PRESIDENT'S FOREWORD

Hello members,

I would be lying if I said the past year has been a joy to be President of this amazing club. But it certainly has taught me a few lessons and once again proven to me how many great club members we have who put up the hands to help in all aspects of the club. Our FAMILY First values as a community club have been proven over and over.

Of course, the closure of the commercial aspect of the club – and the subsequent huge financial loss this caused – is front and centre of my mind and this report. As you'll discover in the financial statements, we suffered greatly.

I have been open about how this happened and won't outline it in detail in my report. Our commercial offering was not profitable, and like many hospitality venues suffered from increased costs but has no subsequent increase in prices or reduction in labour. Unlike other venues, ours was overseen by volunteers which means there is a lag in information. This was exacerbated by no managerial P&L statements being filed.

In May, with less than two week's wages in the bank, the BoM made the courageous decision – I would say a decision a long time coming – to close the commercial aspect of the club. Since then, we have worked toward a solution that will see Henley rebound and be the jewel it has always been on the coast. We are seeking a professional partner to offer a new vision for the restaurant and bar. More will be reported as it happens.

New community initiatives include getting OSH kids down for a come and try, having little kid AusKick on the beach on Friday evenings, bringing together members on Friday nights, rallying to have our voice heard on the problem of our disappearing beach. We continued with our core sports, rebuilding the surfboats somewhat, getting more people involved in pool rescue, having a fun and competitive club championships... the list goes on and I would like to thank all the volunteers who have given their all to the club, and especially my tireless Board of Management.

Looking forward, my focus will be on these four facets: Membership, Club Spirit, Finances and the Commercial aspects of the club.

For Membership we have a working group looking to increase all membership categories with new offers and ideas – 1000 members for our Henley 100. Finances are a constant battle, but please understand that the proposed restaurant sub-lease is not going to solve it. We need sustained fundraising, sponsorships and grants to grow the club.

On Club Spirit, there isn't too many hard yards to conquer. I attended a City of Charles Sturt club workshop and came away proud that we are in a really great position thanks to the years of work done by club leaders up to this point. Our values and mission are clear: we are a family club working for and with each other to achieve our goal of keeping the public safe on our beach. We do this by developing surf life savers from Nippers to seniors.

To wrap up. We are in a position to rebuild and be stronger as we head into our centenary, but we need all club members to put their hands up and help. Please don't wait to be asked. Just start.

Yours in surf

Jim Plouffe

VICE PRESIDENT REPORT

As the Vice President of Henley Beach Surf Life Saving Club, I am pleased to present the annual report for the season 2022 - 2023. In this report, I will provide an overview of the club's maintenance activities, the decision to close the restaurant due to poor revenue, and our future plans. It is important to acknowledge the challenges faced and communicate transparently about the club's performance.

CLUB MAINTENANCE

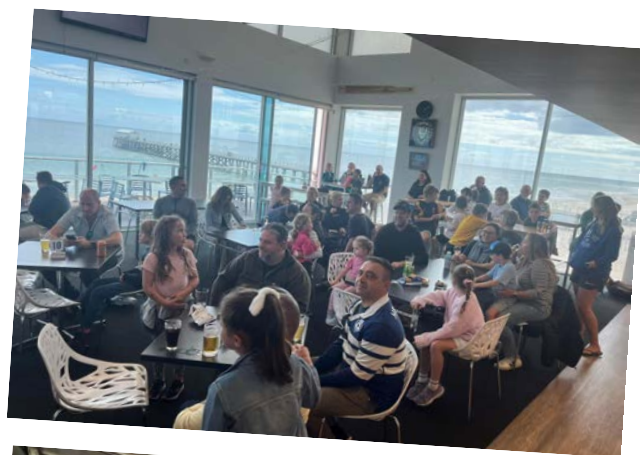

Maintenance is a crucial aspect of ensuring the safety and functionality of our club's facilities. Throughout the year, our dedicated maintenance team worked diligently to uphold the high standards of our premises. Key maintenance activities included:

Building Maintenance: Regular inspections and necessary repairs were conducted to address any structural issues or damages to the club building. These efforts ensured a safe and comfortable environment for our members and visitors.

CLOSURE OF THE RESTURANT

Regrettably, after careful evaluation of the financial performance, the decision was made to close the club's restaurant due to poor revenue. Despite efforts to enhance the menu, improve operations, and attract customers, the restaurant faced significant financial challenges. Factors such as increased competition, changing customer preferences, and economic conditions contributed to this decision.

While the closure of the restaurant is disheartening, it is necessary to ensure the club's overall financial sustainability. By redirecting our resources and focusing on alternative revenue streams, we can continue providing a fulfilling experience for our members and invest in our core mission of lifesaving.

FUTURE PLANS

Although the closure of the restaurant poses challenges, we are actively exploring new opportunities to enhance the club's offerings and generate revenue. Some of our future plans include:

Community Engagement: We will prioritise strengthening our ties with the local community by organizing events, outreach programs, and collaborations with other organisations. These efforts will not only promote our lifesaving mission but also create opportunities for financial support.

Fundraising Initiatives: We will launch targeted fundraising campaigns to secure additional funds for club maintenance, equipment upgrades, and training programs. We will seek support from corporate sponsors, community grants, and individual donors who share our commitment to beach safety.

Facility Optimisation: With the closure of the restaurant, we will assess the potential for repurposing the space to better serve our members and visitors. This may include creating multifunctional areas for social gatherings, training sessions, and events, or exploring partnerships with local businesses to offer alternative amenities.

As the Vice President of Henley Beach Surf Life Saving Club, I acknowledge the challenges faced during the year, including the difficult decision to close the restaurant due to poor revenue. However, we remain steadfast in our commitment to maintaining the club's facilities, providing exceptional lifesaving services, and fostering a strong sense of community.

Moving forward, we will adapt to the changing circumstances, explore new opportunities, and work collaboratively to ensure the club's success. I extend my gratitude to our members, volunteers, and staff for their unwavering support and dedication.

Thank you for your trust in our leadership, and I look forward to the continued growth and success of Henley Beach Surf Life Saving Club.

Sincerely

Lennie Hitch

Vice President

CLUB CAPTAIN REPORT

Congratulations to all our patrolling members for another successful and safe season.

During the season we patrolled for 4358 hours, which was 422 hours more than last season. This includes patrol hours and water cover hours. At the start of the season we had to merge a couple of patrol teams, due to low numbers. This meant that all teams had to do at least 6 patrols during the season.

I would like to thank the Operations Committee for their work and support during the season. A special mention to Beck Forest, who unofficially took on the role of Lifesaving Services Manager. Beck was a great help in keeping the patrol hours up to date and looking after many things to do with patrols. It was a huge help to me.

Nigel Tunbridge	Junior Operations Manager
Roy Menner	Chief Instructor
Sue Mitchell	Community and Diversity Officer
Lenni Hitch	Youth Advisor
Beck Forest	Life Saving Services Manager

At the time of writing, we are purchasing some more lifesaving and training equipment using grants that the club has obtained. These include CPR manikins and a water rescue manikin which will be used for IRB training. Also, some equipment for pool rescue training is on its way.

A huge thankyou to all our members that volunteer their time to do patrols, water safety, sit on committees and help in any way possible. Your help and dedication is invaluable. Without you, this club could not exist. Keep up the great work. We need more patrolling members. If you have any friends out there that want to become part of the lifesaving movement, get them down to the club and into a Bronze Course! If you have your Bronze Medallion, and aren't on a patrol team, please get in touch and we will put you on a team.

This is my last season as Club Captain. The last 4 years have had their ups and downs, especially with COVID hitting us, but it is a role which I have been honoured to have. Beck Forest has nominated for the role of Club Captain for the next two seasons. I'm sure Beck will get voted in at the AGM and I trust that we all give her the support that she needs to succeed in the role. Jen Frisby-Smith has put her hand up for the role of Lifesaving Services Manager. The Lifesaving side of the club will be in good hands.

Cheers

Chris Fuller

CHIEF INSTRUCTOR REPORT

As always, a big thankyou to the everybody who helps with training. Considering the barriers that came with the COVID pandemic we have done well to process this number of new awards.

The Advanced Resuscitation Award was updated in 2021, so no training was provided while this update took place.

It is always important to remember that just like all of our lifesavers, every trainer gives their time freely. We desperately need new trainers.

JUNIOR OPERATIONS MANAGER REPORT

Henley Juniors season 2022/23 saw a return to normal after the last couple of seasons were complicated by the COVID-19 pandemic. A new Junior Committee took the reins and went about building on the foundation developed over recent seasons.

We were fortunate to have the support of the previous committee members (as well as so many others around the Club) to call on as we navigated the specifics of preparing for the season, getting it underway, and maintaining momentum through to the State Championships and Junior Presentation Day.

Our Junior Committee for season 22/23

Nigel Tunbridge	Junior Operations Manager
Marissa Gentilcore	Junior Secretary
Paul Maidment	Water Cover Coordinator
Connor Holems	Junior Competition Coordinator
Felicity Cory	Junior Membership Officer
Felicity Cory	Junior Compliance Office
Nigel Tunbridge	Junior Training Coordinator
Committee	Fundraising
Position Vacant	Financial & Sponsorship Coordinator

SLSSA CHAMPION CLUB – JUNIORS

At the commencement of the season SLSSA announced a new formula for determining Junior Champion Club which has historically been determined based on competition performance alone.

The idea behind this was to level the playing field and for clubs to be measured on five pillars of excellence, each having equal weight except in the case of a tie where membership retention determines ranking.

The five pillars are:

- Membership Retention
- Carnival Participation
- Sport Performance
- Nipper Program (Nipper proficiencies and Surf Ed, and AGM & volunteer accreditations)
- Sport Participation Environment (attendance and behaviour at carnivals)

Overall our ranking was 14th place which didn't meet our expectations though it was pleasing to have ranked in the top 3 for carnival participation with excellent marks for carnival attendance and behaviour.

We do acknowledge the mechanism for finalising scores where clubs are tied within a pillar disadvantaged us this season but we feel that is something we can control going forward, and we accept there were some areas that with a little more attention will see us finish much higher up the rankings next season. We look forward to this challenge.

AGE GROUP MANAGEMENT

Our nippers continued to thrive throughout the season with the wonderful guidance, encouragement, and support of our age group managers and age team managers.

All of our participating nippers attained their respective Surf Ed awards with our U13 group completing the requirements for their SRC awards.

Age Group	Age Group Manager/ Team Managers
U6	Amelia Davis, Sofia Stravs
U7	Rick Daley, Kristin Tunbridge, Greg Fletcher, Rachel Henning
U8	Sam Cook, Jen Frisby-Smith, Caroline Simpson-Purkiss, Tara Clarke
U9	Frank Primerano, Justin Spence, Hannah Knoll
U10	Emma Duncan, Kerri Reed, Melissa Birmingham, Leanne Cornell-March
U11	Justin Bishop, Edwina Bennett, Blake Newman, Zoe Bishop
U12	Ben Yolland, Aaron Hicks, Crystal Harris
U13	Glen Duncan, Justin Bishop, Blake Newman, Zoe Bishop

MID-WEEK TRAINING

This season we again offered regular mid-week training sessions for our Juniors to develop their skills. These sessions were led by Andy Bray (competition boards on Mondays), Lindy Lewis (sprints/flags on Wednesday's) and Becca Woods (Competition Iron on Friday's). Mark Stewart again hosted beginner board training session on Saturdays prior to our Juniors training.

In addition, mid-week swimming sessions continue to operate year-round each Tuesday and Thursday at Seaton Swimming Centre. We thank our midweek swim coaches, Neville Fielder, Justin Bishop, and Aaron Hicks (with Bridie Hicks and Caroline Newman when required). We thank Neville and Seaton Swimming Centre for their passion and support.

We especially thank Justin and Aaron who have both decided to step aside as the mid-week swim coaches having volunteered their time for several seasons. We continue to encourage all our nippers to keep up their physical training and remind all members of the learning opportunities in the SLSA member area.

JUNIOR CARNIVALS

Carnivals continue to be a wonderful way for our nippers and parents to bond together and for the nippers to put their competitive training into practice and support each other and the Henley SLSC team.

This season saw the continuation of the Branch Carnival concept for the second year running. The 'Northern Branch' carnival was held in November at Grange beach involving the 5 clubs from West Beach through to North Haven.

Junior Carnivals in Adelaide were held at Somerton in December and Glenelg in January. The regional junior carnival in February was to be held at Port Elliot however, the flood water through the Murray had reached the sea leaving Port Elliot unsuitable and instead the carnival was relocated to Normanville.

The weekend certainly didn't disappoint; a large contingent of Henley Juniors made the most of the weekend, heading down to Normanville for a club dinner at the Yankalilla pub Friday evening, all-in training session and BBQ lunch on Saturday before the Junior Carnival on Sunday under sunny skies.

STATE CHAMPIONSHIPS 22/23

This season State Champs was split over three days which included a change to the usual event scheduling for day 1 to try and improve scheduling for the final two days. Day 1 of States was held at Semaphore while days 2 & 3 were held at Port Noarlunga.

The three divisions for competition continued this season enabling the Juniors to compete against nippers of similar skill levels. Many of our nippers were rewarded for their efforts, winning medals across all divisions in individual and team events.

The Henley SLSC spirit was on display throughout and we congratulate all Henley Juniors that competed across the States weekends. We couldn't be prouder of your efforts. It was also a mammoth effort to ensure that the volunteer requirements for Age Group Managers, Water Cover and IRB, Officials, and Work Party were filled across the States weekends. We appreciate the time and effort of all parents in taking on a role – thank you.

The Henley Juniors States tops are always worn with pride by our Juniors competing and this season was made possible thanks to the generous sponsorship of AAA Exhausts, Blue Lake Refrigeration and Transport, Duncan Constructions, JCA Lift Consultants and Prospect Motor Co.

FUNDRAISING SUCCESS

The Nipper BBQ is the heart of Henley Juniors. It feeds our hungry Juniors after Saturday training sessions and serves as a fundraiser for the junior club to invest in our nipper program. Monique McKenzie took on coordinating the BBQ throughout the season and her work to ensure the BBQ was up and running each week was amazing and greatly appreciated.

We also recognise the BBQ assistance from Liz Smart and the many parents and HET gang that took their turn doing the cooking, prep and selling, and the clean up. The BBQ was sponsored each week by Barossa Fine Foods, Henley Foodland and Blue Lake Refrigeration and Transport, thank you for your kind and generous support.

The People's Choice Community Lottery was our other major fundraiser this season. It was an initiative that allowed us to take some of the administrative effort away and we were delighted to see the support of our members and community in raising \$4,610, which will be used to support the Nippers program.

The junior trailer is in good working condition, having been refurbished a couple of seasons ago by AAA Exhausts who generously donated parts and labour for the work, however, it needs to be spruced up. We hope to hear from our members and sponsors who can either assist with the work or would like to have their business promoted on the trailer.

Fundraising also saw us acquire 4 x 50kg fibreglass nipper boards to complement the existing fleet and have been made available for the nippers to use at both training and carnivals. It is essential that we continue to maintain our fleet of equipment for future nipper generations.

Age Group	Female Age Champion	Male Age Champion	Coaches Award	Team Person Award
Under 8	1st - Penny Kelly 2nd - Olivia Lloyd 3rd - Audrey Church	1st - James Simpson-Purkiss 2nd - Daniel Johnson 3rd - Lucas Wilson	Austin Flint	Sophie Poczman

JUNIOR AWARDS 22/23

The Juniors Presentation Day was a great day for all Juniors and families and a chance to celebrate the season that was. We continued the format to award 1st, 2nd and 3rd for both female and male Club Champions as well as a Coaches Award and Team Person Award for each Age Group. Congratulations to all.

For season 22/23, our Henley Nipper of the Year recipients from U13 were: Abbi Davidson and Harry Foureur.

Our overall Junior Female Club Champion was Rebel Duncan (U10) with the overall Junior Male Club Champions being Matthew Yolland (U12) and Jett Newman (U11).

This season a new award was introduced by the U13 age group with a new perpetual trophy donated by the U13 age group as well. After considering their last year of nippers and what their legacy could be, the U13s decided that an award should be given to recognise the Nipper age group that has most consistently exhibited the Henley FIRST values for the season. The U13 Nipper group were the inaugural winners. We encourage all members to check out the trophy at the club

THANK YOU

Surf Life Saving is heavily dependent on parent involvement – it obviously starts with our Nipper Mum's, Dad's and Carer's getting our nippers to the beach and to carnivals throughout the season so we thank you for your support. We are so fortunate that so many of our parents are willing to give their time each week at training, at Carnivals, as Committee Members, Sponsors, Age Group Managers, Team Managers, mid-week Coaches, Water Cover and IRB drivers, Officials, Photographers, Work Party members, BBQ duties, packing up the beach and rinsing nipper boards and selling uniforms in the Kiosk amongst many other things.

Thank you to all that have volunteered throughout the season. As a Club, we have such an amazing group of Juniors that each week showed dedication and support to their peers and we are immensely proud of each and every one of them for their season achievements.

We also want to congratulate everyone that has attained a new SLSA award this season from SRC to Bronze and Silver Medallions, in particular we congratulate the 'Bronze ladies' that questioned whether it could be done then got together, trained and earned their awards – we thank you for your inspiration and we look forward to next season's cohort.

We give huge thanks to Roy Menner for his support to the Junior programs and initiatives, organising the Barefoot Bar each Saturday, and general enthusiasm, in addition to his role as Chief Instructor.

Our sincerest thanks to Club President and Vice President Jim Plouffe and Lennie Hitch and Club Secretary Rachel Mews for their guidance and support as well as the previous season's Junior Operations Management Team who gave us the navigational tools to prepare for and work through the season.

Planning for Season 23/24 is underway and it promises to be a season of excitement and fun and we look forward to seeing all our Nippers back on the beach together in October.

Go Henley!

Nigel Tunbridge

Junior Operations Manager

On behalf of the Henley Surf Life Saving
Club Junior Committee 22/23

GYM COORDINATOR REPORT

The end of COVID restrictions opened up the gym area for members to have full access to the gym area with the best ocean views in the state.

Bronzies in training also had access to assist in their strength development for their assessment.

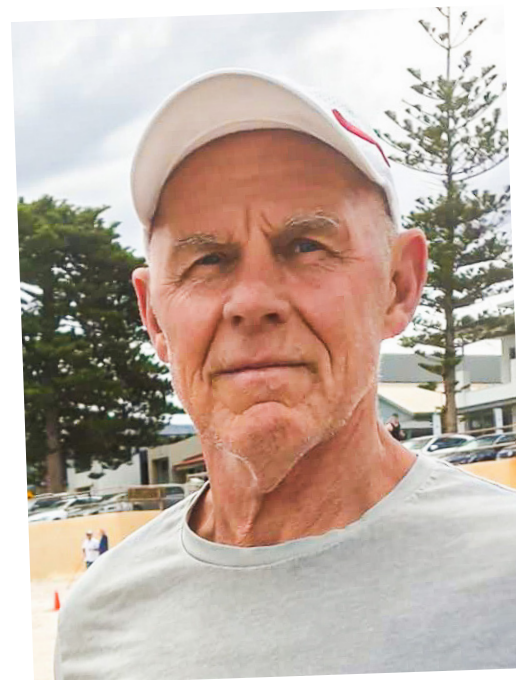

The long time boxing fitness classes continued with steady numbers of members working out every Saturday morning on the ramp/decking area in serious training. Actually there is some dispute whether the sessions are 60% physical/40% social or vice versa!

"Henley Dippers" group of morning swim/coffee catch up enthusiasts continues every Monday and Friday morning at 6am including the challenge of winter cold immersions. A highlight includes the winter solstice when the numbers increase by at least double.

Since the end of season there has been a social rowing group which is an introduction for beginners or anyone interested in trying out every Sunday weather permitting 7.30am.

Social activities included xmas breakup in the boat shed and a couple of enjoyable dining experiences (Parwana and African Village).

Any member wishing to connect with these activities should contact Gary Tredrea. This is how most of the current group got involved.

Any member wishing to connect with these activities should contact Gary Tredrea. This is how most of the current group got involved.

Gary Tredrea
Gym Coordinator

WATER COORDINATOR REPORT

WEEKLY SURF RACES

Our weekly swims were well supported again this season and undoubtedly helped to improve members swimming skills and safety in the water.

The swims, and the good weather throughout summer meant we held swims on 10 Saturdays. The average number of swimmers per week was 38 with a total of 115 different swimmers doing at least one swim.

Points were awarded each week for participation (2 points) with bonus points for the first 6 places on handicap (6 down to 1).

Congratulations to the winners of the point-scores:
Proficient members: Matthea Malcolm and Brad Gauvin
Youth members: Emma Christensen and Jamie Hitch
Junior members: Maddie Mews and Xavier Tunbridge

Xavier Tunbridge	28	Jamie Hitch	18	Archie Marshall	14	Mikaela Smart	12

MASTER STATE CHAMPIONSHIPS

Our team of 11 masters competitors put up a strong performance at the Master's State Championships at Glenelg beach, finishing seventh in the overall masters medal tally. The events contested and finishing positions for all competitors are shown in the table below:

INDIVIDUAL EVENTS

- Surf Races: 45-49: Andy Bray (2nd), 55-59: Lennie Hitch (3rd), 60-64: Andrew Lanyon (1st), Neville Fielder (2nd), Grant Turner (5th), 70-74: John Ellice-Flint (1st)
- Boards: 45-49: Andy Bray (2nd), 55-59: Lennie Hitch (6th), 60-64: Grant Turner (1st), Andrew Lanyon (2nd), 70-74: John Ellice-Flint (1st)
- Flags: 40-44: Lindy Lewis (1st)
- Iron: 45-49: Andy Bray (2nd), 55-59: Lennie Hitch (3rd), 60-64: Andrew Lanyon (1st), Grant Turner (2nd), 70-74: John Ellice-Flint (1st)
- Ski: 35-39: Tom Lanyon (3rd), 50-54: Steve Forest (9th), 55-59: Lennie Hitch (3rd), 60-64: Grant Turner (2nd), Andrew Lanyon (5th), 70-74: John Ellice-Flint (3rd)

TEAM EVENTS

- Surf Team 190+: (1st) John Ellice-Flint, Andrew Lanyon & Neville Fielder
- Board Rescue 60- 69: (1st) John Ellice-Flint & Grant Turner (2nd) Andrew Lanyon & Neville Fielder
- Double Ski 60-69: (1st) Andrew Lanyon & Grant Turner, 50-59: (3rd) Steve Forest & Scott Robinson
- Board Relay 190+: (1st) John Ellice-Flint, Andrew Lanyon & Grant Turner 130-149: (3rd) Steve Forest, Andy Bray, Tom Lanyon
- Ski Relay 190+: (2nd) John Ellice-Flint, Andrew Lanyon & Neville Fielder 150-169: (5th) Steve Forest, Scott Robinson, Simone Matteo 130-149: (3rd) Lennie Hitch, Andy Bray & Tom Lanyon
- Taplin Relay 170-189: (1st) Andrew Lanyon, Grant Turner & Scott Robinson, (2nd) John Ellice-Flint, Andy Bray & Simone Matteo, 150-169: (3rd) Neville Fielder, Steve Forest & Tom Lanyon

MASTER WORLD CHAMPIONSHIPS

A five member Henley team travelled to Riccione, Italy to represent us at the Master's World Championships. Our four regular competitors were joined by Don Marsh on transfer from Carlton Park, Tasmania to contribute in our team events. The championships were conducted in good weather conditions and good spirits among competitors, with our team recording many excellent results as summarised in the table below.

As a background to Don joining in with us, we first met him when he was representing Tasmania at the 1974 Australian Titles at Glenelg. He is a Life Member of Carlton Park, Tasmanian State Centre and Surf Life Saving Australia.

Competition began at the World Lifesaving Pool events. Many of the European clubs are land locked with these pool competitions being their specialty. To see their top competitors negotiate the obstacles and manikin carry etc is just amazing.

The following table sets out the results from the first three days of competition and clearly, our small team achieved some fabulous results. Neville with one podium finish, Don with two, Andrew with five and our amazing spiritual leader John with four gold, a silver, a bronze and a setting a new World Record to boot.

We had certainly put Henley in the spotlight and the camaraderie among the Australian and International Clubs was fantastic.

Conditions at Riccione Beach were pretty good with a small wave ensuring all races were flat out from the gun in an effort to gain the advantage of the wave at the finish.

The table sets out the results for each event.

The stand outs over the five days of competition were:

John finishing with 11 medals, six World Titles and a World Record
Don finishing with four World Titles and wishing he was a permanent Henley member
Andrew finishing with two World Titles
Neville finishing with two World Titles
Grant finishing with a World Title

Standouts from the surf competitions were:

John Ellice-Flint & Don Marsh :: Gold in the 70 - 74 years Board Rescue
Grant Turner & Neville Fielder :: Gold in the 60 - 64 years Board rescue
Don Marsh :: Gold in the 70 - 74 Surf Race
:: Gold in the 70 - 74 Ski Race
:: Gold in the 70 - 74 Ocean Man (Ironman)

John Ellice-Flint, Andrew Lanyon & :: Gold in the 170 years + Surf Teams. We first won this World Championship in 2016 at Noordwijk in Holland. Our aggregate Neville Fielder age this time was 200 and we gave away 30 years to the youngest team in the event. This time we managed to cross the finish line in first, second and third places which is a very rare achievement.

We had a great time, some wonderful experiences and made plenty of new friends from around the world. Our unique competition cap is now well known and respected worldwide.

The next World Championships will be held on the Gold Coast, Queensland in August 2024 and we hope to have a much larger team flying the flag at Youth, Senior and Masters levels.

As a footnote; we all complain about how our carnivals are conducted, but our officials are much more efficient than the Italians!!

Andrew Lanyon

Water Coordinator

YOUTH COORDINATOR REPORT

Season 2022/2023 has again proven that the retention of the Youth aged members continues to be an ongoing struggle for the Henley Surf Life Saving Club.

The Surf Life Saving Youth Program aims to empower and develop young individuals with the necessary skills and knowledge to lead and make a positive impact within the Henley surf life saving community.

As part of the Youth leadership development, we organized and successfully executed the Chiton Rocks Camp, which involved 30 participants.

The camp aimed to provide an immersive and educational experience centered around surf life saving principles and life skills, at Chiton Rocks, Goolwa & Port Elliot. Participants got a first hand look at what happens when Rescue, Rescue, Rescue is called over a surf radio, with two surfers been washed out to sea at the Murray Mouth, who had to be returned to shore with the aid of a Surf Life Saving Jet Ski. You just never know when the Surf Life Saving skills you learn each season, may be called upon to save a life.

We continued our Saturday sessions, which with the assistance of Rachel & Michelle the aim was to provide a fun environment for our HET members to practice their old skills and learn some new ones.

One session the Police boat was close enough to the shore for all the Youth to swim out to and undertake a tour of this impressive water craft, during its patrol of the metropolitan coast. Thanks to Glen McKenzie for making this possible.

The Youth continued to provide assistance & coaching to the nippers during the season, as well as the odd stint on the Nipper BBQ.

Four Youth members received their Surf Rescue Certificate and another 4 achieved their Bronze Medallion during the season, who then went on to active patrols.

There was an improved participation by the Youth at the mid week training sessions run by Andy Bray & Becca Woods. Congratulations our Youth member's who won medals at Surf States & Pool Rescue.

Four Youth members received their Surf Rescue Certificate and another 4 achieved their Bronze Medallion during the season, who then went on to active patrols.

There was an improved participation by the Youth at the mid week training sessions run by Andy Bray & Becca Woods. Congratulations our Youth member's who won medals at Surf States & Pool Rescue.

There was good participation by the Youth in the Henley Club Champs, with Gold, Silver & Bronze medals up for grabs across multiple age groups. Plus the much coveted Henley Cup awarded to the best Iron Person Relay team at the Club, and bragging rights for the next 12 months.

I would like to sincerely thank all camp chaperones, parents & water cover volunteers, for their time and efforts during the season because without you this club doesn't exist.

Finally to the Youth that have been on this journey with me, since Jamie joined the club as an U6 Nipper, its been a massive honor to watch you develop into independent & community minded young adults.

Hope to see you around the Club in the future

Lennie Hitch

FINANCE MANAGERS REPORT

My first year as Finance Manager of the Henley SLSC has been quite the ride. As a parent involved with the Nipper program, it was an opportunity to lend my skills to Club administration in addition to water cover on weekends. I was curious to look under the hood and see how the Club was going.

During the first months, outgoing Treasurer Sue Mitchel was very generous with her time explaining how the Club finances were run and handing over club files and information. Sue had admirably managed the Club's finances through the disruptive COVID years and had done almost the entirety of the Club's grants, sponsorships, bookwork and accounting herself, an enormous task. I can't forget Sue's words during our last hand over meeting 'you will do things differently'.

Early on in the role, it was obvious that the Club required a professional bookkeeping and accounting service. The Club's accounts involve a high volume of transactions related to members activities in addition to the restaurant's business operations that include a debt to the ATO and submission of quarterly BAS. A brief was developed, and three firms submitted for the role, which resulted in Perks being selected to provide the service from 1 April 2023 to June 2024. The engagement of a bookkeeping and accounting service has been an important step in ensuring the Club's finances are presented with a standardised set of statements.

It also became obvious over the summer that the Club's restaurant was not generating revenue at the same rate that the Club had enjoyed during the years before COVID. With the assistance of the Commercial Committee headed by Grantley White and assisted by Norm Collins of West Beach SLSC.

There were prolonged attempts to improve patronage, develop efficiencies in the business and improve management reporting. When it became clear the restaurant had a limited period of time that it could continue to pay staff wages, the Board of Management was informed, and the difficult decision was made to close the restaurant and stand down the staff with entitlements. With significant debts owing to food and beverage suppliers, the underperforming restaurant was a serious challenge to the financial viability of the Club as a going concern.

The latter part of the financial year became an exercise in damage control and planning the Club's financial recovery. A dedicated group of Club volunteers lead by Club President and Vice President hosted a number of members functions and ticketed events at the Club, providing vital funds to assist the Club with its winter operating costs.

Surf Life Saving South Australia were extremely helpful with the provision of a 2-year loan on generous repayment terms to repay the restaurants debts to food and beverage suppliers. Whilst the Kanini Foundation have kindly accepted the Club's request to forgo a distribution during FY24, instead directing those funds toward the interest and principal of the Club's 20-year loan.

Recently the Commercial Committee have called for expressions of interest and subsequently interviewed 5 experienced restaurateurs to run the Club's restaurant and bar in partnership with the Club. The Commercial Committee have ensured there is always space for Club members by excluding the Club training room and the Barefoot Bar from the sub-lease. The sub-lease of the restaurant will guarantee the restaurant creates a revenue stream for the Club that covers the building operating costs. It also ensures that the restaurant will be a destination dining and socialising venue for Club members and the public alike and provide additional Club revenue opportunities such as Social Memberships and apparel sales. Special mention must go to Brad Gauvin for his work coordinating the drafting of the sub-lease with pro-bono legal assistance.

It is disappointing to report that the Club ended the year with a loss of \$245,940 during my first year in the role of Finance Manager. However, during this first year I have been open and transparent with the Board of Management and the Commercial Committee regarding the Club's financial operations, and we have faced these challenges together.

It is extremely gratifying to see a core group of Club members volunteer their time, effort and intellect to collaborate and reset the future vision for the Club. I would like to especially thank Jim, Lennie and the Board of Management and the members of the Commercial Committee for their patience and support during my first year in this role.

Sincerely

Adrian Marshall

Notes to the Financial Statements

For the Year Ended 30 June 2023

The financial report covers Henley Surf Life Saving Club Inc (the "Club") as an individual entity. Henley Surf Life Saving Club Inc is a not-for-profit Association, registered and domiciled in Australia.

The financial statements were authorised for issue on the 24th day of August
2023.

1 Summary of Significant Accounting Policies

The board of management have prepared the financial statements on the basis that Henley Surf Life Saving Club Inc ("the Club") is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*. The Club is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Australian Charities and Not-for-profits Commission Act 2012* and the significant accounting policies disclosed below, which the board of management have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

Statement of Compliance

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Australian Charities and Not-for-profits Commission Act 2012*, the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101 *Presentation of Financial Statements*, AASB 107 *Cash Flow Statements*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors*, AASB 1031 *Materiality* and AASB 1054 *Australian Additional Disclosures*. The Club has not complied in full with AASB 16 *Leases* in respect of the lease of the Club's premises and AASB 15 *Revenue from contracts with customers* in respect of membership fees that are recognised when invoiced and not over the membership period.

Basis of Preparation

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The amounts presented in the financial statements have been rounded to the nearest dollar.

Notes to the Financial Statements

For the Year Ended 30 June 2023

(a) Going concern

The financial report has been prepared on a going concern basis, which contemplates continuity of normal business activities and realisation of assets and settlement of liabilities in the ordinary course of business.

The Club incurred a loss for the financial year ended 30 June 2023 of \$245,940 (2022: \$172,162) and has a net current liability position as at that date of \$80,447 (2022: \$24,397).

Notwithstanding the loss for the year and net current liability position at 30 June 2023, the board of management is of the opinion that the Club can continue to operate as a going concern after giving due consideration to the following:

1) On 31 July 2023 the Club entered into a loan agreement with Surf Life Saving South Australia Inc for \$50,000 to assist in the payment of existing creditors. The loan is subject to interest at the cash rate plus 1%, with interest payments commencing quarterly from 31 December 2023 and quarterly principal repayments from 1 July 2024. The loan repayment date is 30 June 2026.;

2) On 7 July 2023 the Club entered into a 2-year payment arrangement with the Australian Taxation Office ("ATO") for outstanding liabilities totaling \$104,411 as at 30 June 2023;

3) As at the signing of this report, the Club is in discussions with external parties for a fixed rental of the Club's kitchen and dining facilities, which will assist with cash inflows in future financial periods; and

4) The Club can maintain sufficient support from members, funders, and sponsors to cover the operating expenditure of the Club.

Given the board of management's opinion that the Club will be able to continue as a going concern, assets and liabilities have been recognised on the basis that the Club will be able to realise its assets and liabilities in the normal course of business.

Notes to the Financial Statements

For the Year Ended 30 June 2023

(b) Revenue

Trading income

Revenue from the sale of goods or services are recognised upon delivery of goods or services to the customer.

Membership fees

Membership fees are recognised at the point in time the membership commences or is renewed by an existing member.

Grant income is recognised in the period in which the grant relates, in line with performance obligations of the grant.

Fundraising and other income

Fundraising and other income is recognised as revenue when received.

Interest Revenue

Interest is recognised using the effective interest method.

All revenue is stated net of the amount of goods and services tax (GST).

(c) Income tax

The Club is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(d) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

Notes to the Financial Statements

For the Year Ended 30 June 2023

(f) **Property, plant and equipment**

Property, plant and equipment are carried at cost and are depreciated over their useful lives to the Club.

Depreciation

Property, plant and equipment depreciated over the asset's useful life to the Club, commencing when the asset is ready for use.

Leasehold improvements represent the total construction cost of the Club's premises and includes amounts contributed by the Minister for Emergency Services and the City of Charles Sturt as part of the redevelopment. The building is on Crown land and is leased to the Club from the City of Charles Sturt. The lease is for 10 years with an option to extend for a further 10 years, having commenced in 2013. The board of management will be renewing the lease for the further 10 years.

The leasehold improvements had previously been depreciated at a diminishing value rate of 1.75%, with no depreciation recorded prior to the 2021 financial year. An adjustment has been made to opening retained earnings in the current financial year to recognise accumulated depreciation from the commencement of the leasehold improvements useful life, at a straight line rate of 2.5% i.e. 40 years useful life. This has resulted in an additional \$567,772 of accumulated depreciation being recognised to 30 June 2022.

The useful life of the leasehold improvements has been estimated at 40 years, and not at the 20 years per the lease term. The board of management are of the opinion that given the specific nature of the leasehold improvements, that the lease with the City of Charles Sturt will be renewed in time, covering the life of the assets. If this situation should change in future financial years, the carrying value of the leasehold improvements will be adjusted accordingly.

2 Critical Accounting Estimates and Judgments

The board of management make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Club assesses impairment at the end of each reporting period by evaluating conditions specific to the Club that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - inventory

Each item on inventory is reviewed on an annual basis to determine whether it is being carried at higher than its net realisable value.

CURRENT		
Trade payables	42,776	70,974
ATO liabilities	104,556	20,041
Other payables		13,646
Total trade and other payables	11,339	104,661
	158,67	

8 Borrowings

	2023 \$	2022 \$
NON-CURRENT		
Unsecured liabilities:		
Borrowings	163,88	154,276
Total non-current borrowings	8	154,276
	163,88	

The existing borrowings represent funds borrowed in 2012 from Kanini Pty Ltd as trustee for Surf Life Saving SA Club Foundation ("Foundation"). Interest is charged at a variable rate, being the current cash rate plus 3.25%. Based on discussions with the Foundation there is no expectation that the funds are payable within 12 months from balance date and have therefore been classified as a non-current liability. The movement from prior year represents the interest accrued on the loan for the 2023 financial year.

9 Contingencies

In the opinion of the board of management, the Club did not have any contingencies at 30 June 2023 (30 June 2022:None).

10 Related Parties

(a) Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

(b) Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

1 Events After the End of the Reporting Period

2

The financial report was authorised for issue on 24 August 2023 by the Board of Management.

On 31 July 2023 the Club entered into a loan agreement with Surf Life Saving South Australia Inc for \$50,000 to assist in the payment of existing creditors. The loan is subject to interest at the cash rate plus 1%, with interest payments commencing quarterly from 31 December 2023 and quarterly principal repayments from 1 July 2024. The loan repayment date is 30 June 2026.

On 7 July 2023 the Club entered into a 2 year payment arrangement with the Australian Taxation Office ("ATO") for outstanding liabilities totaling \$104,411 as at 30 June 2023.

No other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Club, the results of those operations or the state of affairs of the Club in future financial years.

Statement by the Board of Management

In accordance with a resolution of the board of management of Henley Surf Life Saving Club Inc, the board of management declare that, in the board of management's opinion:

1.The financial statements and notes, as set out on pages 2 to 13, are in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and:

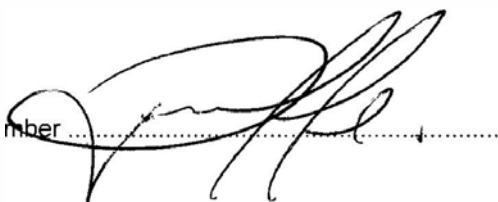

a.comply with Australian Accounting Standards as stated in Note 1; and

b.give a true and fair view of the financial position as at 30 June 2023 and of the performance for the year ended on that date.

2.There are reasonable grounds to believe that the Club will be able to pay its debts as and when they become due and payable based on the information in Note 1 (a) to the financial statements.

This declaration is made in accordance with subsection 60.15(2) of the *Australia Charities and Not-for-profit Commission Regulations 2022*.

Material Uncertainty Related to Going Concern

We draw attention to Note 1(a) to the financial statements, which indicates that the Club incurred a loss of \$245,940 for the year ended 30 June 2023 and, as of that date, the Club's current liabilities exceeded its total current assets by \$80,447. This indicates that a material uncertainty exists that may cast significant doubt on the Club's ability to continue as a going concern and realise its assets and settle its liabilities in the ordinary course of business. Our conclusion is not modified in respect of this matter.

Basis of accounting

Without modifying our conclusion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the board of management's financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose.

Board of Management's Responsibility for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements. We conducted our review in accordance with Standard on Review Engagements ASRE 2400 *Review of a Financial Report Performed by an Assurance Practitioner who is not the Auditor of the Entity*. ASRE 2400 requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This Standard also requires us to comply with relevant ethical requirements.

Henley Surf Life Saving Club Inc

Independent Assurance Practitioner's Review Report to the members of
Henley Surf Life Saving Club Inc

Assurance Practitioner's Responsibility (cont)

A review of financial statements in accordance with ASRE 2400 is a limited assurance engagement. The assurance practitioner performs procedures, primarily consisting of making enquiries of management and others within the Club, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with Australian Auditing Standards. Accordingly, we do not express an audit opinion on these financial statements.

Independence

In conducting our review, we have complied with the independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that these financial statements do not give a true and fair view of the financial position of Henley Surf Life Saving Club Inc as at 30 June 2023, and of its financial performance and cash flows for the year then ended, in accordance with Australian Accounting Standards applicable to the Club to the extent described in Note 1 to the financial statements, and the *Australian Charities and Not-for-profits Commission Act 2012*.
