joynes, Nikki von Bertouch, Steve Corns, Jen Frisby Smith, Rachel Roe, Steve Parker, Tim Cavanagh, Shelly Watkin, Sandra Daly, Mitzy Dorward, Rae Lawson, Jamie Butterfield, Phil Hogan, Quentin Dorward, Ollie Miller, Sonja Smith, Dave Cassidy, John Coorey

CARNIVAL OFFICIALS

Barrie Cole, Mark Frances, Roy Menner, Tim Cavey, Lisa Moroney-Plouffe, Shelly Watkin, Phil Hogan, Barry Duhne, Sandra Daly, Mitzy Dorward, Mark Frisby-Smith

Our regular water cover provided by, Rusty, Mags, the Forrests, the Woods', Killa, Hoff, Chook, Tredders, Horse, the HET crew and all the other guys and girls, young and old who help each weekend in providing water cover and IRB cover, a fantastic effort without them we would not be able to have our children in the water weekly and compete at carnivals.

Again this year we were fortunate enough to have the Cole family, Barrie and Irene and Jeff Moulds who each week ran our BBQ and assisted with other fund raising events raising very valuable funds to assist with the running of our Juniors and the Club, thanks guys.

And to the volunteer bar staff, Trish, Linda, Suzzie and Terri, the clothing mums, Louise and Lynda, our registrar, Terri, the mums and dads who assisted at training sessions and carnivals during the season without any hesitation, your efforts are greatly appreciated, and without your assistance we would not be able to run our Junior program.

And of course finally thanks to the children who make it all worth while with those great big smiles and happy faces when they achieve something new or just have fun at the beach.

Looking forward to next season, not far to go now.

PHIL HOGAN

JUNIOR CHAIRPERSON

LIFE MEMBER

WINTER POOL STATE TITLES

Henley SLSC competed at the 2012 Pool Competition State Championships and I am pleased to say we finished 8th with 44 points with a team of 5 competitors.

I am very pleased of our 5 competitors who represented the Henley SLSC over the 2 days with class and professionalism, Josh Smith, Emma Robinson, Maeve Moroney-Plouffe, Jack Butterfield and Daniel Hogan.

Josh Smith won 3 gold medals, Maeve Moroney-Plouffe won 2 gold medals and Daniel Hogan won a silver medal.

I would also like to thank Leisa Moroney, who was our nominated official, Sonja and Brad Smith and Jamie Butterfield who assisted as time keepers. Watch out for more information on this event next year as we will enter members from all age groups.

Junior Awards

The Henley SLSC Junior award winners this year were,

ANDREW LANYON OVERALL JUNIOR CLUB CHAMPIONS

Female Lauren Daly
Male Harry Forest

AGE GROUP	FEMALE	MALE
U9	Ashlyn Von Bertouch	Daniel Codd, Isaac Joynes
U10	Rebekah Frisby-Smith	Evan Corbett
U11	Aimee Moroney-Plouffe	Attila Keresztesi
U12	Lauren Daly	Jack Mather
U13	Izzy William	Sax Bates
U14	India- Rose Chambers	Ethan Miller

AGE GROUP	BEST COMPETITOR	MOST IMPROVED	COACHES AWARD
U9	Oscar Forest	Isaac Joynes	Ashlyn von Bertouch
U10	Kayla Roe	Imogen Booth	Zani Bates
U11	Chelsea Albanese	Jordan Muir	Tayla de Beer
U12	Cooper Forest	Siobhan Roe	Brandon Kozned
U13	Maeve Moroney-Plouffe	Max Todman	Ryan Albanese
U14	Jade de Beer	Chelsea Slecza	Anina D'Amico

Competition Manager

This season we have welcomed many new faces to the competition area at Henley. I believe the competition areas are slowly turning around for Henley as many more are trying new surf sports and we welcome everyone to give all areas a go and get out there and having fun with the intention of social, being healthy, getting fit or seriously competing.

Over the past year Henley's competition has seen to slowly been diminishing in some areas and this season the competition committee made a goal to make a change to competition at Henley and slowly make a comeback in all the surf sports areas. At the beginning of the season we held a meeting to training schedules and plan ahead for what we want to achieve for each area. We aimed to have a focus not only on the younger ages but also the master age group and involving them more into trainings and competition.

This season unfortunately there was quite a bit of distraction with the new building which made costs for supplying new equipment and fixing equipment very hard with such a tight budget. With the understanding of the importance of our new club everyone has done a great job to train and compete with the equipment we had available this season.

Over this past season we have seen many new faces come in and try all different areas. Our board and ski being two areas that are maintain some number and are slowly growing. With the new club just around the corner we hope to increase these numbers to aim for at least one team in each age category of the senior competition for these areas in the coming years at Henley.

One area which has excelled on a whole new level at Henley is our surfboat area. A special mention to this area who have grown dramatically in numbers over the past year and who have a great presence and dominance at many of the senior surf boat carnivals this year. This particular area was able to have a crew in each age category as well as the two teams in the surf boat relay this year at state titles. There have also been many achievements through many interstate trip and selected state team crews. We thank all the sweeps, competitors and club members who are involved in the surfboat area as there is a booming social aspect and very good competition opportunities which we look forward to maintaining and further succeeding on again next year.

When I was entering this year's senior and master state titles entries I was very impressed with number of competitors Henley was able to produce. In state titles we had a number of competitors across all areas and placing average of 4th and 5th place and a few medals being won in all areas except surf boats. In the surf boat area Henley has stepped up from last year as previously mentioned having a crew in each age category. Henley placed overall 11th place in state titles this year with a point score of 113. We aim for next year that we can move Henley slowly up the ladder and place 10th or under. I believe we have the right attitude and with the training and skill work that can be offered we can grow as a club together.

In the masters area I was rapt when I arrived at the state titles to see a big tent of Henley masters all on the beach wearing the blue and white colours of Henley. Our masters this year scraped up 15 gold medals, 13 silver medals and 12 bronze medals which lead Henley to an overall 5th place in the master's competition on 364 points. A very great effort for everyone who competed and to all those who gave new events a go this year, we had many new faces which we hope to see out again next year.

The Aussie titles this year had an amazing number of Henley competitors both master and senior to a total of 23 and we are proud of all those who competed this year.

Special mention must go to Rick Daley who won an Australian Titles Silver Medal in the 1km beach run in the 65-69 years division. Congratulations Rick – what a fantastic achievement.

As a club growing with competition we need to be aware that we are required to supply officials on behalf of the club. Especially if our number continues to grow at the Aussie next year we will need to supply a qualified IRB driver and official who are available for the week. Please keep this in mind if you are not interested in competing but have a love for surf sports or feel like further expanding your qualification Henley is always seeking more officials in the senior and master divisions.

I would like to thank all those who competed in surf sports this season for Henley, and especially all the trainer and area captains who have put in the effort to keep the surf sports culture alive in our club. I would personally like to say I am very proud of all those who have been competing for Henley and those who have put in the effort to maintain and strengthen our competition areas; we will slowly get there for all areas like we can see in the boat area.

I welcome any one who is interested in any sports at any level and with little or no experience. I would encourage everyone this coming season to give each area a go as it is a great way to meet new people and share in new experiences.

I would also like to give a huge thankyou to Tom Lanyon who has helped me this season with many of the entries and organizing of surf sports. The last two years has been a great learning experience as the youngest member on the management committee and in this leadership role in the club. I would like to thank everyone who has helped support me along the way and guided me in my role.

I hope the competition at Henley can stay and grow stronger and we can evolve to be a big surf sport s club with each category of the surf sports filled in the coming years. For all you senior and master competitors, keep up the good work, your efforts do not go unnoticed. Keep encouraging everyone to try something new and I wish you good luck in your training and competition for the upcoming 2012/2013 season.

Finally, to all the younger members of our club coming up from nippers or who are new I welcome you into the senior competition area and wish you the best for next season as I know we have some amazing talent and it is now your time to shine.

SARAH MELIOS-TRAVER

COMPETITION MANAGER

Board Area

Another great season all round. Great to see board paddlers continuing to train and to see numbers at carnivals. The number of people coming out to train has increased considerably and ranging from all age groups.

We had increased intensity and duration of training this season across the board to produce maximum results. This was needed at some of Carnivals like Goolwa where the conditions are tough. Great to see most of you embraced this, particularly when the weather was not the best, to say the least!

At States the under 15's to under 19's missed out on medals however are up there in the top packs. Well done to you all.

Great to see more Masters paddling with fantastic results particularly the women.

Single Board Race Women's 30-34 years K Vogt	Bronze
Single Board Race Women's 30-34 years N Von Bertouch	4 th Place
Single Board Race Women's 45-49 years L Woods	4 th Place
Board Rescue Women's 30-34 years J Frisby-Smith and Lindy Lewis	5 th Place
Board Rescue Women's 30-34 years K Vogt and N Von Bertouch	6 th Place
Board Rescue Women's 40-44 years M Joynes and R Forest	Bronze
Board Rescue Women's 45-49 years L Woods and T Coorey	4 th Place
Board Relay Women's 110 years L Lewis, B Forest, M Joynes	5 th Place
Board Relay Women's 130 years L Woods, N Von Bertouch, T Coorey	Bronze
Women's Taplin 110 years L Lewis, R Roe, L Woods	5 th Place
Women's Taplin 130 years	4 th Place

Single Board Race Men's 50-54 years A Lanyon	Gold
Single Board Race Men's 40-44 years D Woods	Bronze
Board Relay Men's 130 years A Lanyon, D Woods, S Forest	4 th Place

Amendment to 2010/2011 season

Single Board Race Men's 40-44 years	D Woods	Silver
-------------------------------------	---------	--------

Once again well done to everyone who participated, and a thank you to Official's Chris Sheehy and John Coorey. And a huge thanks to parents.

Thanks to Andrew Lanyon for his continued expertise and time put into training.

See you on the boards....

DEAN WOODS
BOARD CAPTAIN

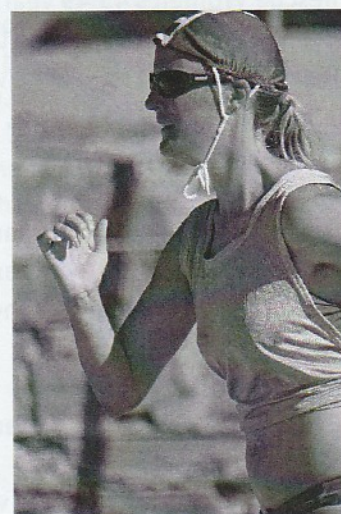

Beach Area

We have a significant number of members with ability and interest in beach events, for the club to have a beach team respected by all. For this to occur a level of commitment needs to be agreed by competitors and coaches or unfortunately the opportunity will be missed and "if only" will be a regular statement.

There was no improvement on the last few seasons both at events and training, however a few individuals competed hard and gained medals and/or points for the club. We have sufficient numbers and talent to medal in most beach relays (junior, senior and masters) however fall just short on most occasions. Baton changing is a significant part of relays and should a group wish to improve on results in the past, a small commitment could be the difference in a medal or perhaps even gold.

Thank you to age leaders with coordinating teams at state titles and Shelly Nelson for continued support at flags training.

ANDREW HENRY BEACH CAPTAIN

Surf Boat Area

The Surf Boat panel has completed a SWOT analysis meeting involving all rowers at the completion of the 2012 season to review our achievements from the five year plan set in 2009 and set new realistic achievable goals for 2012-13. Every season since setting a SMARTTA goal setting plan we have stepped up all facets of our surf boat operations from recruiting, strength and condition coaching and performance goals at local and interstate competition. The boat panel is on track with our members' commitment to reaching our five year plan.

The Henley crews had an early preparation in 2012 with planned sessions in the gym over winter. This was evident at the opening competition in the Port River challenge on the 9th of October. The crews were competitive at all levels of competition.

The focus for the first three carnivals was to win the Navy Cup series of carnivals. The ASRLSA for the first time held a carnival at Robe in December at 12 Mile Beach. This is a fantastic venue for boat carnivals and we look forward to visiting this great beach again. The local sports clubs catered a dinner for all SA clubbies on the Saturday night. Henley SLSC was the standout club with high numbers of competitors attending.

STOCKTON, NSW

The State representative crews were selected after this carnival Henley U19 Men's U23 Women were given the honour of representing the state at the ASRL open to be held at Stockton NSW.

The U23 women and U23 men travelled to Lorne in Victoria in January to compete at Lorne and Angelsea. The girls had an excellent carnival coming first in the U23s and 2nd in the open women. These results won them enormous respect on the beach, and the U23 men came 3rd in the final.

The ASRL Open and Interstate Challenge were at Stockton Beach in February. Henley U19 boys, U23 girls rowed for SA in the Interstate relay. Henley had master's, U23 men and two U23 women's crews compete. The state U23 girls made the first semi-final of competition. The interstate carnivals continue to be excellent learning experience for our crews thanks to Darren Hocking and Kevin Fitzgerald for towing boats to three interstate carnivals this season.

MASTERS STATE TITLES, PORT ELLIOT

The Masters States were held at Port Elliot on the 26th of February. Henley SLSC had the largest club representation on the beach. The competition is always competitive and in good spirit. Several masters crews were very fit from their training programs and were rewarded with medal honours.

STATE TITLES – SOUTHPORT BEACH

The State Titles were held at Southport with excellent surf. Henley had crews competing in every division. It was terrific to see the Henley state representative U23 women get gold followed by silver and bronze crews also from Henley. **This U23 womens result of winning all three medals is a first in SA state titles history.**

The U19 state men's crew rowed opens heats and won gold in the U19s final.

The U23 men rowed in open heats and won silver in the U23 men's final, the two reserves crews made the final; Henley won the bronze medal in reserves, the open women made the final.

The two surfboat relay teams won the Gold and Silver medals, these crews are made up of an Open Men, Open women and U19 Crews. The fact that Henley has won this event first and second is the victory I am most proud of from this seasons results as this is a team event that has fifteen competitors per team. It shows the strength of our club and the unity that is shared while competing in a team event is truly a highlight of the state titles this season.

THE 2012 AUSTRALIAN TITLES

Henley took two U23 women crews, U23 men, open women and one masters mens crew to the Australian Titles at Kurrawa. The U23 crews were well prepared and fit but unfortunately did not make it through the opening round. The rounds were very competitive because of lost time because of Surf conditions and the tragic loss of a fellow QLD lifesaver, all crews were disappointed with our final placing's after encouraging results at Stockton and Victorian Interstate Carnivals.

Thank you to all the support the Boat area has had from Darren and Mick Hocking for working on the boats, trailers and the 4 x 4 ATV. Thanks to the sweeps who have towed boats – Darren Hocking, Kevin Fitzgerald (interstate). Thanks also to those who have towed trailers to carnivals and training down South.

The strength and conditioning coaches Gary Fazzalari, Gary Tredrea has made a great change to our interstate competition with the strength and fitness programs. Thanks from all the rowers for the time and encouragement you give our competitors.

Thanks to Rae Lawson for all she work she does in her role as Surf Boat coordinator. Thanks to Brad Vogt, Simon Mitris and Joe Devries for assisting with ergo training and rowing technique sessions.

Congratulations to Peter Oborn in receiving the most enthusiastic Boat Competitor Trophy. Peter had committed to every interstate carnival, managed training and mentoring sessions, Bronze training and was active in The Big Row sponsor ship, fundraising events and excelled in his club patrol responsibilities.

Congratulations to Brad Vogt for winning the Best Male Club Competitor Trophy, Brad was active in training several women's crews, sweeping, ergo training and excelled in his Patrol responsibilities and showed extreme versatility in SLS masters competition.

The Big Row was held on the 4th of February. The club took several rowers on the Gulf crossing for the first time; the Big Row was again a major event for the Club and vital bonding and training for the crews. I would like to thank Kevin Renfrey, Rod McFarlane, Rob Gerard, John Butterfield, MFS for not only volunteering the vital infrastructure that creates the event, their hospitality on their craft and looking after the participants is exceptional.

I thank the committee and family members who have supported the boat area during the season. The success has come from a group of clubbies ranging from long term members, sweeps, coaches to new junior members that show so much maturity and commitment to training and enjoying their club. The vibe becomes infectious, squad training in the gym is enjoyable, and the boaties enjoy and look forward to competing on the beach together and showing our proud club colours.

Once again the coming season will be challenging for our crews as we aim to compete and win in every state competition and make finals in the Australian Open and Australian Titles.

The World Titles are held in South Australia at Christies Beach on the 15th to 18th of November. The Surf Boat members have a huge challenge to fundraise and find sponsorship to improve our craft and equipment to for fill our goals in the future.

The boat area is committed to compete and win at the highest competition level and continue to respect our commitments, responsibilities and loyalty of the Henley Surf Life Saving Club.

BOAT CAPTAIN

JAMIE BUTTERFIELD

Ski Area

The 2011/12 season saw a positive turn around as far as regular ski squad training sessions. During these sessions the ski squad managed to get in some quality training, which reflected, in very creditable results at both Senior and Masters State Championships.

At squad training sessions we managed anywhere between 5-9 paddlers, most of them masters competitors, but in the coming seasons we would openly welcome the younger club members if they wish to get involved.

One of the highlights of the season was the introduction sessions the ski area ran for the Henley Extreme Team (HET) during the Christmas school holidays – at times we had up to twelve paddlers learning the basics. These sessions provided a great opportunity for our young club members to learn the basics of ski paddling and to get an understanding of the types of skis and paddles available to club members and how to care for them. Many thanks to David Cassidy who coordinated and supervised many of the sessions it is certainly something as a club we should continue.

In 2012, the Henley ski area won several medals at both Senior and Masters state championships (full list below) we also had six masters ski squad members attend the 2012 National Championships at Kurrawa on the Gold Coast.

Henley SLSC 2012 State Championship Medal Winners

Senior State Titles

Sean Dedai – U17 Single Ski (Silver)

Masters State Titles

David Foureur – 45-49 Single Ski (Gold)

Scott Robinson – 40-44 Single Ski (Silver)

Lindy Lewis – 30-34 Womens Single Ski (Bronze)

Damien Grant/Brad Tredrea – 30-34 Double Ski (Silver)

David Foureur/ Scott Robinson – 40-44 Double Ski (Silver)

it is anticipated in 2012/13 we will see the ski area continue to rebuild as we strive to get back where we were in the early 90's where Henley dominated all state ski events.

DAVID FOUREUR

SKI CAPTAIN

Water Area

SWIM TRAINING

Our swim training sessions on Tuesday and Thursday evenings at Immanuel College pool are continuing to be well supported with up to 40 members attending each night during the summer months and just slightly fewer during the off season. It was very impressive this year to see some of our masters members progress from pool training to also compete in our weekly surf races and then to the Masters state championships.

WEEKLY SURF RACES

Participation in the weekly Saturday swims at the club grew to a record number this season largely due to the inclusion of the junior division which saw numbers almost double that of previous years. Points were awarded each week for participation (2 points) with bonus points for the first 6 places on handicap (6 for 1st, 5 for 2nd, 4 for 3rd, 3 for 4th, 2 for 5th, 1 for 6th). The results are included in the following tables, Table1 for seniors(aged 15 and over) and table 2 for juniors(aged 7 to 14). Trophies were awarded to the points score winners in the open+masters and combined U15 to U19 categories. Congratulations to the winners: Gary Ashton, Beck Forrest, Ethan Miller and Anina D'Amico.

COMPETITIONS

Water area competition includes the swimming events of surf swim race, rescue tube race, belt race and surf teams plus the multidiscipline events of board rescue, ironman, Taplin relay and Cameron relay. At carnivals and senior state championships Henley was represented in Water Area events by Harry Forrest, Josh Smith, Emma Robinson, Olivia Parker in under 15's, Liam Forrest in under 17, Hannah Sitters and Rebecca Woods in under 19 and Hayley Grosser in open.

BEST HENLEY PERFORMANCES IN THE WATER AREA AT STATE TITLES WERE:

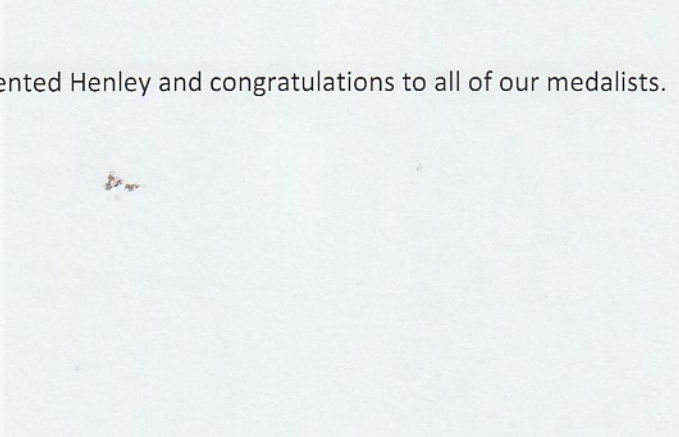

Josh Smith: silver medal in U15 rescue tube race,
Josh Smith and Harry Forrest: 4th in U15 board rescue,
Josh Smith and Harry Forrest: finalists in U15 ironman,
Emma Robinson: finalist in U15 tube race and surf race,
Emma Robinson and Olivia Parker: semi-finalists U15 board rescue,
Hannah Sitters and Rebecca Woods: semi-finalists U19 board rescue,

At Masters State Championships it was great to see a further increase in our number of competitors surpassing our record from last year. There were several first time water area competitors including Gary Ashton, Brett and Rachel Roe, and Michelle Joynes.

Many members won medals and all who finished in 1st to 6th places scored points towards our overall score. These included: Barry Duhne and Graham Payze in 65-69 age group swims, John Ellice-Flint with 2 gold in 60-64 tube race and surf race, Neville Fielder and Andrew Lanyon in 50-54 years board rescue and swim events, Kat Vogt in 30-34 tube race, Bec Forrest in 40-44 tube and surf races, Shannon Asa in 45-49 surf race and Dean Woods in 40-44 ironman.

Well done to all who represented Henley and congratulations to all of our medalists.

The West Beach Community Bank Big Row 2012

The **West Beach Community Bank Big Row** was again a huge success in 2012 with this year's event raising **\$67,535** bringing the total to over \$310,000 raised to date.

Following last years terrible weather, this year's Big Row event was fortunate to have perfect conditions. The 68km Gulf crossing took approximately 8 hours, with the 5 participating crews each rowing their stints and we had many new members take part in this year's crossing.

The Big Row finishing crew arrived at Henley Beach at 2pm and were escorted in by members on boards under a veil of water provided by the MFS Fire Boat 'The Gallantry', which provided quite a spectacle for the enthusiastic juniors, spectators and media waiting on the beach. It was encouraging to again receive fantastic coverage on the nightly news, including extensive coverage on Channel 9 and 7 as well as articles in the Messenger.

All money raised by the Big Row is contributing toward the redevelopment of our new club rooms.

As with previous years, a key part of the Big Row event involved Henley members, led by Phil Hogan, Barrie Cole and Andrew Henry conducting a Nippers session for the students of Stansbury Primary School. In addition to the regular program, year's 6 and 7 students were also trained and assessed to gain their Resuscitation Certificates, an essential life saving skill, especially as there are no Surf Life Saving Clubs on Yorke Peninsula.

The Big Row would not have been possible without the generous support from John Butterfield, Kevin Renfrey, Rod "Rocket" McFarlane and Robert Gerard who donated their boats to support the crossing.

I would also like to thank and acknowledge the extensive behind the scenes support provided the Big Row organizing committee, as well as from our helpers Rae Lawson, Kathryn Curnow Sue Fitzgerald, Alison Sim and Karen "Kasbah" Lewis.

The Big Row boat was welcomed back to Henley in an incredible show of support by our members. One of our sponsors remarked to me, "I knew it was called the Big Row – but I didn't realize it was this BIG!!!". He was commenting on the fantastic and loud welcome home given to the finishing crew by our juniors, our members and supporters as well as the huge media turn out with tv crews and helicopters present.

Please support our sponsors where you can. Many of them are local small businesses who still generously support us in an increasingly tight financial climate, and if you work for a business or know of a business who may want to support our club please let me know and I can make contact with them.

Lastly, we are especially grateful for the ongoing and extensive support provided by the **West Beach Community Bank** and its Board. The West Beach Community Bank has donated to the Henley Surf Life Saving club over \$76,000 in the past six years, and I strongly encourage all Club members support this community bank as they certainly are putting their profits back into the local community.

Grants

The South Australian Government and City of Charles Sturt are especially recognised for the significant monetary contribution that has been pledged towards the development of our new club rooms.

We were successful in being awarded the Clubs SA "Club One" grant for \$5,000 for a set of professional swim cans. These will be at the club in time for the upcoming season.

Many thanks to Clubs SA for their continuing support of the Henley Surf Life Saving Club.

Thanks to these sponsors who have supported us with in-kind assistance – Bonds providing the juniors with rash vests, and Netspot hosting our website.

HENLEY SURF LIFESAVING CLUB
ANNUAL REPORT 2011/2012

The Henley Challenge 2012

Thanks to everyone who joined in “The Henley Challenge” this year. This was an initiative where members could choose their own “challenge” and seek donations for it. The members listed below did individual challenges, and the Board Paddlers got together and organised their own successful event. Special mention must go to Brad Tredrea who raised \$1,015 for his 12km ski paddle. What a fabulous effort!

- Brad Tredrea
- Rae Lawson
- Alex Zivic
- Manu Ortiz
- Jane Dewar
- Tahlia Christie
- Katheryn Curnow
- Daniel Hogan
- Katie Cavanagh
- Mia Ciccarello
- Sax Bates
- Lisa Will
- Lauren Daly

HENLEY BOARD PADDLERS “HENLEY CHALLENGE”

The board paddlers could not have picked a better day for their board challenge – they had a beautiful sunny morning and were accompanied by dolphins! There was a mix of senior, master and junior members all participating which was brilliant to see.

- Tania Coorey

BUNNINGS BBQS

Thanks to Bunnings for allowing us to cook barbeques outside their Woodville store. This has been an extremely successful fundraising activity with approximately \$4,500 raised over five days, with more barbeques still scheduled over the winter. Thanks to everyone who has helped “cooked a snag” – this type of fundraising is invaluable.

Finance Report

The overall financial position of the club has continued to be maintained in the 2011-12 operating year.

The closing cash position for the Club as at 30 April 2012 was \$314,874 which included a balance in the operating account of \$20,098 and \$286,783 in the other investment accounts maintained by the club. The total figure recorded as at 30 April was above the opening balance of \$137,086. This increase in the overall cash position is explained by the following main reasons:

- the overall trading profit achieved and increased membership income,
- the impact of the Big Row fundraiser, and
- the impact of other fundraising conducted during the year including The Foundation 50 initiative and the donation made by Bendigo Bank Community Enterprise in conjunction with Adelaide Shores, which was then matched by West Beach Community Bank.

Capital Expenditure:

During the year the Club incurred expenditure on capital items (assets) totaling \$21,343 (\$69,370 in 2010/11). The items purchased included:

Capital costs associated with the new Building	\$11,514
--	----------

New Equipment:

Plant and Equipment	\$2,249
Competition Equipment (Boards)	\$5,409
Surf Boat Equipment	\$2,171

The equipment purchase decisions made during the year have taken into account the need to ensure that the core activities of the Club are supported. It should be noted that to some extent the equipment purchases made have been directly offset by various grants and sponsorships received during the year. This initiative is being actively pursued to ensure that the Club can leverage direct sponsorship arrangements against equipment replacement requirements.

As at 30 April 2012 the total book value of assets reported was \$570,023 consisting of the Building (\$412,970) and Plant and Equipment (\$157,053). Noting that an amount of \$200,000 has been written off the cost base for the old building to recognize the decommissioning of the building.

Operating income for the year was \$325,338 was above the \$182,198 received in 2010-11. The result is largely explained by:

- Strong overall Trading outcome (\$66,582)
- Grants, Sponsors and Fundraising (\$204,048)
- Membership / Levy contribution (\$48,270)
- Sundry and Other Income (\$6,438)

It is noted that the membership figure includes the Building Fund Levy which amounted to a figure of \$9,500 in 2011-12 (total collected equates to \$39,700) and the Competition Levy which equated to a figure of \$4,725 in 2011-12.

These funds were used in a variety of outcomes including:

- Lifesavings – administration, training and operations (\$40,287)
- General Operation (\$15,301)
- Building maintenance and operations (\$33,803)

The net operating result of the Club for 2011-12 was \$190,508. This result is reduced after taking in account depreciation on the assets held by the Club and the write-down of the building of \$220,999 to a final operating result (loss) of (\$30,491). This result was less than that achieved in the previous year of \$55,078, however it is largely the result of the write off of the existing building taken through the accounts.

Included within this result was the trading account (Bar and Clothing) result of a Gross Profit of \$21,143. This result is in the same order as that recorded in 2010-11 of \$29,667.

The retention of a strong cash position has been a focus for the Committee given the need to retain funds to ensure that the long term financial position of the Club is strong and the committee has worked diligently towards this objective.

The Committee has continued to review capital expenditure in line with the endorsed 5 year capital plan to ensure that the Club's equipment is maintained at an appropriate level and to also keep up with the demand given the increasingly strong membership base. The building project will also add financial pressures both during the construction phase and then in relation to the need to service and repay the additional borrowing required as a result of the project.

Income from club activities to support the funding requirements of the Club is derived from 4 key areas:

- Membership – 15% (22% in 2010-11)
- Trading Activities – 20% (32% in 2010-11)
- Grants and Fundraising – 63% (36% in 2010-11)
- Other – 2% (10% in 2010-11)

As indicated above the strong membership base of the Club continues to provide a strong financial base to support the ongoing operations of the club.

The Big Row continues to be the key fundraising initiative for the Club. Sponsorships are also an important fundraising component and all sponsors should be congratulated for their invaluable and generous support of the Club. Grants made available by the City of Charles Sturt, State Government and Federal Government are also critical.

Those members who put in an enormous amount of time on the Grant applications, organizing the Big Row and raising funds through the BBQ on Saturdays, Bunning BBQ and events such as the phone book deliveries all should be congratulated – without your time, effort and in some cases contacts, the Clubs' financial position would not be as strong as it is. Well done!

All these areas need to remain a strong focus for the Committee in coming years and that continued support from members will be required.

The Club has over the past several years continued to maintain a solid financial base to enable it to move forward with the building project. Whilst we are all please with the progress now made – the financial commitment required to get the project across the line comes with increased financial responsibility – the on-going support of all Members will be essential in maintaining our strong financial position moving forward.

The report is provided for the consideration of Members.

Notes to the Financial Statements

For the year ended 30 April 2012

Note 1 Statement of Significant Accounting Policies

The Financial Report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standard, other mandatory professional requirements and the requirements of the Associations Incorporation Act (South Australia).

The Financial Report covers Henley SLSC as an individual entity. Henley SLSC is an association incorporated in South Australia under the Associations Incorporations Act.

The accounts have been prepared on the basis of historical costs and do not take into account the changing values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the significant accounting policies adopted by the Club in the preparation of the financial report. The accounting policies have been consistently applied, unless other wise stated.

(A) INCOME TAX

The Association is exempt from income tax under the provisions of Division 50 of the Income Tax Assessment Act 1997

(B) INVENTORIES

Inventories are valued at the lower of cost and net realizable value.

(C) PROPERTY, PLANT AND EQUIPMENT

The value of the Club’s Non-Current Assets is reviewed annually by the Management Committee and they are of the opinion that the book value, after allowance for the current year’s depreciation charge, represents fairly their carrying values.

(D) CASH

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at bank.

(E) REVENUE

Revenue from the sale of goods is recognized upon delivery of goods to customers.
Interest Revenue is recognized on the basis of the interest rate applicable to the financial assets. Revenue from rendering of a service is recognized upon the delivery of a service to customers. All revenue is net of the amount of goods and services tax (GST).

(F) GOODS AND SERVICES TAX

Revenues, expenses and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognized as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Note 12 Association Details

The Principal place of business of the association, Henley SLSC Inc, is:
The Esplanade, Henley Beach, SA 5022

Henley Surf Life Saving Club Inc.

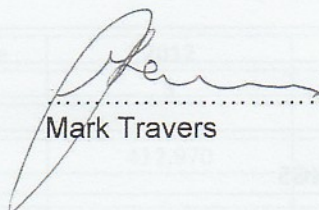

Statement by Committee Members

In the opinion of the Committee the Financial Report as set out on pages 42 to 46:

- (a) presents fairly the financial position of the Henley Surf Life Saving Club Inc. as at 30 April 2012 for the year ended on that date in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
- (b) at the date of this statement there are reasonable grounds to believe that the Henley Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

.....President
Neville Fiedler

.....Treasurer
Mark Travers

Dated this 18th day of July 2012 at Adelaide, South Australia

Auditor's Report

To the Members of Henley Surf Life Saving Club Inc.

SCOPE

I have audited the financial report being the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Notes to the Financial Statements and the Statement by members of the Committee of Henley Surf Life Saving Club Inc. set out on pages 42 to 46 for the year ended 30 April 2012.

The Committee is responsible for the financial report. I have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Club.

My audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements so as to present a view which is consistent with our understanding of the Club's financial position, the results of its operations and cash flows.

The audit opinion expressed has been formed on the above basis.

QUALIFICATION

Given the nature of the operations of the Henley Surf Life Saving Club inc. it is not practicable to establish accounting controls over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, my audit has been limited to the amounts of cash receipts recorded in the books of account of the Club.

AUDIT OPINION

In my opinion, subject to the above qualification, the financial report presents fairly in accordance with the applicable Australian Accounting Standards and other mandatory professional reporting requirements the financial position of Henley Surf Life Saving Club Inc. as at 30 April 2012, and the results of its operations and cash flows for the year then ended.

Peter R Brass, Honorary Auditor
B.Ec., FCPA

Dated this 18th day of July 2012
at Adelaide, South Australia

Compilation Report

Henley Surf Life Saving Club Inc.

On the basis of information provided by the committee of the Henley Surf Life Saving Club Inc., and in accordance with APS 9: Statement of Compilation of Financial Reports the special purpose financial report of the Club for the year ended 30 April 2012 has been compiled and set out on pages 50 and 51.

The committee is solely responsible for the information contained in the special purpose financial report.

The special purpose financial report was prepared exclusively for the benefit of the Club. I do not accept responsibility to any other person for the contents of the of the special purpose financial report.

Peter R Brass, Honorary Auditor
B.Ec., FCPA

Dated this 18th day of July 2012
at Adelaide, South Australia

Births, Marriages and Deaths

Shelly and Russell Watkin welcomed Isabella into their family in June 2012

VALE JOHN 'POSSOM' BAKER

John 'Possom' Baker was a big hearted Associate and bronze holder who joined our club (with Bully) from the Henley and Grange swimming club. He was a member of the clown group that used to entertain people at pool swimming competitions and was often seen riding a bike off the 30 foot diving tower into the water in his clown suit. Life was different in the early 1950's prior to television we had to make our own entertainment and diving of the end of the jetty or the patrol tower was part of life.

Possom was always ready at hand to assist when called upon. From 1983 his annual donations to the Club were far in excess of the standard membership. At Annual General Meetings he was awarded Honorary Membership/Vice-Patron in excess of twenty years.

Most established Clubs have such a member amongst their ranks as was our 'Possom'. Always ready to give a hand and where obviously required would put his hand in his pocket.

John 'Possom' BAKER
At the 'Bad Taste' New Year's Eve Ball - 1980

'Possom' passed away on 23rd October 2011. He will be sadly remembered by those members who had the pleasure of his friendship.

VALE MAX BRAY

We 'met' Max Bray on the afternoon of our very first Big Row celebration in six years ago. Max had read reports in the Advertiser regarding our delays in having our new clubrooms signed off and commenced.

He had rung Neville after reading the reports and asked if he could pop down and give us a cheque as a show of support. On the day, Max explained how as a young teenager in the 1930's he and his mate used to walk along the train line from their homes at Woodville all the way to Henley for a swim. They were too young to join the Lifesavers at that stage but Max remembered that the Lifesavers took he and his mate under their wing and looked after them. Max eventually joined the club when he was old enough.

Max held on to his happy memories for all those years and on Big Row Day number one handed us a cheque for **\$10,000**. If the day wasn't special enough already, it certainly was from then on!!

Max was a keen golfer and a couple of years later he visited us on Presentation Night and handed over his golfing "swear jar" with several hundred dollars in it. This is the type of generous fellow Max was!

Through Max's involvement with the Morialta Charitable Trust he also arranged a grant from the Trust to enable the purchase of much needed training boards for our Nippers. Rest in Peace Max

VALE "SUPER" SID GOODFELLOW BEM

"Super" Sid first became involved in lifesaving when he drove passed Henley in 1975 and was drawn to a crowd on the beach. As part of Henley's 50 year anniversary, Sid was to witness the christening of our new surf boat (called the "Golden Jubilee") by the then SA premier Don Dunstan.

From that day he made a commitment that he wanted to raise enough money to purchase a jet rescue boat for the SA State Centre by knocking on doors and asking for donations. It took just 3 years to achieve this goal and so he continued door knocking, eventually raising enough money to purchase 2 jet boats, and 2 four wheel drives for the Association.

After having then supplied each of the eighteen SA lifesaving club with a racing ski and several nipper boards he took on projects for individual clubs. In the case of Henley, Sid raised enough money to completely fit out our first aid room with the necessary fittings and first aid equipment.

He was a colorful character and spent a lot of time at our clubrooms and also supported us at carnivals

He was awarded the British Empire Medal, a World Lifesaving Citation, Life Membership with the SA State Centre and had been an Honorary member of Henley SLSC for over 30 years

He spent his lifetime raising money for sporting clubs and charities throughout South Australia and we are grateful that he spent his later years being involved in Surf Lifesaving, for his generosity and his friendships here at Henley. Sid passed away on Sunday 20th May 2012. Thank you for everything you have done for Henley SLSC. Rest in peace.

VALE GEOFFREY ARNOLD BULL "BULLY"

Life Member

Geoff Bull (Bully) a Henley life member passed away on 16th of June 2012. Bully was always a gentleman, a man of great strength, few words and a very dry sense of humour.

He had been a member of the Henley and Grange swimming club and competed in water polo and many long swims including Port Pirie, Port Wakefield, Port Adelaide Rosewater and the Henley to Grange swim.

He was also a keen water polo team and was the goalie of the B grade premiership team in 54/55 and the team that won the A grade in 58/59. I was told that in one of those games with seconds to go he threw the winning goal from his goal through the goal at the other end.

He joined our club and gained his bronze in March 1959. Possom Baker was also in that squad. Despite his swimming ability Bully joined the boat crews and was rewarded with his first open boat surf boat title in 68/69.

The club won two more state titles with Geoff in the team and they were chosen as the state team crew for Blacksmiths NSW and Burleigh Heads Queensland in 1973. In the following year 1974 at Glenelg, a composite crew was chosen and Geoff was picked as the bowman. Bully was a natural bowman because of his strength he could always jump into the boat at starts whether the water was so deep that the gunwhale was above his head or being knocked by a large wave.

In the 71/72 season Henley borrowed a boat from Moana, as Henley's boat was so old and heavy. Bully's crew made it through to the semi finals at the Aussies in the opens. The crew was coming clear second and whilst rowing for a wave a crew member fell out of his seat and they slipped of the wave and were brought back with the rest of the field and finished fourth in a very close finish, just missing out on making the finals.

The crew wanted a new boat to remain successful and the club said "raise the money". Bully had seen beer tickets being sold in the front bar of a pub in the hills and brought some back and urged us to make them up and introduce them firstly into the Ramsgate and then the Henley South. They were so popular some nights up to 7 series were sold on a Friday night. Many from the club joined in the folding and stapling of the tickets after training, we got a new boat and the club had \$71,000 in the bank.

Bully because of his trade and welding skills kept the boats and trailers in top condition and was always helping with other repairs around the club.

Geoff was made a life member in 1980 and a surf boat was named in his honour in 1997. He has shipped oars for the last time and will always be remembered by those that swam, rowed and socialised with him. RIP Bully

Blessing 'Golden Jubilee' - 1974

Phil Carter - Geoff Bull - Michael Martin - Greg Henry - Robt Williams - Brian Bishop - Darryl Walker
Trevor Mulvihill

Philip Hogan - Life Membership

In 2011 Phil Hogan was awarded Life Membership for his outstanding service to Henley Surf Life Saving Club.

Phil joined the Henley club during the 1985/86 season and has remained an active member since that time. He gained his bronze medallion in the following season and has since gone on to obtain his Surf Rescue certificate, Advanced Resuscitation certificate, IRB Crew certificate, Senior First aid Certificate and a Certificate 2 in Public Safety in Surf Lifesaving.

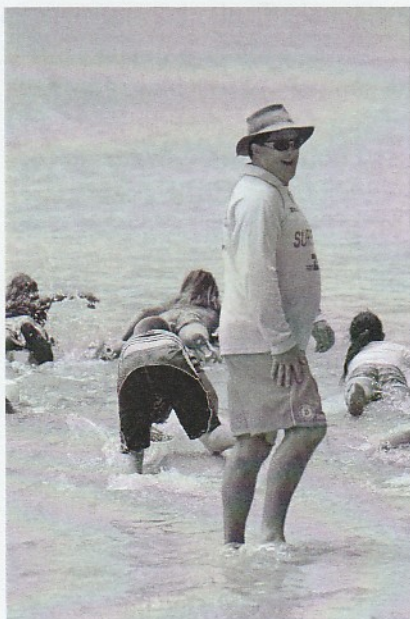

Phil is a very keen club member and always took his patrols seriously having completed 695 patrol hours for Henley. He has been involved in fundraising and boat rowing and was always in attendance at any club function whether it be social, competition, sport, working bees or a training workshop.

He was chosen as the "Club Member of the Year" in 1990 and also 2012.

During the 1992 building extensions Phil played a huge part in the organisation and spent hundreds of hours of his time laying the electrical wiring for the extensions. He was an inspiration to other members and his contribution significantly reduced the cost of the project.

In later years his expertise was again used as further extensions and improvements to the clubrooms were made. He was a member of the building committee and was called on many times for electrical work around the club, always making himself available with no fuss and little recognition.

He held the position of Gear Steward from 1995 to 2000 a role he again carried out with distinction and spent many hours repairing and painting etc to the club equipment and property and oversaw the sale of club clothing during this period. He was awarded the President's Trophy in recognition of his efforts in 1996.

During the past 7 years he has been actively involved in the running of the junior section of the club. Phil was firstly an Age Group Leader and since has taken the position of Junior Chairperson for the last 5 seasons. This has seen the Junior Division grow inline with the club's strategic plan and the Junior Committee and leaders with good stability and strength. He also is seen at least three times a week conducting training for the Junior Extreme Team (JETS).

The Management Committee has greatly benefited from Phil's talent in the last 4 seasons where he has brought to the table great leadership and management qualities.

Phil has been on the Big Row committee since the inaugural 2007 fundraiser, working on securing sponsorship, coordinating and organizing the training of the Stansbury school children.

Thanks Phil for your continued hard work, vision and dedication.

Part of the
Henley Surf Life Saving

community

Are you part of a community? Silly question.

Are you a bank customer? Another silly question.

Are the two related? Could your place in the Henley Surf Life Saving community be in any way connected to your day-to-day banking activities?

Now that's an interesting question?

For most of us, our community, our schools and our sporting clubs have nothing to do with banking. But since West Beach & Districts **Community Bank**[®] Branch began forging its very individual form of bank service back in 2001, a growing number of locals have realised the benefits to be had from linking them.

West Beach & Districts **Community Bank**[®] Branch provides great service and competitive banking products equal to our competitors – yet there is one extraordinary difference built in.

We're helping Henley Surf Life Saving Club to grow so it can continue to help make our beaches safer. And that's where you come in.

You can help us make a difference just by doing your banking. West Beach & Districts **Community Bank**[®] Branch has contributed more than \$600,000 in grant sponsorships to a variety of clubs and organisations in the West Beach area.

And the more business you do with your local **Community Bank**[®] Branch the more Henley Surf Life Saving Club will benefit.

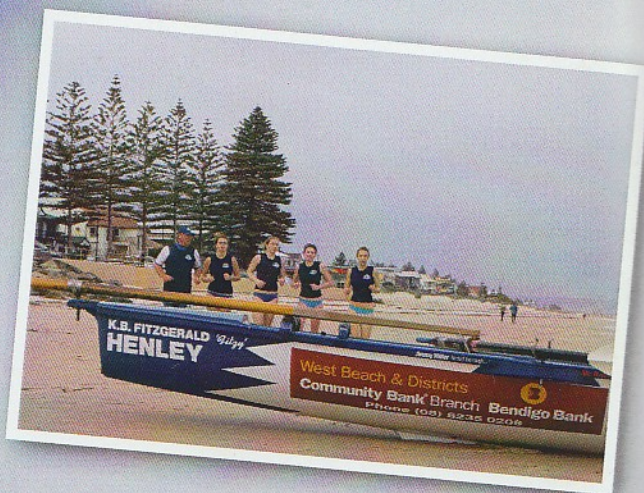

West Beach & Districts **Community Bank**[®] Branch has always been a bank with a difference – and that difference is U.

As easy as 1, 2, 3.

1. Call in and see us at 695B Burbridge Road, West Beach.

2. Transfer your banking to West Beach & Districts **Community Bank**[®] Branch and 'flag' it to support Henley Surf Life Saving Club.

3. Tell your family and friends, so we can all support Henley Surf Life Saving Club.
