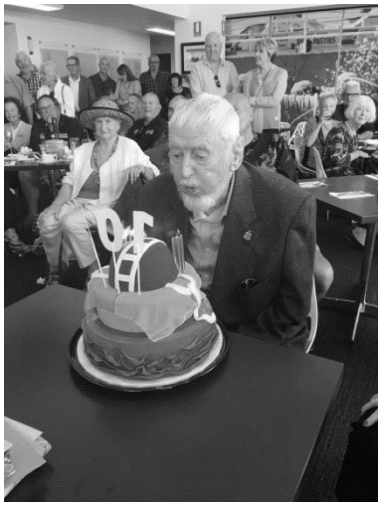
President's Foreword

Welcome to the 93rd Annual Report for the Henley Surf Life Saving Club. I'm very proud to be the President of this amazing Surf Club and sincerely respect and appreciate everything you as our team volunteers do for the Club and our community.

It always amazes people when they find out that a Club the size of Henley is primarily run by volunteers. We couldn't be the Club we are today without the support of our 550 members, our dedicated patrol groups, trainers, assessors, officials, AGL's, committee members, Board of Management, staff and helpers. So, a huge thank you goes out to each and every one of you for being part of this special team - Team Henley!

The season started with the controversial parking meters that were installed into the southern carpark in August 2017. This very unpopular Council decision quickly stirred up a significant level of protest from Henley residents, retailers, visitors and club members. Thanks to a unified community and the tenacity of our local Councillor Jassmine Wood and Labor candidate Angela Vaughn, these parking meters were removed just a month later in September 2017.

In November we celebrated an incredible milestone when Club member – Jim Doherty turned 100 years young. Our Club was jam packed with members past and present who wanted to share in the celebration with Jim and his family. It was a fabulous afternoon and testament to the love so many people have for Jim.



On the 14th January we acknowledged another great man of the Club – Life Member Barrie Cole when one of our surf boats was named in his honour. Another great day that brought our Club members together again to celebrate this special occasion with Bazz and his family.

South Australia held its State election on 17th March 2018 which saw Liberal candidate Matt Cowdrey become the new Member for Colton. Matt attended and assisted us with our recent Senior Award Presentation night together with Councillor Jassmine Wood and look forward to having them both join us again at our various Club events in the future.

After 16 years as our local Member for Colton, Paul Caica has now retired from Parliament. Paul has been a long-term supporter, honorary member and friend of the Henley Surf Life Saving Club and we wish Paul all the very best in this new stage of his personal and professional life.

Thanks to our principal sponsor – the West Beach Community Bank and all of our Sponsors, the fundraising from our 12th Big Row fundraising event helped to raise just over $45K in cash donations this year.

Our commercial business – the Oceanview Bar and Restaurant has also had another strong trading year with a significant increase in bookings for corporate events which generates additional income during the week when we are usually closed for trading. I'd like to take this opportunity to thank all of our hard-working staff who have not only created a successful and viable commercial business for the Club but won Clubs SA's Surf Club of the Year Award for Excellence 2017. An award we should all be very proud of.

Having paid off our first loan last year, this fundraising and steady trading income has meant have been able to start reducing our remaining loan, setting ourselves the goal of paying our debt off completely by the end of the 2020/21 financial year.

As our Club must continue to evolve, the Board of Management is reviewing our Strategic Plan for 2019 - 2024. A Club Development Forum that involved of a number of members from various areas of the Club was held in June 2018 and recommendations from this forum will now be incorporated into this revised plan. Thank you to all the members that contributed to that important session.

Finally, I'd like to personally thank the Board of Management – Kevin Fitzgerald, Carly Lutze, Mark Travers and Peter Oborn and their partners for all your support this year and for embracing our Henley FIRST Club Values – Family, Integrity, Respect, Safety and Teamwork.

It's going to be an exciting season ahead with the 2018 Lifesaving World Championships in November 2018 and a number of new initiatives that we look forward to sharing with you all.

See you all on the beach!!

Rae Lawson

Club President

Henley SLSC Values

At Henley SLSC we strive to live our club values in all that we do as members of Team Henley.

Our **FIRST** attitude is based upon the core elements of –

Family - Our Henley family provides security and support for each other and we share a common bond in providing lifesaving services to our community.

Integrity - Our decisions are fair, impartial and responsive and our actions show good character and develop respect for our club.

Respect - Our behaviour towards each other builds trust and an appreciation of each person's unique contribution to our club.

Safety - Our essential purpose as a surf lifesaving club is to keep our community safe by providing services that preserve and protect life.

Teamwork - Our willingness to cooperate with each other, encourage and inspire every member, is the foundation that ensures the success of our club.

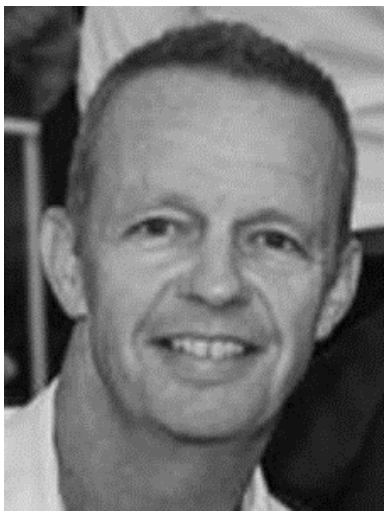
WHS Officer	Chris Coulter
Digital Media Officer	Rebecca Codd
Sponsorship Officer	Kerry Saul
Clothing Manager	Megan Tudor
Senior Registrar	Megan Tudor
Web Master	Chris Fuller
Grants Officer	Ben Lewis
Club Historian	Lindy Lewis
Grievance Officers	Emma Cassidy, Steve Horsman, Tim Cavanagh, Skye Davoren

Club Captain report

Preparedness, when properly pursued, is a way of life, not a sudden, spectacular program."



Congratulations Henley on another safe patrolling season.

During the 2017/18 season we patrolled more hours than ever before; conducting surveillance patrols from 0900 – 1200 on weekends and public holidays during December, January and February.

This provided a better service for the public, but also placed a greater demand on the valuable time of our patrolling members. Thank you to the 237 members who throughout the season.

Courtesy of a Commonwealth Government grant combined with generous sponsorship from West Beach Community Bank and CMI Toyota we took delivery of a brand-new Zodiac Milpro IRB hull. The new hull has proven to be a valuable asset to our lifesaving equipment.

This season, I was very fortunate to have the support of a fantastic Operations Committee:

Peter Oborn	Lifesaving Services Manager
Nikki von Bertouch	Junior Operations Manager
Matt Gardner and Emma Cassidy	Surf Sports Manager
Lou Howard	Membership Manager
Beck Forest and Ed Gates	Youth Coordinators
Cooper Forest	Youth Advisor

Thank you to all of you for your hard work in your respective areas.

During the 2017/18 season we didn't perform any rescues, which is a good result, however my fear and the challenge I see for the future is preventing complacency and maintaining preparedness.

If something does go wrong, and an incident requires our response, I want to ensure that our lifesavers are ready. I encourage all our patrolling members to maintain their essential lifesaving skills – not just First Aid and CPR, but also board paddling, swimming, patient rescues, etc.

We cannot rely on our 'one-off' annual skills maintenance (proficiency) session to keep our skill levels up. We need to continue to practice our basics until we hone our skills and they become second nature. By doing this, we shall be preparing for the situation that we actively work toward preventing.

In closing, I am very grateful for all those members that volunteer their time and effort in all aspects of club life. It is the members that make the club such a wonderful place to be. Thank you all.

See you on the beach in 2018/19.

Pete Oborn

Club Captain

Pete with his 'Hogs' boat crew – Rick Crabtree, Pete, Stefan Starkey, Club President Rae Lawson, Lloyd Damp and Justin von Bertouch.

Life Saving Services Manager report

'We make a living by what we get, but we make a life by what we give.'

Graham Ford, SLSA President

The 2017/18 patrolling season commenced on Saturday 7th October 2017 and concluded on Easter Monday 2nd April 2018.

We had a total of 11 patrol teams and to the Patrol Captain's – thank you for striving toward providing a professional service, in accordance with our patrol agreement.

The Patrol Captains were:

Gavin John	Regan Smallacombe
Stefan Starkey	Rebecca Forest
Renae Bartlett	Peter Oborn
Steven Horsman	Gerard Codd
Julianne Schliebs	Darcy Daviess
Dale Atkinson	

Thank you to all of you.

We patrolled a total of 4671½ hours at Henley during the 2017/18 patrolling season.

Five members completed more than 50 patrol hours and 43 members completed 30 hours or more, which are significant individual contributions and I thank you for your selflessness.

The 2017/18 Life Saving Services Committee was:

Darren Hocking	ATV Officer
Paul Leonard	Chief Instructor
Cat Balfour & Kylie Stanton	First Aid Officer
Scott Mather & Tim Cavanagh	IRB Officer
Shane Johns	Radio Officer

Thank you to all of you.

Our lifesaving equipment was enhanced by the addition of a new IRB hull. We were the first club in SA to obtain the new Zodiac Milpro hull. A special thanks to Tim and Scott for being so proactive in the purchase and set-up of the new hull.

SLSA released a Patrol Ops App during the season, enabling Patrol Captains to sign on and off with SURFCOM and effectively replace the paper version Patrol Log. Ultimately, we would like to go paperless. The system is intuitive and I am hoping Patrol Captains will take up this option during the 2018/19 season.

This season, in addition to the regular patrols, Henley provided water cover for a number of open water swim events and end of school break-ups. I attended many of these events and was very proud of the professionalism that was displayed by all our volunteer lifesavers.

As we look toward the 2018/19 patrolling season, I urge you to meet your rostered patrolling commitments or find a suitably qualified substitute; failure to do so, puts additional, unnecessary pressure on fellow patrolling members.

We should all be immensely proud to patrol 'our' beach and must remain cognisant of the responsibility to the beach-going public that comes with pulling on the red and yellow quartered skull cap.

See you on the beach in 2018/19,

Pete Oborn

Member Patrol Hours

Henley patrol hours include traditional beach patrols, rostered water cover, voluntary carnival water cover or Surfcom radio room duties conducted for Henley SLSC.

Total Patrol hours include hours conducted for other clubs or services (e.g. JRB, RWC, helicopter) which do not count towards Henley hours.

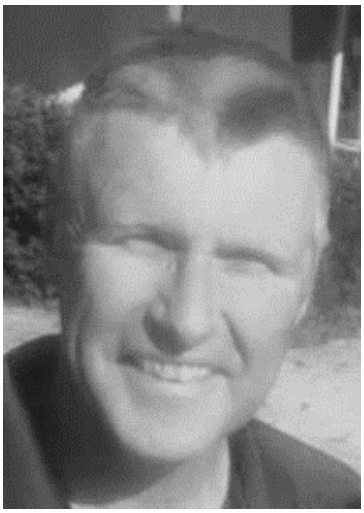
Chief Instructor report



The 2017/2018 season has been a busy and productive as shown in the tables below. The running of Skills Maintenance (Proficiencies) for all patrolling members and the courses run by our dedicated trainers. Conducting Bronze Medallion Course for new members and SRC's moving on to being fully qualified patrol members. Also, our specialist courses to up-skill the existing patrol members.

IRB Crew Course

The season started with running the IRB Crew course, beginning in August and finishing at the end of September. This course provides great fun and satisfaction for participants and instructors as the new drivers learn to negotiate intimidating surf conditions safely and with confidence. This course ended well with all seven members completing their assessment successfully. My thanks to Tim Cavanagh and Chris Fuller for their time and training skills.

Members doing IRB driver and crew proficiency

Skills Maintenance

The skills maintenance sessions started in early September conducting Advanced Resuscitation and Spinal Management. The beach and water skills started in October and very slowly due to the cold conditions for the month.

There was good feedback for Peter Oborn running the resuscitation skill maintenance sessions in the top room where members were unexpectedly under pressure to resuscitate the non-breathing baby. There was a big team effort by the club trainers to complete the Skilled Maintenance sessions. The final number of members to complete their skills maintenance: Advance Resus – 41, Spinal – 7, Bronze Medallion – 184, IRB Drivers – 41 and IRB Crew – 59.

Bronze & SRC

The Bronze Medallion training also started in October going through to April 2018. Roy Menner once again took on this responsibility to organise and run this training. Roy also had Chris Fuller assisting with the Bronze training. This is a lot of work as they were able to bring 19 new members into the club by completing their Bronze Medallion. Cooper Forest was also able to help with Bronze training when he was available.

Roy also conducted SRC training for the members who were 13 years of age and conducted resuscitation to the Under 13's.

ATV

Peter Oborn took charge running the ATV training, sending out the questionnaire to those who nominated for the course. Once the paperwork was completed they met with Peter on the beach to complete the practical. It was run very efficiently and was effective for our members.

Silver Medallion Beach Management

The Beach Management course conducted in February allowed six members to become better leaders on the beach. The course was also open to other clubs and in total 12 participants completed the course.

Beach Management course participants

IRB Crew

This was a young group who attended the IRB Crew course starting in March. They all worked hard and as a team during the training. Unfortunately, the training sessions were delayed for three weeks due to Junior and Senior State Championships then Easter. The final training session was conducted at Aldinga Beach. They showed good crew skills and all six members qualified.

This season, SLSSA didn't run the Aquatic Search & Rescue course. Hopefully they will be running this valuable course in the new session.

I would like to encourage any club members who are interested in assisting with training to contact myself, Chris Fuller or Roy Menner for more information.

Thanks to all members that assisted with Skill Maintenance and the different courses conducted at the club. We have achieved a lot of training with a small group.

Surf Sports Manager report

The 2017/18 season as Surf Sports Managers has been a rewarding experience, meeting new clubbies in all competition areas, developing new skills and working with so many supportive Henley members.

With the intention to continue the TEAM Henley approach this season and keep competition entries simple and easy for competitors we need to thank several people who helped us along the way.

Firstly, a big thankyou to Rachel Roe for a very clear and informative handover from previous seasons, establishing a smooth transition and making our first season as Managers feel a whole lot easier.

Secondly, to the Board of Management, thank you for your on-going guidance, time and patience throughout the season, you have allowed us to find our feet in our role and contribute to a smooth-running season.

Thank you to the Surf Sports Committee members who have contributed their time this season to support competitors across all areas in training, competition, developing teams and ensuring equipment is consistently maintained - allowing for competitors to develop at their full potential. Your roles are so important to the success of Henley competition. Surf Sports Committee Members: Andrew Lanyon (Water), Daniel Hogan (Boards), Darren Hocking (Surf Boats), Paul Martin (Beach), Ged Codd & Cooper Forest (Ski) & Gary Tredrea (Gym).

A huge thankyou to Kathy Corbett (Officials Coordinator) for organising officials to fill our quota for every carnival. We are so grateful to all officials that have willingly put their hand up to either become an official or attend carnivals this season enabling our competitors to compete. You make it all happen! This includes our super IRB team Tim and Mags for consistently setting cans and providing water cover for our Henley Competitors – THANKYOU!

The transition from Juniors to HET to Seniors has transformed with success this season. This is due to the consistent time, effort and passion from HET coordinators, Beck Forest and Ed Gates and Junior Coordinator, Nikki von Bertouch. The strong connection between these areas is truly inspiring of the TEAM Henley approach, with these members leading by example for our new generation.

Thank you to Phil Hogan who yet again stepped up this season as Aussies Team Manager in Perth. We thank you for your willingness to support, organise and encourage our competitors interstate at this big event whilst keeping members updated in the process.

Finally, to all those who have been busy behind the scenes transporting surf equipment to and from carnivals – you know who you are! Many hands make light work and you have all achieved this by continually volunteering your time to help out, a big THANKYOU!

It is always a busy season, but thankyou to all who have contributed, working as a TEAM to support competitors and make light work for each other. We look forward to the season ahead!

Matt Gardner & Emma Cassidy

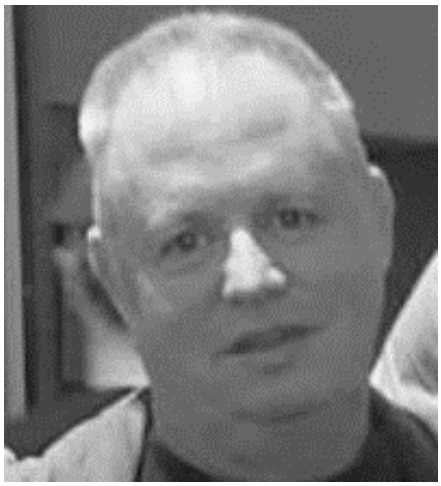
Nicnatbreros boat crew at Aussies

Beach Coordinator report



It has been another year of rebuilding the beach area with a bright future on the horizon. Unfortunately, due to unexpected change of employment I found it difficult at times to fully commit to the role, but I did manage to attend some carnivals and noticed that currently we have a lot of talent coming through our juniors with very promising results throughout the season.

Most notable was the transition of some of our juniors to the senior ranks. They showed great enthusiasm and talent and I am looking forward to seeing these young people develop into champions.

Keep a look out for Fraser Booth (flags) and Millie Armitage (sprints) in the comings years who shaping up to be true role models.

Special mention to the Wiltja boys. Since the start of the season they have grown in confidence and talent and will soon be up there with the best.

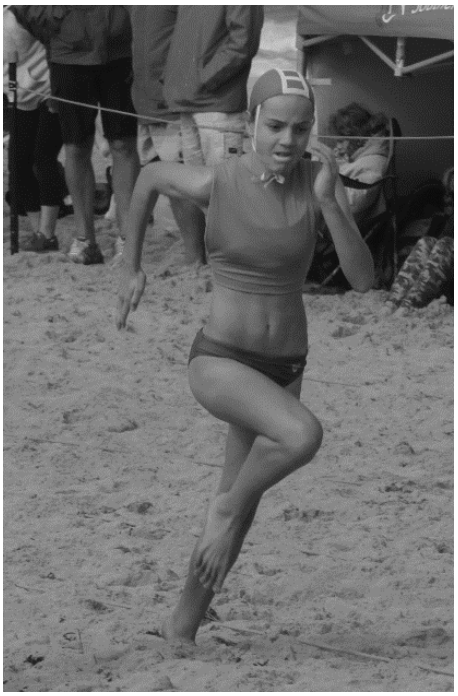
I would like to thank the following;

- Peter Burdett and Nikki von Bertouch for work with the juniors
- Emma Cassidy, Laura Cassidy and Bianca Parker for work with the Wiltja program.
- Emma and Matt for support as Competition Managers

I wish the best of luck for whoever takes on the role next season. Go Beachies!

Paul Martin

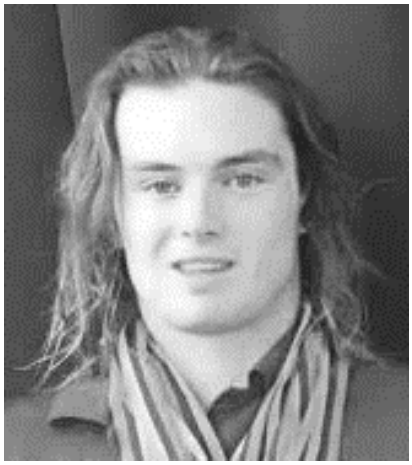
Beach Coordinator



Clubbies competing in the beach sprints at State Titles

Board Coordinator report

The 2017/2018 consisted of our strongest and largest group of board paddlers yet. With the growth and development of our junior paddlers, the competiveness at training this year went to another level, attracting more people to come out to not only train hard but to socialise with our older competitors, learning the insights of leadership, hard work and development. Not only did we have a strong group of youth, the squad consisted of a well-balanced group of seniors and masters.



We regularly had between 12 and 15 competitors in the water area which was great to see with everyone helping each other across the beach. I would especially like to thank all those who officiated at carnivals, coaches and those who towed trailers, helped set up, pack up tents and equipment.

Over the past few years Henley has been building its reputation as a strong board club which has been identified by many clubs and coaches. This season in the board area we showed strength and dominance from the youth area consisting of our u14 & u15's, through to our senior ranks and into our Masters age groups with the following results at State Titles.

Board Results at States

- Jarrod Butterfield u14 – 3rd
- Cooper Forest u19 – 3rd
- Daniel Hogan u19 – 1st
- Andrew Bray 40 - 44 - 3rd
- Catherine Booth 44 - 49 - 3rd
- Andrew Lanyon 55 - 59 - 1st
- Grant Turner 55 - 59 - 3rd
- Rick Daley 70+ - 2nd
- Declan McGeagh u15 – Board riding 2nd
- U19 Men Board Relay – 2nd
- 130 yrs. Board Relay Women – 3rd
- 170 yrs. Board Relay Men – 2nd
- 35 – 39 Women – Board rescue 1st
- 50 – 54 Women – Board rescue 3rd
- 55 – 59 Men – Board rescue 1st

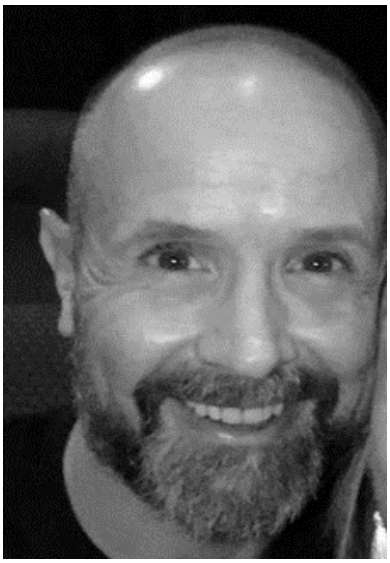
As we approach the beginning of the 2018/2019 season we welcome the new u14's joining us in the Henley Board Paddlers. I am looking forward to see an enthusiastic group come out to training this season, no matter your ability as we are one club and there is always someone to help you.

Summer training will kick off in the beginning of October in the lead up to the first carnival and the world championships in November.

Daniel Hogan

Board Coordinator

Ski Coordinator report

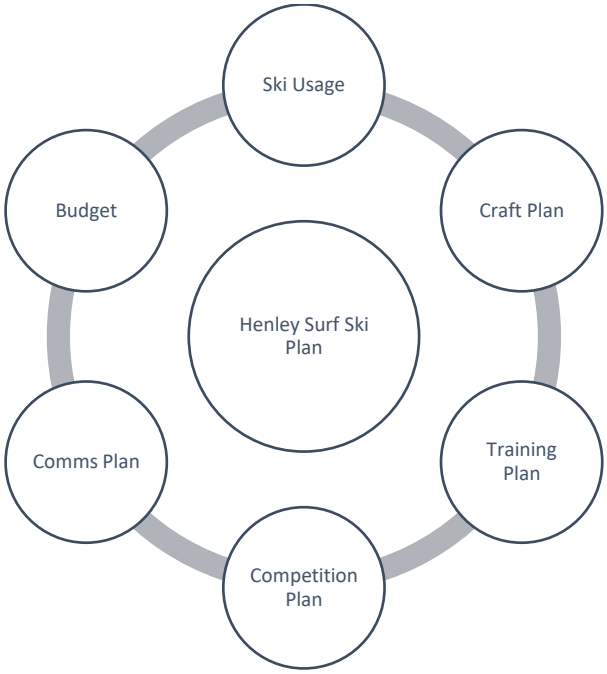


This year saw the creation of a ski committee, incorporating members who are heavily involved in surf skiing (Steve Forest, Scott Robinson, Andrew Lanyon, Greg Fletcher, David Foureur, Peter Stubbs, John Ellice-Flint, Lennie Hitch, Daniel Hogan, Cooper Forest, Grant Turner).

The purpose of this group has been to manage the ski area using the team's collective skills and experience.

One of the first activities undertaken, was the creation of a strategy, (thanks to John Ellice-Flint for facilitating). This defined a vision and purpose:

- Vision: To become the premier surf ski club in South Australia
- Purpose: We encourage our members and the public to develop their surf ski skills and abilities in order to help provide a safer beach environment



- Ski Usage: Three, "come and try" sessions were held to recruit/educate members which have gone well and were advertised through the newsletter. Storage requirements have been managed with older skis being disposed of to create room for members' skis.
- Craft Plan: Several skis have been repaired by Steve Forest. Additionally, David Foureur sourced 5 new ski paddles.
- Training Plan: David Foureur has also done good work on this, arranging times and routines.

Ski 'Come and try''days

From a competition perspective, some of the year's highlights include:

Senior State Titles

- Daniel Hogan, first in the Under 19 Mens Single Ski
- Cooper Forest, Daniel Hogan and Ed Gates, first in the Under 19 Mens Ski Relay
- Charli Smyth, second in the Under 17 Womens Single Ski Race
- Cooper Forest and Daniel Hogan, third in the Under 19 Mens Double Ski

Masters State Titles

- Neville Fielder and Andrew Lanyon, first in the 55-59 Mens Double Ski
- David Foureur and Phil Stubbs, second in the 50-54 Mens Double Ski
- David Foureur, second in the 50-54 Mens Single Ski
- Greg Fletcher, Scott Robinson, second in the 45-49 Mens Double Ski
- Steve Forest, David Foureur and Grant Turner, second in the 150 Yrs Mens Ski Relay
- Andrew Lanyon, third in the 55-59, Mens Single Ski
- Greg Fletcher, Scott Robinson and Peter Stubbs, third in the 130 Yrs Mens Ski Relay

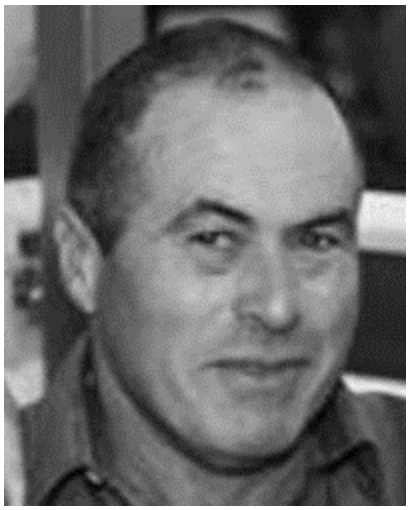
Aussies

Henley's surf skiers represented the club well in Perth this year. Notable performances include David Foureur, and Peter Stubbs with excellent results in both the 50-54 Male Single Ski and Double Ski events.

Ged Codd

Ski Coordinator

Surf Boat Coordinator report



After success in the previous season, the boat area had a lot to live up to. However, with the resources and personnel available, we were very competitive once again with more outstanding performances (see crew reports for a more detailed account).

The season got underway in late October with the inaugural Onkaparinga to Southport race. Henley had 2 crews competing. Next was the Port Elliot Row, with a couple of crews competing strongly in this too. In November / December a new second hand Perry surf boat and trailer was secured with sponsorship from Total Tools Thebarton.

Highlights for this period was the Robe Surf Boat Carnival, with Henley crews showing their skill in the fun surf conditions winning both Open divisions.

January saw the finalisation for the selection of crews for the Navy Interstate Challenge in which Henley had 3 crews selected to represent SA at Elouera Beach NSW. SA came third overall after NSW and QLD and in front of WA, VIC and TAS. This was a great result for SA in a what turned out to be a great surf boat event.

Moving into February saw our annual Big Row event. This was well attended by our crews and in very testing conditions was quite the challenge but was well taken on by rowers.

March saw the Masters Surf Boat State Titles held at Moana with 5 crews from Henley. Both the Hotshots and Mackhogs winning the Female & Male 140 divisions. The Dolphins were 2nd in the 180 Female division and the Relics came third in the 220 Male division, with the Handsomes a close fourth.

Unfortunately, the Senior State Titles were cancelled for the first time ever due to the adverse weather conditions, but three weeks later were completed in flat conditions. With only having one crew still training for the Aussie Titles it was always going to be difficult to equal previous year successes.

Moving onto the Aussies, the Nicnatbreros made history by making the final in the Inaugural Reserve Women's surf boat race, but, had bad luck at the start to finish outside the medals.

Finishing off the season we had our annual ASRLSA presentation night, which had the Nicnatbreros winning the Open women's trophy, the best performing crew and the Australian Titles in Perth and Kevin Fitzgerald winning sweep of the year, going back to back.

On finishing my report, I would like to thank the ASRLSA for their support during the season, sponsors, judges in the boat area (Trevor Mulvihill), Tim Cavanagh & Scott Mather for providing their invaluable service with water cover laying and recovering cans at our boat carnivals, Emma Cassidy and Matt Gardner our competition managers for their time sorting out carnival entries and attending meetings.

In addition, thanks to Kevin Fitzgerald for all his time spent sorting out insurance claims and times spent helping with repairs and maintenance.

Also, thanks to Treders for many the hours spent training rowers in and out of the water.

And finally, thanks to all the rowers and sweeps who competed for Henley this season.

Open Men - MackDogs

Starting the season saw a change of three previous members, Colby Grace, Jono Hersey and Stefan Starkey were unable to commit to the season, which saw the inclusion of Matt Gardner (previous DirtyBird) and Damien 'Frenchy' Derlique from Grange SLSC.

With the season approaching quickly, there was limited time to get together and get the feel for the boat as a new crew. Robe, as the first carnival was a great start to our season, we finished 1st overall. The surf conditions (approx 2-3ft) suited our surf skills as we knew Somerton would have our measure on flat water.

Our overall goal for the season was to be competitive but we did not expect to be progressing in a winning fashion. Southport carnival was another good surf condition carnival for us and, with the inclusion of Stefan back into the mix, we were again successful.

Approaching the crux of the season we came first to be selected as the Open boat to represent South Australia, and this was certainly punching above our weight! However, we had some initial success, claiming second position in the interstate race, yet it seemed all of our chickens hatched early, while we did not have continued success at the ASRL, we did feel as if we were well and truly in the mix.

The unfortunate change in State Titles, due to weather, meant that our second stroke, Ross was unable to attend the date change. We begged and borrowed, finally with Gavin (Southport) agreeing to fill in for the day. Overall, the result was not what we had hoped for, but all in all we are happy with the season.

Without major changes, this year may have been different, but it did make the season a little more challenging and exciting for all involved. We are looking forward to 18/19 season and improving our overall results.

MackDogs
Darren 'Hocko' Hocking
Damien 'Frenchy' Derlique
Ross 'Roscoe' Hamilton
Matthew 'Gards' Gardner
Simon 'Sim' Mitris

Open Women – Nicnatbreros

Nicnatbreros competed locally in the Open women. They were a new formed crew and showed promise from the start of the season. Unfortunately, Nic Foura broke her foot which put her out for the rest of the season and Suzi Gunn was recruited into the crew. The crew made the State Team in the Women Reserve division and finished fourth and competed in that division in the Australian Open where they finished fourth in the final at Eloura NSW. The State team finished third overall.

The girls went on and won Gold in Open women at the State Titles. They travelled to Scarborough Perth and rowed well all weekend in the Female Reserve division. They made it into the final and were unfortunately hit by a bad shore break and finished sixth in Australia. This is the only second time ever a Henley crew has made an Australian final.

At the ASRLSA awards they won the Best Crew at Australian Titles and Kevin Fitzgerald won Sweep of the Year second year in a row.

Nicnatbreros
Kevin Fitzgerald (sweep)
Suzi Gunn (replaced Nic Foura injured)
Kate Brereton
Nicole Carey
Nat Hadgecostas

Open Women – Hueys

After a late and messy start to the season, Henley Hueys made an impact on South Australian competitions. The introduction of interstate rower, Jo Gray helped form a crew with existing Henley girls and Hocko. Robe was their first competition as a new team and they were undefeated. They looked like a strong force with many familiar faces. With many changes of rowers and positions and sides, they were still able to come through and be selected as the Open Women State Team.

Knowing this year's Open Women competition would be a tough one with the recent introduction of the new Reserve Women's grade, the Hueys did their best at ASRL Nationals, however were outdone by some of the best crews in the country. The Hueys were ready to give the season a good send off at State Titles, which was rescheduled due to conditions. Unfortunately, the Hueys were unavailable on the rescheduled date and their season didn't get the ending they were hoping for.

Reserve Men – Hogs

Reserve Grade is the mostly hotly contest grade at surf boat carnivals, quite often boasting over double the number of competitors as the other grades.

The HOGS competed at most carnivals during the season and always finished toward the pointy end of the field in Reserve Grade.

The highlight of the season was taking out the carnival at Middleton (one of the few carnivals with waves). It was a tough row, in tough conditions.

The composition of the HOGS crew varied from carnival to carnival, but the 'core' crew was:

Bow - Lloyd Damp
2nd Bow - Rick Crabtree
2nd Stroke - Justin von Bertouch
Stroke - Pete Oborn
Sweep - Stefan Starkey

Thanks to all the 'fill-ins' throughout the season and special thanks to the Boat Coordinator, Darren Hocking and Kevin Fitzgerald for all the hard work behind the scenes that rarely gets noticed or acknowledged.

Reserve Men – DirtyBirds

Dirtybirds competed in the Open Men division this season. Jack Jones was a new member introduced into the crew and Dan Murdock had returned after relocating back to Adelaide. The crew had a fun year up there with the top crews in SA but work commitments reduced the commitment some of the rowers could put in. They just missed out in the finals at the State Titles getting fourth in the semi-final.

Dirtybirds
Kevin Fitzgerald (sweep)
Cameron Johns
Dan Murdock
Jack Jones
Jake Fitzgerald

Masters Women – Dolphins

Crew: Bec Codd, Beck Forest, Rae Lawson, Penny Sedgman-Daris and Gary Tredrea (sweep) built on their entry into surfboats last season with regular training sessions on the water (and bonding sessions on the deck!). The result was solid improvement in their surf skills and fitness. Always willing to fill in for other crews at training, they competed in several carnivals in the latter part of the season and as a result of their hard work were rewarded with a silver medal in the State Masters women 180 division.

Masters Men - Relics

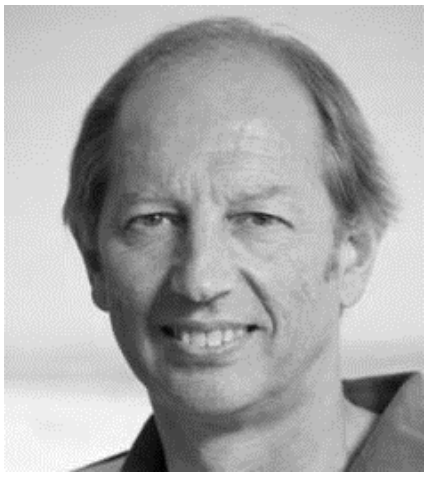
Crew: John Atkinson, David Cassidy, Rod McFarlane, Jim Plouffe and Gary Tredrea (sweep). After a couple of injuries to Russell Watkin and Simon Holmes, this put paid to forming another crew. The Relics were known for their regular morning training sessions and for competing at most of the carnivals. A highlight of the year was the Glenelg Twilight carnival with 66-year-old John Atkinson outsprinting his younger rivals in the Reserve grade to win a heat and qualify for the Open Men final! They were always ready to fill in with other crews at training and help out with new rowers. The season finished by winning a bronze at the State Masters in the very competitive Men 220 division.

Darren Hocking

Surf Boat Coordinator

Water Coordinator report

Weekly Surf Races



The weekly Saturday swims were well supported this season, and the good weather throughout summer meant we missed no swims due to poor weather or water quality.

We had good representation from the HET group, masters and juniors and an average of 26 swimmers each week over the 15 swims and a total of 96 different members did at least one swim.

Points were awarded each week for participation (2 points) with bonus points for the first 6 places on handicap (6 down to 1).

Congratulations to the winners of the point-score trophies, who were awarded at presentation night:

Senior: Catherine Booth and Lennie Hitch

Junior: Beth Corbett and Oscar Forest.

The top point scorers are in the table below:

Seniors:

57.5	Hitch	Lennie	21	Ashton	Gary
37.5	Plouffe	Jim	18	Ellice-Flint	John
36.5	Forest	Oscar	18	Frisby-Smith	Mark
35	Booth	Catherine	18	Egger	Natasha
34.5	Corbett	Evan	18	Codd	Gerard
34	Corbett	Kathy	17	von Bertouch	Ashlyn
34	Corbett	James	16	Gallagher	Terry
31	Malcolm	Matthea	16	Keenihan	Sarah
31	Gates	Edward	14	Moorfield	Tessa
28	Booth	Fraser	14	Whitehorn	Mark
25	Stagg	Lloyd	14	Bandjak	Alex
25	Livesley	Leigh	14	Evans	Bridget
23	Corbett	Beth	14	Keenihan	Patrick
21	Forest	Cooper	13	Le	Kim

Juniors:

37	Hitch	Jamie	10	Kouwenhoven	Yasmin
33.5	Moroney-Plouffe	Eliza	10	von Bertouch	Kiera
20	Booth	Sebastian	6	Frigo	Indi
17	Findlay	Owen	6	Gallagher	Alana
16	Ashton	Will	2	Atanackovic	Ginger
15	Atanackovic	Felix	2	Franz	India
15	Simone	Emerson	2	Franz	Jet

Swimming Training

Our swim training sessions on Tuesday and Thursday evenings at Immanuel College pool are continuing to be well supported with average of 20 members attending each night. Thank you to our coaches Rebecca Woods and Ben Zuill.

Competitions

Water area competition includes the swimming events of surf swim race, rescue tube race, belt race and surf swim teams plus the multidiscipline events of board rescue, ironman, Taplin relay and Cameron relay and the pool rescue events.

Pool Rescue State Championships

The 2018 Pool Rescue State Championships were held at the State Aquatic Centre in June 2017. Henley's team comprised 9 members from U13 through to masters. Our overall placing of 5th in the point-score was an excellent result with our team winning medals in over 39 events and achieving total points score of 267. Thank you to all who assisted as pool setters, time keepers and officials.

Competitors:

U13 - Eliza Moroney-Plouffe, U19 – Lilli McDonald, Daniel Hogan, Open - Ryan Froud, Josh Smith, Matt Gardner, Masters - Catherine Booth, Matthea Malcolm, Neville Fielder, Jim Plouffe, John Ellice-Flint, Andrew Lanyon.

Senior Carnivals and Senior State Championships

Around 20 members across under-14's, under-15s, under-17s and under-19's and open represented Henley in the water events at carnivals and State Championships. This saw us field competitors in many water events at States.

States highlights included the following finalists:

U15 board rescue: Ash von Bertouch and Beth Corbett (6th), Open lifesaver relay: Evan Corbett, Cooper Forest, Daniel Hogan, Josh Smith, Kate Brereton, Nicole Carey, Suzi Gunn, Natalie Hadgecostas, and Kevin Fitzgerald. (5th), U19 Iron: Cooper Forest (3rd).

Andrew Lanyon and Neville Fielder competing at Australian Titles

Members competing in the swim at the Club Championships

Senior States Water Area Competitors:

U15 Ashlyn von Bertouch, Beth Corbett, U17 Natasha Egger, Larissa Youels, Evan Corbett, U19 Cooper Forest, Edward Gates, Daniel Hogan.

I extend a big thank you to the age group leaders, officials and parents for their encouragement and support for all of our competitors.

Masters State Championships

We again had a strong team of masters competitors in both male and female areas for the swimming and board rescue and Taplin relay events making a good contribution to our overall fifth place in Masters point score.

Masters Competitors:

Claire Burke, Catherine Booth, Lindy Lewis, Matthea Malcolm, Nikki von Bertouch, Andrea Turner, Lennie Hitch, Jim Plouffe, Matteo Simone, Peter Stubbs, Andrew Bray, Steve Forest, David Foureur, Grant Turner, Andrew Lanyon, Neville Fielder, Rick Daley, Gary Ashton, Greg Fletcher, Scott Robinson.

Thank you to all of the members who represented Henley this year and congratulations to our medallists and point scorers.

Australian Championships

In the Masters competition we had 7 competitors in the water area events.

All competitors performed well with many progressing to finals.

Highlights were:

- John Ellice-Flint – silvers in tube race and surf race
- Andrew Lanyon – bronze in tube race and ironman
- Andrew Lanyon and Neville Fielder – bronze in board rescue
- Neville Fielder, John Ellice-Flint and Phil Lean – bronze in surf team
- Neville Fielder – 4th in tube race
- Peter Stubbs and Grant Turner – 5th in board rescue final
- 150+ Taplin relay - 10th in final
- 170+ Taplin relay – 8th in final

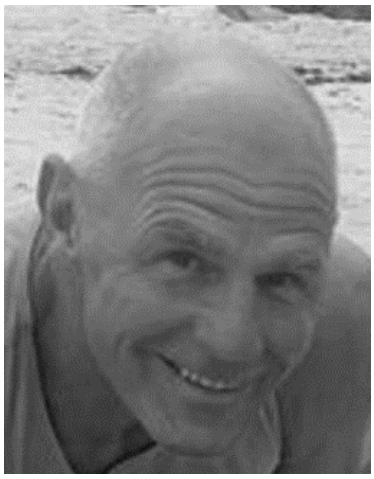
Competitors were:

- John Ellice-Flint (65-69) Surf Race, Tube Race, Taplin Relay and Surf Team.
- Neville Fielder (55-59) Surf Race, Tube Race, Board Rescue, 170+ Taplin Relay and Surf Team.
- Andrew Lanyon (55-59) Surf Race, Tube Race, Ironman, Board Rescue, and Taplin Relay.
- Grant Turner (55-59) 50-54 Board Rescue, 150+ Taplin Relay
- David Foureur 170+ Taplin Relay.
- Phil Lean (50-54) Surf Race, Tube Race, Ironman, 50-54 Board Rescue, 170+ Surf Team,
- Peter Stubbs 50-54 board rescue, 150+ Taplin Relay.
- Scott Robinson 150+ Taplin Relay.

Andrew Lanyon

Water Coordinator

Gym Coordinator report



With our aim of developing the best conditioned patrolling members and competitors possible we are fortunate to have our well-equipped gym on the top floor with some of the best views along the coast.

The gym is where club members as diverse as life members, patrolling bronze medal holders, bronzies in training and SRC's (under supervision), and athletes from all disciplines can mix and train together in the same area.
.

The last year has seen some new equipment added the main additions being 4 new Concept2 rowing ergs and a Concept2 ski erg, heavier dumbbells and a safety hex bar for deadlifting.

Gym users have become much better educated in setting their own workouts and a large part of that is the result of the gym regulars always being available to help out with instruction to newbies. Thanks again guys!

The Bootcamp and Boxing fitness classes are still well attended by groups of welcoming members.

Socially the wine tour and Christmas breakup have become popular events. Thanks to Beck Forest for organising these and Steve for driving the bus!

The Facebook page Henley SLSC Gym Junkies is the first contact for all things fitness.

Junior Operations Manager report

Congratulations to everyone involved in the running of the Junior Program on another successful season!

Once again, the year started early with preseason training commencing in August. Members in the Under 8 to Under 13 age groups were provided with a weekly session covering boards and sprints. It is fantastic to see the number of children taking up this opportunity increasing each year. A big thank you to the coaches and water cover for braving the conditions!

Junior numbers remain steady, sitting at about 230 again this year. Our Saturday program focuses on introducing children to surf life saving through water safety activities, learning surf sports events and observing patrol activities.

Midweek training was offered to all competition age children in an effort to boost their confidence and competitiveness at Interclub Carnivals and State Titles. We had an excellent team of coaches who were on the beach and at the pool week after week to provide challenging specialist training in boards, sprints, flags, iron person and swimming. The continued improvement of our competition results is a direct reflection of the dedication to extra training shown by both the coaches and competitors. Keep it up!

Henley Junior State Championships team 2018

A huge thank-you to those parents who volunteered as Officials and Water Cover for us at Junior Carnivals and State Titles. Without you, we cannot field a team at all, so thank you very much!

The Henley Juniors Internal Competition Days provide all competition age children the opportunity to experience carnival events in a familiar, non-threatening environment. Once again, we held 3 Competition Days, which were very well attended. Results from these days are collated by the Junior Competition Coordinator, Travis McKenzie, to provide us with our Junior Club Champions. SLSSA introduced Under 8s to competition this season for the first time. Well done to those children who attacked this opportunity with great enthusiasm and commitment!

Henley Juniors took a team of 81 children to State Titles, which is well up on last year's number of 58 competitors. We had a large number of individual and team competitors in the finals for just about each event across all age groups– well done everyone! Henley came home with a swag of medals – details at the end of this report.

A huge thank you to those parents who volunteered as Officials and Water Cover for us at Junior Carnivals and State Titles. Without you, we cannot field a team at all, so thank you very much!

Juniors competing at State Titles

The following people have helped run the Junior program this season –

Junior Committee

Nikki von Bertouch – Chair

Angela Osborn-Johnson – Secretary

Travis McKenzie – Competition Coordinator

Michelle Hitch – Training Coordinator

Suzie Ashton – Junior Registrar

Ella Stratton – Social Coordinator

Jane Davis – Committee member

Odette Page – Committee member

Age Group Leaders

Under 6 - Tracy Davey, Angela Osborn-Johnson, Edwina Bennett

Under 7 – Marisa Gentilcore, Dawn Crabtree

Under 8 – Rebecca Findlay, Glen Duncan, Emma Duncan

Under 9 – Teresa Robinson, Toni Shatwell, Aimee Moroney-Plouffe

Under 10 – Lennie Hitch, Kirsty Rawlings, Michelle Hitch

Under 11 – Andy Bray, Jane Davis, Lisa Will

Under 12 – Gary Ashton, Matteo Simone

Under 13 – Jen Frisby Smith, Mike Henry

Area Coaches

Boards (Mondays) – Brian Cleland and Andy Bray

Swimming (Tuesdays and Thursdays) – Bec Woods, Andrew Lanyon

Flags (Fridays) – Peter Burdett

Iron Person (Fridays) – Gary Ashton

Beginner Boards (Fridays) – Andy Bray

BBQ and Kiosk

Nicole Simone and Suzie Ashton

Water cover

Catherine Booth (Coordinator), Steve Hannaford, Kathy Corbett, James Corbett, Justin von Bertouch, Gavin Monk, Erin Monk, Mark Frisby-Smith, Petar Atanackovic, Sam McKinley, Tristan Kouwenhoven, Kate Nelson, Adrian Webber, Peter Christensen, Tess Moorfield, Grant Turner, Andrea Turner, Craig Johnson, Angela Osborn-Johnson, Mark Whitehorn, Rob Mulyk, Bridget Evans

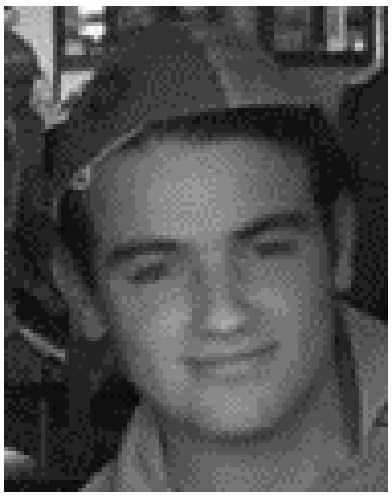
U13 Board Relay	Fraser Booth, Jarrod Butterfield, Sebastian Simone

Nikki von Bertouch

Junior Operations Manager

Youth Coordinator report



The HET family have had another busy and exciting year. Firstly, we said goodbye to Nicole Carey who stepped down to concentrate on her career and busy training schedule with the Nicnatbreros. Nicole deserves a massive thank you for all her efforts and hard work. This change allowed for Edward Gates to take a big step up and join me as Youth coordinator. Ed has done a fantastic job in this role and has made an enormous difference to the group.

We started off the season with the first of our movie and games nights. We have a couple of these during the year, usually in the holidays and they are quite popular with the kids as they like to just hang out. This was followed by the group hosting the BBQ for the Club Registration day, where we had a fantastic turnout of volunteers which was fantastic.

We welcomed new members, some were continuing on from Nippers and some were completely new to surf altogether. It was great to see the new faces around the place, training, doing patrols, attending our social events and volunteering for other occasions.

Early on we held a Team Challenge Night which included a Bootcamp by Gym Coordinator Gary Tredrea, a "Values" workshop by Bec Codd and a Bullying awareness session with Club Chaplain Bruce Rankin. This was a valuable evening and everyone that went got a lot out of it.

In September, Lucy Codd organised a group of HET to participate in the City 2 Bay raising funds for MND, with Matt Gardner helped out by giving them some training for the run.

HET having fun on the boards

HET fielded a team in the U23 March Past at the #2 carnival at Aldinga. Despite having a few wardrobe challenges the kids had a ball and did a very respectable job with very little training.

There was a visit from Chobani Yogurt who came down and filled up the hungry HET bellies and also stocked up the fridges.

Several of our members have stepped up and done extra training to be qualified for extra awards such as the IRB Crew, IRB Drivers, ARTC and Basic Beach Management.

The annual HET camp was another great success. We had to have a change of venue due to renovations at Chiton but we still had great numbers and really great help by parent volunteers which made the camp easy to organise and a hit. Matt Coorey and Joey Loielo paid us a visit at Middleton Beach on the jet skis which helped out with water cover and the kids had great fun having rides on the craft. Ed included a games/activity challenge that was a real hit with parents and kids alike.

We also had visits by Chris Fuller and the Jet boat, which was also available for rides and demonstrations on what the boats are used for.

HET training and carnival participation

During the year many of our HET members were involved in other sports outside of surf in which they had great success. Some of these were:

- Daniel Hogan competing in the Coolangatta Gold
- Layan Saadeh playing in the National Diversity women's football team
- Declan McGeagh competing at the Board Riding Competition
- Charli Smyth and Cooper Forest competing at the Kayaking Nationals in Penrith
- Charli Smyth representing Australia at the Asia Pacific Games at West Lakes
- Danial Codd, Rebecca Frisbee-Smith and Amy Frisbee-Smith competing at the rowing regatta at West Lakes.
- Ciara McGeagh coaching her netball team to a win in the Grand Final.

Our last Saturday session we had a soccer match which saw the All Stars versus the Jennifers followed by a sausage sizzle.

The Anzac Youth Vigil was another highlight with 8 of our crew attending the prior trainings and on the actual night. This year we also had several members take on official roles on the evening, these were Daniel Codd speaking live on the ABC Radio with Peter Goers, Layan Saadeh having a speaking role, Patrick Keenihan speaking with the Lord Mayor inside the crypt and Damon Kouts and Austin Bridges hosting inside the VIP dignitaries tent.

Our end of season HET event was Go karting out at Gepps Cross which was awesome fun.

Some of the other not to be missed events/moments of the year were:

- The HET crew designing and organising Canterbury Rugby tops
- Senior HET members stepping up and helping out with coaching
- Numerous ski come and try days
- Good attendance by HET in the Club Swim
- HET members volunteering for water cover
- Coast sessions to improve our wave skills
- Champion Patrol and Champion Lifesaver Competition
- Gym Sessions
- Doing beach events with some of the lads from the Wiltja group.

In closing I want to add that the club has a great future to look forward to in the hands of these fantastic young people and it's a great privilege to work with each and every one of them.

See you all on the Beach.

On the Same Wave Community Program

The On the Same Wave Program (OTSW) is a program that provides training for the Bronze medallion and community development for newly arrived migrants to our shores.

I was a participant in OTSW program and I got my Bronze medallion in December 2016 and my first official patrol was on Christmas day 2016. Gaining my Bronze medallion was a huge achievement for me, considering I could not even swim when I first started. I got so much out of the program, I decided to give back in the same way I had received.

OTSW participants at the club

In late 2017, Shannon Asa passed the program to the club and Regan Smallacombe became the Coordinator of OTSW. For the first 3 months, we only had 2 participants. At the same time, I was participating in another program called Ride the Wave. This program taught basic swimming and lifesaving skills to the community and most of the people participating were born outside of Australia.

Through this program I advised the assessors that we were coordinating the OTSW program at Henley, which then saw more people joining our program.

We ran an introduction day for the new arrivals and the majority of them were happy to join the program. The program combined the OTSW skills and First Aid course, a free club membership for one year and free entry into the World Titles, being held in Adelaide this year.

Currently we have a few helpers on the program: David Cassidy, John Atkinson, Sue Atkinson, Rahim Kooshki and myself, under the supervision of Regan. Roy Menner is also the liaison with Henley SLSC and will assist in training for board rescue and First Aid.

We are also only the second club, after West Beach SLSC to have Muslim women involved in surf lifesaving and this is a huge achievement as we move towards having a multicultural club.

At the moment we have 15 people actively participating in swimming lessons at Marion Leisure Centre during the winter.

We appreciate all the assistance from the Henley SLSC Club Captain and President for supporting the program and welcoming us into the club.

Behzad Pourdarab

OTSW participants having fun at the club.

Swimming lessons

Wiltja Program

The Wiltja Surf Life Saving Program is an SLSSA funded program delivered through Henley SLSC. It is designed to promote engagement with the Aboriginal community and has been running since 2008.

This season the number of students participating has doubled to 10 fellas and 5 girls.

It has been a Henley SLSC goal to build the Wiltja kids confidence to the point where they are happy to compete. This season we had 4 fellas (Aaron, Tyrone, Billy and Tyrell) compete. A special moment was when Billy and Tyrell along with Oscar and Fraser won Bronze in the U14/15 male beach relay at State Titles.

Trainers with some of the award achievers -
Top left to bottom right: Casey Colin-Kenny, Tyrone Hart, Tyrell Martin, Laura Cassidy (Trainer), Emma Cassidy (trainer), Billy Cooley, Isiah Bridley, Bianca Parker (Trainer), Tremaine Strangways, Dakota Strangways

Congratulations to the following students for achieving their awards:

Isiah Bridley	Bronze Medallion proficiency
Tyrone Hart	Surf Rescue Certificate proficiency & Most Enthusiastic Beach Competitor
Tyrell Martin	Surf Rescue Certificate proficiency & Most Enthusiastic Beach Competitor
Billy Cooley	Surf Rescue Certificate & Most Enthusiastic Beach Competitor
Jontae Dare	Surf Rescue Certificate
Tremaine Strangways	Surf Rescue Certificate
Dakota Strangways	Surf Rescue Certificate
Casey Colin-Kenny	Radio Operator proficiency

Thank you and well done to trainers Emma Cassidy, Laura Cassidy, Roy Menner and Ash von Bertouch for such a successful season.

Bianca Parker
Program Coordinator and Trainer

Club Complaint & Child Safe Officer Committee

The Club Complaint and Child Safety Officers provide wide-ranging support to all members of the club. Due to changes in SLSA policy, Grievance Officers are now considered Club Complaint Officers.

The focus of this area during the 2017/18 season was to continue developing and implementing the policies and procedures to support the Members Protection Policy within HSLSC, and to ensure that our club remained a safe place for our members – both senior and junior. We also supported any members that faced issues during the season.

One of goals included informing members of the support available from the Club Complaint and Child Safe Officers, and the Chaplain, and the processes involved when they needed support.

The Committee worked with SLSSA to support the roll out of the Child Safe training and associated policies for SLSSA and other clubs throughout the season and will continue to do so throughout 2018/19.

The Committee meets every month during the season, or as required.

Special thanks to Roy Menner for his commitment to developing this area of the club further. Thanks also to the Club Complaints and Child Safe Officers, and to our chaplain, Bruce Rankin, for their commitment and support during 2017/18.

Sponsorship Coordinator report

We have so many wonderful Sponsors to thank, some of whom have continually supported the Henley SLSC for over 12 years. With their continued support again this year, we were able to raise over $45,000 in cash sponsorship plus additional contributions in-kind. This is important funding that goes towards the Club's debt and the acquisition of life saving equipment.

Kerry Saul, our Sponsorship Manager for the last two years has done an outstanding job of embracing our relationship with our Sponsors and we want to give more back to what we consider important long-term relationships.

As Kerry has now retired from the workforce, he will be stepping down as Sponsorship Manager as he and his wife Guenne embark on their grey nomad tour around Australia. We extend our heartfelt thanks to Kerry for all the work he has put into the sponsorship area over the last two years, wishing him and Guenne very safe and fun filled travels.

Sponsors Greg and Cath Heath from Total Tools with the new 'Barrie Cole' surf boat

Peter Ravese, who donated a defib to the club with Patrol Captain, Steve Horsman

Peter Hodgkison from Bendigo Bank and Greg Hochuli from CMI Toyota with the new IRB hull that they have sponsored.

Big Row Coordinator report

The Big Row 2018 – continuing to impress!

The Bendigo Bank Big Row 2018 took place on the 3rd of February. Bendigo Bank was again our principal naming rights sponsor, continuing their amazing support since the inception of this event. This was the 12th year this event has been held, rowing a surf boat across the Gulf St Vincent, from Stansbury to Henley Beach covering around 68kms of open sea.

We had our largest contingency with over 60 people make the journey over to Stansbury on the Friday with a large contingent helping out with the junior program for the Stansbury and Curramulka Primary Schools. This session was again hugely successful with around; 50 children participating in the 2-hour surf session and learning some valuable skills. The kids had a fantastic time learning something different with huge smiles and tonnes of enthusiasm. This program could not be run without the initiative and continued support of a Club stalwart; Barrie Cole.

Friday evening saw everyone off to the Stansbury Bowling Club for a night of great food, lawn bowls and entertaining raffles! A huge thank to the bowling club for their continued support and hospitality. It is fantastic to be involved in a local Club who offer so much to the community.

Big Row participants at the school surf session

Pete Oborn and Scott Mather on the support boat

The morning of the 3rd of February came around and saw our team up at 4am to get the row underway. The row started later than preferred but conditions were good with flat water and south east winds around 10-15km/hr. John Butterfield on the 'Allure' was our support vessel leader again this year, having been involved since the 1st Big Row in 2006, a huge thank you for his continued support. We were lucky enough to have our record number of support boats volunteer their time and resources this year including; 'Four Seventy' David Rawnsley; 'Iluka' Ray Hampson; 'Andante' Geoff Gowing; 'Time Out' Darren Barlow; 'Salty' Roger Ashby; and 'Tardis' Peter Wickham. This event would not be possible without these boats'; we cannot thank them enough for their amazing support! Conditions changed significantly with the tide going out and half metre wind wave coming from the South East, over shallow water, and saw slow, hard rowing. We had 17 rowers make the crossing this year, three men's crews and one women's crew. Our IRB team of Scott Mather and Tim Cavanagh were again there to ensure the row ran smoothly with expert changeovers. Rowing conditions improved once into deeper water but we were still behind schedule and not catching up. The weather continued to improve as did the sea state so the ability to row was greatly improved. Unfortunately, the earlier conditions had taken its toll and the 'A' crew were put on for a longer row to try and arrive on time.

The surf boat and support crews could be seen off shore around 2pm, with preparations being made on the beach for their arrival and sponsors staring to arrive. Our Nippers were again keen to welcome home the surf boat with many of them paddling out to get involved, providing a wonderful atmosphere and highlighting our strong 'family focused' Club. The finishing crew of; Dan Murdock, Bianca Parker, Emma Cassidy, Matthew Gardner and Jake Fitzgerald sweeping made their way towards the Club to hit the shore at; 2.30pm, later than usual due to poor conditions. They were welcomed home by an enthusiastic crowd lining the beach and watching from the balcony.

The after party was well attended with numerous valued sponsors and VIP's in attendance. Speeches were conducted highlighting the continued success of this event being our major fundraiser. After 12 years it still provides the Club with the largest amount of money raised. It was another huge success in terms of sponsorship with a total of over $45,000 raised. A big thanks to our sponsorship team; Kerry Saul and Rae Lawson for all their efforts as this is an all-consuming role and we are most grateful.

This year we devoted the event to our dear friend and supporter, Kevin Renfrey RIP. To many it did not feel the same without him joining us on the journey. It was lovely to have his daughter Emma with us. This was another very successful year for the Big Row. Thank you to all of our sponsors, support vessels and volunteers for their amazing contributions. The future of the Henley SLSC is looking amazing!

Surf boats and support boats in the Gulf.

Finishing crew members; Bianca Parker & Emma Cassidy

Lisa Ann Will

Big Row Coordinator

Grant Officer report

Henley SLSC acknowledges the support we receive from the Federal and State Government for grant funding we have received over the 2017/2018 season.

Unfortunately, this season saw a reduction in the number of successful grants for the club. This is in part due to the number of clubs applying for assistance, coupled with the perception that as we are a large club running a commercial business, our need is less. Our ability to win grants is imperative as these funds make a large difference to what we can afford in our lifesaving and sports equipment budget over the season.

The two grants we have received this season have been used to fund the following:

Agency	Type	Amount	Equipment / resource
Surf Life Saving Australia	BRP Powercraft Equipment Grant	$3,000	Evinrude IRB Motor
Federal Government	Beach Safe Equipment Fund – Year 4 and 5	$10,000	Towards new IRB hull

Social Committee report

Once again, the Henley family came together to spend time and socialise during the 2017/18 season.

Due to the popularity of last year's opening event, a 'Cantina Fiesta Night' was once again held in October, as an opportunity to celebrate the start of another season and welcome new members and their families and friends to the club. A great night was had by all, feasting on a Mexican feast, including tacos, nachos and Coronas.

Melbourne Cup was once again a feature in the Henley social calendar great with members and guests enjoying an afternoon of racing, fashion and sweeps and entertained with a 3-course meal.

Barefoot bowls fun and Fiesta night at the club

Our combined Senior and Junior Christmas Break up was once again a great occasion, with Father Christmas making a vising in the ATV and delivering an esky full of ice-blocks. a visit from the Big Man himself distributing ice-blocks, followed by a gourmet BBQ upstairs in the Club.

March was a very busy month with State Titles on every weekend. Rather than trying to squeeze in another social event, the members were encouraged to come back and celebrate their involvement and success at the Club with a meal and drink, and presentations afterwards.

Our final event for the season was a Lawn Bowls afternoon at Henley Bowling Club. There was plenty of bowling talent on show for the afternoon, with nibbles and gourmet BBQ available afterwards.

Thanks to the Social Committee for their help with planning and organising the social events this season: Steve Horseman, Steve Parker, Andy Messner, Margaret Menner and Chris Coulter. Thanks also to Chris, Steve, Jason and the team who supported us with organising and hosting the functions.

Thanks also to the members that supported and attended the social functions. We look forward to another fantastic season full of great events!

Kirsty Rawlings
Social Coordinator

Venue Manager report

The 2017-18 season has seen another strong trading year with lots of activity and a number of staff changes. Starting with Jason Olivier, our Head Chef who joined the club in November 2017. Our Venue Manager Chris Coulter elected to step down as our Manager to dedicate more time to his young family, which saw myself moving from Assistant Manager to Venue Manager in early 2018.

Our exceptional and long standing employees - Matt Coorey, Gianni Loielo and Laura Brain all moved on to pursue their chosen professional careers and we wish them all the very best. Mitch Clarke our efficient breakfast barrister has also recently decided to go back to full time study for his hospitalty degree.

With all of those changes we were pleased to offer Beth Mahoney the opportunity to step up and become our most recently accredited – Responsible Person (RP), who now joins Jade de Beer as our two most experienced employees and RP's. It's great to see Henley members who have come through our junior and HET programs now working in our commercial restaurant.

Since becoming Venue Manager, I have focussed on our building our loyal customer base, engaging with them on a regular basis and making them feel welcome and part of our club's culture. This includes the occasional photo for our facebook page along with our specials menu and and photos of some of the great meals that Jason and the kitchen staff have created.

We have attracted many new regulars to our Oceanview resturant including the team from Melt Pizza who are here most days for drinks and a meal and I am always in touch with Helen from " Visit Henley Beach " who is a great supporter of our Club posting pictures of our meals and events to the general public.

This winter our Head Chef Jason has updated our menu which as received very positive feedback from our customers, in particular our revised kids menu with the addition of a juice box and a scoop of ice cream within the $10 kids meal. We are currently updating our wine list which will see us launch a number of new and exciting S.A wine brands together with our new look menus.

We have also recently introduced a number of new and popular beers to ensure we are meeting the a high demand of the public, these include the new Coopers Sessions Ale and Furphy craft beer.

This season the Club has seen an increase in corporate conference bookings and events during the weekdays when we are normally closed bringing in addition income for the Club. Recent bookings have included businesses such as the Liberal Party, AGL, Speedo, Star of the Sea School, Clubs S.A, West Lakes Rotary, the Charles Sturt Council and Push Mobility.

And finally congratulations to Chris Coulter and all of our restaurant and kitchen staff on winning the Clubs SA Surf Club of the Year Award for 2017. This is the first time Henley has won this award and recognises the quality of our offer, customer service and compliance. We also received a Clubs SA Certificate of Commendation for our Healthy Kids Menu which was designed inconjuction with the South Australian Government.

Henley has been nominiated again for Surf Club of the Year 2018, Club Manager of the Year and Club Chef of the Year, with the winners being announced in October 2018.

Steven Parker

Venue Manager

House Committee report

The Oceanview Bar and Restaurant is crucial to the financial backbone of the running of the surf lifesaving, maintaining the building and paying off the loans alongside of grants, fundraising and sponsorship. We continue to strive to maintain a business which suits the members and also the public who love to come support our club. The committee work hard on ensuring that we have club prices and also return a profit.

Chris Coulter started the season as Bar/ Functions Manager and stepped down through family commitments but still is a valued staff member and contributes his experience amongst our team.

Steve Parker was nominated as his replacement on trial and I am happy to announce he has been signed as fulltime Bar/Functions Manager. Steve has impressed the committee with his ability with leading the staff and his relationship with our stakeholders and customers.

We also welcomed Jason Olivier as our new fulltime head chef. Jason is always looking at new ideas in food and making the kitchen function more effectively. He has introduced a cryovac machine for storing meat which increases shelf life and a sous vide machine which slowly cooks meat. This has removed a lot of food wastage. He has assembled a great team in the kitchen who work well together. It was sad to say goodbye to Gretto who has been one of our chefs for years who retired to have a life outside the kitchen.

We also introduced a Healthy Option Children menu supporting a South Australian government program for healthy life for children.

We are constantly being challenged with maintaining the building. Because of the harsh beach climate, the building requires a lot of love. Dan Moriarty does a fantastic job being constantly dealing with requests for repairs and maintenance of our building. Thanks Dan, you do a wonderful job. In consultation with SA Water we have installed a relief gully system which will stop the club being flooded with sewage when the mains in the Square block up. Again, Steve Horsman has helped us out. Thanks Steve and Jane.

Kirsty Rawlings ran the social committee again this year who ran some fun events. They do find it frustrating to find dates which are not clashing with surf lifesaving and events which members would like to attend. Thank you to Kirsty and your team.

We welcomed Creon Grantham to our committee this season who brings a wealth of experience as chef in the business for years. He is the manager of Parliament House hospitality and gives us someone to ask and refer to for professional advice.

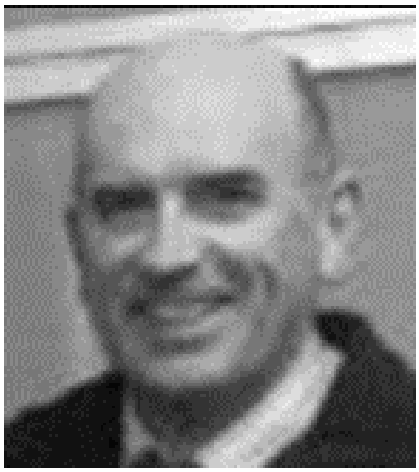
Thank you to all our wonderful staff who work hard to give us a great business profile. It is rewarding to read reviews about our business in this very competitive industry. We score 4 to 4.5 stars out of five in most food review sites. We also won the Clubs SA Best Club Restaurant 2017 which is a great achievement.

Thank you to the House Committee consisting of Kevin Fitzgerald, Steve Parker, Chris Coulter (resigned), Kirsty Rawlings, Dan Moriarty and Creon Grantham.

Kevin Fitzgerald

Vice President

Finance report



The 2017-18 Financial Report incorporates a 12-month period form 1 July 2017 to 30 June 2018.

The financial position of the club as at the end of the 2018 financial year continues to be strong, albeit with some challenges experienced during the 2018 financial year.

The closing cash position for the Club as at 30 June 2018 was $116,996, this compares to the opening balance position of $163,710.

This decrease in the cash position is explained by the following main reasons:

- Reduced trading activity,
- Decease in funding received from sponsors and grants,
- Decreased membership income

During the year the Club incurred expenditure on capital items (assets) totalling $65,608 ($62,541 in 2016/17). The items purchased included:

Plant and Equipment (including Building related items)	$ 14,635
Competition/Lifesaving Equipment (Surfboats, Boards, Skis, etc.,)	$ 50,973

These purchases have to some extent been directly offset by various grants and sponsorships received during the year in addition to the application of the equipment funding levy, which raised $13,750 in 2017-18. Seeking specific direct sponsorship for equipment continues to be actively pursued to ensure that the Club can continue to support equipment requirements into the future.

As at 30 June 2018 the total book value of assets reported was $3,440,681 ($3,419,664 in 2017).

The total income received in 2017-18 was $1,533,384 and was derived from the following key areas (with comparison to 2016-17):

- Membership – $77,780 or 5.0% ($91,645 or 5.8% in 2016-17)
- Bar / Restaurant Trading Activities – $1,369,299 or 89.3% ($1,351,101 or 85.5% in 2016-17)
- Grants, Fundraising and Other – $86,133 or 5.6% ($138,013 or 8.7% in 2016-17)

The total income received in 2017-18 was slightly lower than that level received in 2016-17 of $1,580,997, with the variance explained by the reduction in funds received from Grants, Fundraising and Other, reduced Membership / Levy contribution offset by the increase in Trading Income

It is noted that the membership figure includes the Building Fund Levy which amounted to a figure of $21,960 ($25,480 in 2016-17, with the total amount raised to date from this fund is $149,990).

Funding raised over the year was used in a variety of outcomes including:

- Lifesavings – administration, training, competition and operations of $54,365 ($61,116 in 2016-17)
- General Operations – bank fees, insurance, lease payments of $63,779 ($75,186 in 2016-17)
- Building maintenance and operations $153,978 ($125,848 in 2016-17)

The Club recorded a net operating loss of $18,270 in 2017-18 compared with a positive net operating result of $87,154 in 2016-17. The 2017-18 result has been impacted by the following key factors:

1. Higher utility charges incurred due to an invoicing delay by the provider for charges incurred in 2016-but paid in 2017-18,
2. Over valuation of stock from previous financial year which has been adjusted in 2017-18,
3. Reduced trading result, due to higher costs (wage rate increases) with income steady,
4. Reduced level of membership income,
5. Reduced funding from Grants, Fundraising and Other activities.

The trading account result for 2017-18 was a Gross Profit of $142,579 ($192,702 in 2016-17). The trading outcome for the bar/restaurant area equated to an operating profit of $156,054 which equated to an operating margin of 12% compared to 14% (operating surplus of $187,124) in 2016-17. This result reflects the impact of the higher wages costs incurred in the financial year due to wage rate increases and higher worked hours.

This trading performance outcome reflects the variability of the nature of the hospitality industry, and highlights the on-going requirement that time and effort continually needs to be put into ensuring the trading area of the Club is managed well.

The retention of a strong cash position has been a focus for the Board of Management given the need to retain funds to ensure that the long-term financial position of the Club is strong.

Capital expenditure levels continue to be reviewed to ensure that the Club's equipment is maintained at an appropriate level and to also keep up with the demand on equipment. The loan required to assist with the funding of the building originally totalled $400,000. It is pleasing to report that this balance has been further reduced over the year to a balance of $170,769 as at 30 June 2018.

Club membership provides a strong financial base to support the ongoing operations of the club. Hence the reduced membership level reinforces the requirement, as a key focus area, to ensure membership numbers remain strong.

The Big Row continues to be the key fundraising initiative for the Club and all sponsors should be congratulated for their invaluable and generous support of the Club. Grants made available by the Local Council, State and Federal Governments are also critical and the support much appreciated.

The club (and its finances) has again been well served over the past year by those members who put in an enormous amount of time on raising funds through a range of activities (including the Big Row) and without your time, effort and in some cases contacts, the Clubs' financial position would not be as it is. Well done and keep up the good work! The decrease in funding from these areas in 2017-18 highlight the need to ensure that members provide support for these activities, without that support a valuable source of income is at threat.

Maintaining a sound and strong financial position remains a key focus for the Board of Management. The continued support of all Members and Sponsors is essential to ensuring that the Club achieves this outcome moving forward.

The report is provided for the consideration of Members.

Mark Travers

Finance Manager

Statement of Financial Performance

For the Year Ended 30 June 2018

		2018	2017

Notes to the Financial Statements

For the year ended 30 June 2018

Note 1 Statement of Significant Accounting Policies

The Financial Report is a general-purpose financial report that has been prepared in accordance with Australian Accounting Standard, other mandatory professional requirements and the requirements of the Associations Incorporation Act (South Australia).

The Financial Report covers Henley SLSC as an individual entity. Henley SLSC is an association incorporated in South Australia under the Associations Incorporations Act.

The accounts have been prepared on the basis of historical costs and do not take into account the changing values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the significant accounting policies adopted by the Club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(A) INCOME TAX

The Association is exempt from income tax under the provisions of Division 50 of the Income Tax Assessment Act 1997

(B) INVENTORIES

Inventories are valued at the lower of cost and net realizable value.

(C) PROPERTY, PLANT AND EQUIPMENT

The value of the Club's Non-Current Assets is reviewed annually by the Board of Management and they are of the opinion that the book value, after allowance for the current year's depreciation charge, represents fairly their carrying values.

(D) CASH

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at bank.

(E) REVENUE

Revenue from the sale of goods is recognized upon delivery of goods to customers.

Interest Revenue is recognized on the basis of the interest rate applicable to the financial assets. Revenue from rendering of a service is recognized upon the delivery of a service to customers. All revenue is net of the amount of goods and services tax (GST).

(F) GOODS AND SERVICES TAX

Revenues, expenses and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognized as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

NOTE 2 REVENUE

	Note	2018	2017
Members subscriptions fees		77,780	91,645
Grants, Fundraising and Other		86,133	138,013

NOTE 11 ASSOCIATION DETAILS

The Principal place of business of the association, Henley SLSC Inc, is:

246 Esplanade, Henley Beach, SA 5022

Henley Surf Life Saving Club Inc.

Statement by Board of Management Members

In the opinion of the Board of Management the Financial Report as set out on pages 78 to 86:

(a) presents fairly the financial position of the Henley Surf Life Saving Club Inc. as at 30 June 2018 for the 12-month period ended on that date in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.

(b) at the date of this statement there are reasonable grounds to believe that the Henley Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board of Management and is signed for an on behalf of the Board of Management by:

Rae Lawson President Mark Travers Treasurer

Dated this 14th day of August 2018 at Adelaide, South Australia

Auditor's Report

To the Members of Henley Surf Life Saving Club Inc.

SCOPE

I have audited the financial report being the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Notes to the Financial Statements and the Statement by members of the Board of Management of the Henley Surf Life Saving Club Inc. set out on pages 80 to 87 for the 12-month period ended 30 June 2018.

The Board of Management is responsible for the financial report. I have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Club.

My audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements so as to present a view which is consistent with our understanding of the Club's financial position, the results of its operations and cash flows.

The audit opinion expressed has been formed on the above basis.

QUALIFICATION

Given the nature of the operations of the Henley Surf Life Saving Club inc. it is not practicable to establish accounting controls over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, my audit has been limited to the amounts of cash receipts recorded in the books of account of the Club.

AUDIT OPINION

In my opinion, subject to the above qualification, the financial report presents fairly in accordance with the applicable Australian Accounting Standards and other mandatory professional reporting requirements the financial position of Henley Surf Life Saving Cub Inc., as at 30 June 2017, and the results of its operations and cash flows for the 12-month reporting period then ended.

Life Member induction

David L Foureur

Congratulation to David on his Life Membership of Henley SLSC, awarded in August 2017.

David Foureur known as 'Fooz' to many, joined the Henley SLSC during the 1977/78 season and in February 1978 gained his Qualification Certificate (SRC). He gained his Bronze Medallion the year after in February 1979.

As a young 14-year-old who had tried many sports, Surf Life Saving and the Henley Surf Life Saving Club was exactly what David was looking for and needed at that stage of his life. The club became David's second home. He had some great mentors along the way, in particular Rodney and Graham Hill and during the past 4 decades, has formed some lifelong friendships.

Soon after joining the club, David began competing in the beach area (sprints, flags and beach relay) and also competed in R&R, where he won his first State Championship medal in the Junior 6-man R&R.

After this, David started turning his attention towards the craft area of the club, training and racing initially on boards and later on skis. It wasn't long before his interest was primarily focused on the ski paddling area and this was to become his passion in Surf Life Saving, and still is today.

In an attempt to improve his ski paddling skills, David started training and racing in the Olympic sport of sprint kayaking. Even though countless hours were spent training and competing in kayaking, David was still very passionate and committed to his ski paddling and raced at every carnival possible, including State and National Championships, proudly representing Henley SLSC.

David's paddling ability, both on the surf ski and in the kayak, rapidly improved as a result of his innumerable hours of training each week in both disciplines. In 1991, David was selected as a member of the Senior Australian Kayak team to race at the World Championships in Paris. As Australia's third ranked paddler in 1991-92, David narrowly missed selection for 1992 Australian Olympic Team.

At the end of 1994, David was appointed as the full-time Head Canoe/Kayak Coach at the South Australian Sports Institute and since that time David has coached successfully at state, national and international level. His coaching career includes coaching at 3 Olympic Games, 11 World Championships, and numerous World Cups. Many of his athletes and crews have successfully won Olympic and World Championship medals. Coaching has been his career for the past 23 years and its launchpad was due to the love he developed of surf ski paddling at the Henley SLSC way back in the 1980's.

Although David's job has seen him spend extensive amounts of time away from home, he has remained an enthusiastic and passionate member of the Henley SLSC with an uninterrupted active membership in Surf Life Saving for 40 years next season, 38 of which have been spent dedicated to the Henley SLSC.

Awards gained

- Bronze medallion
- Senior First Aid
- Advanced Resuscitation
- Training Officer
- Radio Operator Certificate

Club Awards

- 1985 - Henley SLSC Club Champion
- 1979/80 & 1980/81 – Club Most Patrol Hours
- 1979/80 & 1980/81 - Most Enthusiastic Junior Member
- 1980/81 & 1982/83 - McDonough Swim Trophy winner
- 1982/83, 83/84, 84/85, 85/86, 90/91 & 92/93 - Best Craft Competitor
- Club Patrol Hours – 200 hour and 500 hour patrol awards

SLSSA Awards

- 10, 15, 20 and 25-year National Patrol Service Award
- 25 and 30-year Long Service Award.

Patrols

- Total patrol hours 981.75

Positions held

- Club Vice-Captain – One season
- Committee Man (Management committee) – One season
- Ski Captain – 8 seasons
- Several years as Patrol Captain

Competition

- 60 State Championship medals in Open and Masters competition.
- Australian Championships – Semi-finalist Open Double Ski on 2 occasions
- Australian Championships – Quarter finalist Open Single Ski on 3 occasions
- 1992/93 – Australian Championships – Finalist Open Single Ski Relay
- 1998/99 - Australian Masters Championships - Bronze medal 35-39 years Single Ski
- 2006/07 - Senior State Championships – Bronze medal Single ski, Bronze medal double ski
- 2013/2014 – Masters State Championships – Six Gold medals from 6 events.
- 2016/2017 – Australian Masters Championships – Finalist in all 5 events entered with a best place of 5^{th}.
- State Team Member – Interstate Carnival, Tri-State (Vic., Tas., SA.)

Other Activities

David was instrumental in the success of the ski area during the 1990's where Henley members dominated the ski area in South Australia, constantly winning the state surf ski overall point score and trophy. In the 1980's as a qualified instructor, David also instructed and trained several SRC, Bronze and ARC squads. Using his skills and expertise, David has voluntarily provided coaching leadership, support, advice and quality training programs to many club members and squads. These groups include the ski squad and various boat crews, in particular the Henley Strikers in the lead up to their notable Under 23 silver medal winning performance at the 2015 Australian Surf Life Saving Championships.

Congratulations David.

Life Member induction

Jamie D Butterfield

Congratulation to Jamie on his Life Membership of Henley SLSC, awarded in August 2017.

Jamie Butterfield joined Henley SLSC in 1984 after encouragement from his friends at the Henley Football club. Jamie gained his bronze medallion in 1994 under trainer, Gary Davis and has been an active member since then, a total of 33 years.

Patrolling and surf boat rowing quickly became his summer sport. He began rowing in his first season and also patrolled at sister club Chiton Rocks SLSC with other Henley members, to gain some valuable surf experience.

In his second season he was gear steward and without much direction, managed to make a steel flag pole that was mounted at the top of the club house. He also made bench seats and hangers for the change rooms and made basic repairs around the club. He attended club working bees that were sometimes more like renovations of the old clubhouse.

In 1986 he gained his instructors certificate with Mark Shuttleworth, taking through 8 bronze trainees. Four of these trainees are still members today, with two going on to be life members of the club.

In 1987 Jamie was very active in patrols completing his advanced resuscitation. After this is was appointed to Vice-Captain and Patrol Captain in the first three years of his membership.

Jamie was an active social committee member assisting with events in the Top Room and Club Hall during the 80s, including the infamous Taco & Tequila night, Hawaiian cocktail night and Togo parties.

In 1988 Jamie was appointed to Club Captain and was rowing his first season of open division surf boats. He also received his Training Officers Certificate in this year.

From 1989 to 1992 Jamie was on the Management committee and reached 200 patrol hours.

Jamie, better known as 'Buttsy', was thriving in surf club life, traveling to surf carnivals in SA and experiencing the Australian Championships in many other states. Surf club life was something very special to him and surf boat competition was definitely becoming his passion, along with his partner Linda and three children that had also joined the club. He began training as an Age Group Leader for the Henley Juniors.

In 2007, he rowed in the very first Big Row crew and became Surf Boat Captain. That year he won the James Doherty trophy as most enthusiastic in the boat area.

With the support of other senior members, the boat panel planned to overhaul the surfboat area with a written strategic plan. This meant the introduction of a formal structure of crew selection, planned professional fitness programs, skills coaching and recruiting that accumulated in five ASRLSA State Premierships and the start of the most successful era of competition in the club's surfboat history. The club had crews in all divisions, won many medals and were competing interstate regularly.

While coaching nippers as an Age Group Leader, he identified the junior club had many young athletes moving up to seniors that would enjoy the team sport of rowing. Jamie completed his Level one sweeping certificate & later his level two Surf Coach Accreditation.

In 2006, he began to encourage female junior rowers to put crews together and coached the first under 23 women's crew to row for Henley SLSC in competition. A core group of rowers that began with a goal of winning an Australian Medal achieved that dream in 2015, winning South Australia's first ever Australian Surf Life Saving Championship under 23 Women's Silver medal.

Awards gained

- Bronze Medallion
- Advanced Resuscitation
- ATV Operator Certificate
- IRB Crew Certificate
- Silver Medallion IRB Driver
- Boat Sweep Accreditation
- Surf Coach Level 1
- Development Coach Surf boat
- Training Officer Bronze Medallion

Club Awards

- 2005/06 - James Doherty Award 2007 - HSLSC Presidents Trophy
- 2008/09 - Club Member of the year
- 2008/09 - Most Enthusiastic Competitor Boat Area
- 2008/09 - Most Outstanding Competitor

SLSSA Awards

- 15 and 20-year National Patrol Service Award
- 2011/12 - ASRLSA Novice Sweep of the Year
- 2013/14 - Australian Surf Rowers League SA Presidents Trophy
- 2014/15 - ASRLSA Sweep of the Year

Patrols

- Total patrol hours - 850
- Patrol captain various seasons
- Patrol Vice-captain various seasons

Positions held

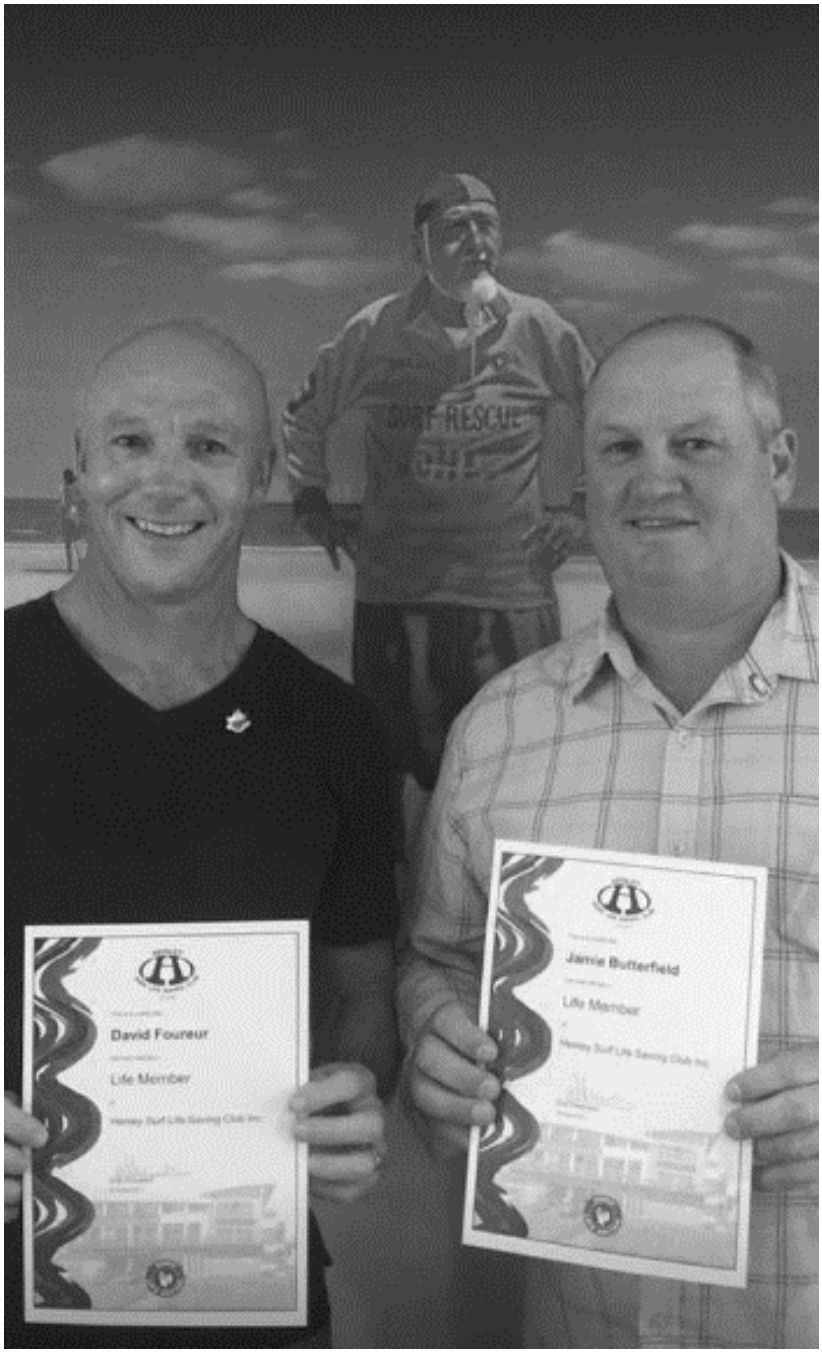
- 1986 - Gear Stewart
- 1987/88, 88/89 & 89/90 - Social Committee
- 1988/89 - Club Captain
- 1989/90 & 1991/92 - Management committee
- 2006/07 to 2016/17 - Juniors Age Group leader
- 2006/07 to 2014/15 - Big Row committee
- 2006/7 to 2014/15 - Beach committee
- 2006/07 to 2014/15 - ASRLSA Representative
- 2006/07 to 2014/15 - Surfboat Captain
- 2009/10, 10/11, 11/12 & 12/13 - ASRLSA Youth Development Committee

Competition

- 7 Senior State Titles Bronze medals
- 13 Senior State Titles Silver medals
- 14 Senior State Title Gold Medals
- 1 Australian Open Surf League Bronze U23 Women's state competition medal
- 1 Australian Titles U23 women Silver Medal

Other Activities

- Rowed or swept in every Big Row from 2007 to 2016
- In 2007/08 & 2009/10 he coordinated & sourced storage & logistics for the yellow & white pages deliveries of over 20,000 books by club members resulting in valuable income.



Boat Naming Ceremony

On Sunday the 14th January 2018, the new surf boat was named in honour of life member and all-round Henley legend, Barrie (Bazza) Cole.

Barrie has been a long-time member of Henley SLSC and is one of our most well-known and beloved members.

Barrie's family and friends, including wife Irene and daughter Maddie were in attendance and are very proud of their husband and father.

Barrie and some of his old rowing mates, had the honour of taking her out on her first official row as the 'Bazza'.

A big Henley congratulations to Barrie and long may 'Bazza' row the seas.

Births, Deaths & Marriages

Births

Becca Woods and Jack Strudwicke welcomed Victoria Rose on the 19th September 2017

Chef, Jason Olivier and his wife Chelsea welcomed McKenzie Rose on the 30th October 2017

Chelsea and Lloyd Damp welcomed Layla Adelaide on the 19th December 2017

Cecilia and Steve Low welcomed Lucy Owens on 19th February 2018

Tara and Matt Clarke welcomed Leo Anthony on the 13th March 2018

Julianne Schliebs and Craig Cotter welcomed Liam James on the 7th May 2018

Births, Deaths & Marriages

Deaths

Andrew 'Reg' Lindsay

Reg passed away on the 4th November 2017 after a short battle with illness.
Reg was greatly involved in the club in the early to late 2000s along with his wife Jo and two sons, Matt and Josh.
Reg was a popular club member and held the position of IRB Captain for several years.
RIP Reg.

Kevin Renfrey

Kevin passed away on the 22nd December 2017 after suffering a heart attack.
He obtained his bronze medallion during the 1963 – 64 season, and being an excellent swimmer immediately became a part of the junior R & R team. That team was undefeated and went on to win the State Title.
As a senior he then became a member of the senior R & R which had success for many years afterwards.
In later years Kevin has played an essential part in each of the "Big Rows", where-by the club has raised over $500,000. Kevin provided support to the event by using his boat as a safety vessel on the crossing. The club is indebted to Kevin for his assistance. He will be sadly be missed by all past and present members. RIP Kev.

Graham Battersby

Graham, a former member of Henley SLSC passed away on 17th August 2017.
RIP Graham

Joyce Tucker

Joyce was the wife of Life Member Frank Tucker. Joyce passed away on the 25th December 2017

Raymond Keam

Ray a former member passed away on the 6th April 2018. Ray earned his Surf Bronze in 1958 and was a stalwart among the membership. He joined a junior training group under Merv Butterfield and was successful in picking up a bronze in state competition. He was a member of the club's junior R&R team that travelled by train to Merewether, NSW in 1960. His team companions were Trevor Mulvihill, Trevor Ewens, Graham Griffiths, John Beugelaar, and Don Buller. He played his part in keeping life saving members together by his regular attendance, aimed at keeping the movement alive regardless of age or club at regular monthly get togethers That effort earned him sincere respect from our senior members and at least three life members and a member of the1960 Merewether team.
