FAQs

First Club Training Date? Saturday 21 October, 2023 1:00pm and runs through to March/April 2024

Come & Try Members? You now have 2 weeks to come out to the Club and try Junior training U8-U18. When your two-week period is coming to a close, you will be sent an email reminding you that your Come & Try is about to expire and to continue at the Club, you will need to register for a season membership.

Are there more fees to participate in competitions? Henley cover all regional competition fees for each full member U8-U18 wishing to compete and represent the Club (capped to three carnival events excl. State and National events)

Uniform requirements? There are minimum compulsory requirements for training days that comply with watersafety and Club expectations. Whilst in competition, we expect all members to proudly showcase our colours and logos as representatives of our team through current season Club swimwear uniform.

Family packs rules? Limits only 1 adult over 18 per pack, all members must be from the same family and the membership is to be paid in a single transaction.

Parental sign ups? Any member under the age of 14 must be registered with a parental registration (eg. Social membership). For clarity, and as an example, if you are registering a Junior U8 the fee for the 23/24 season would be \$160.00 for the Junior member + \$80.00 for the Social member (parent) = \$240.00

Can I use my government Sports Voucher? Yes, if you have a valid Sport Voucher for the calendar year 2023 that has not been used for any other sport, you may elect to apply it to your child's registration. Before starting any registration, complete this form the [SPORT VOUCHER FROM](#) and email it to membership@henleyslsc.com.au. Simply deduct the 100.00 value of the voucher at check out and once your membership is approved the Club will validate your voucher to your membership.

Snipper Program fees? As a valued part of Team Henley - the snipper program has its own category selection with a \$45.00 per child cost for the 2023/24 season. Please note of the compulsory Parental sign up as a minimum Social level membership of \$80.00.

Certification course fees? Award courses and certifications are highly recommended to all members not only for your own personal development but also to grow Team Henley - all courses have been standardised at a flat fee of \$50.00 for the 2023/24 season. If you are considering an SLS award this season, please add-on the relevant course fee upon registering this season. Still unsure? You are always welcome to upgrade your membership throughout the season via your member profile on SLISA.

As part of Junior development, SRC and Bronze Award courses are compulsory for U13s and U15+ respectively. Please include the relevant course fee in your Junior registration at sign up.
