The West Beach Community Bank branch of the Bendigo Bank has been a sponsor of the Henley SLSC for over 15 years and have contributed over \$75K to our club.

Board member Andrew 'Fazz' Farran participated in every crossing of The Big Row.

We have so much to thank the West Beach Community Bank for, as their support helped the club build the new building we all enjoy today.

Did you know that not only does this branch give you great access to award-winning financial products and services, all profits are returned back into our local community, which means many local non-for-profit organisations have benefited from the hard working and generous team, located at the branch office on Burbridge Road, West Beach.

With interest rates changing, if you are looking to refinance your mortgage or are looking for a new loan, we highly recommend you go in and have a friendly chat with **Matt Tscharke** or **Frank Abados**. Let them know you are a Henley SLSC member. We'd love to see our club members supporting the businesses that support us.

Here is their hard-working Board celebrating their generous contribution towards our new ATV, a critical lifesaving asset that was delivered at the start of this season.

Neale Clarke a Henley SLSC Past Member posted this on Facebook recently.
"Found my grandfather's bronze medallion from 1926. He was a foundation member of Henly and reputedly the first man to swim topless on an Adelaide Beach."

A legend came to our club last week, apparently the lady is also well known!

Only kidding...Dawn Fraser called in and donated 2 tickets to the Australian Swimming Championships. Thankyou Dawn
