**SECRETARY PREFACE**

I present to you this Annual Report for 2008/09. Hopefully the next time the Annual Report is being presented it will be in our new clubhouse.

On behalf of the club I would like to thank Neville Fielder for the hard work he has put in over the years to make this new building happen. He has spent many hours visiting councillors, politicians and public meetings to ensure this project gets off the ground. I know as President you seem to be thanking everybody else but I believe all members need to personally thank him when we get our new club house. Some credit also goes to his hard working building committee, keep up the good work. Once this building is built every club member needs to realise that we still need to work hard in raising funds to operate and to repay the loans.

Personally I would like to thank Katheryn Curnow and Jane Dewar for their help throughout the year. Also thank you to my wife Sue who took on the challenge as Bar Manger and helped put the clubs finances back on track.

**KEVIN FITZGERALD**  
**CLUB SECRETARY**

## President's Foreword

The 2008/09 season, our 84<sup>th</sup> saw a near record 43 rescues at Henley with no loss of life during our hours of operation, proving the skills of our volunteer members who handled several emergency situations calmly and professionally. Membership numbers have increased further to around 360, with a healthy balance of new members and youngsters progressing from Nippers through to the senior ranks.

Our financial standing has improved yet again, mainly through the outstanding efforts of Sue Fitzgerald in running the Top Room, and a hugely successful third Big Row that brought in over \$50,000. this year.

In my last report I predicted that our new Clubrooms would commence in late 2008 – wrong again unfortunately but I can report that by the time you read this page our Development Application will have been lodged and State Cabinet will have considered the submission by the South Australian Fire and Emergency Services Commission.

We have directly lobbied The Minister for Emergency Services, The Minister for the Environment and Conservation, and The Minister for Urban Development and Planning to ensure they understand the importance of the project and that their respective departments are supportive. Each of these key Ministers has expressed their wish for the project to proceed as quickly as possible. Council's staff representatives are also most supportive of the concept design.

Given our desire to provide our volunteer members with the best facilities possible, the task of balancing a practical building with a design that suits the location has been difficult and compounded by quite dramatic price fluctuations during the past year. The design is modern and sympathetic to the local environment. Expected commencement date is late August 2009 with an estimated construction period of 10 months.

I again especially thank our local State Member Paul Caica, along with Councillors Jim Fitzpatrick, Anna Rau and Paul Sykes for their ongoing support with the project, together with our Building Committee of Joe Bayer, Phil Hogan, Matt Simone and Aaron Lewis.

I briefly mentioned the third West Beach Community Bank Big Row earlier. Despite the World Financial Crisis we well and truly exceeded our expectations by raising over \$50,000 from this year's event. Congratulations to all involved and particularly Jane Dewar, Lisa Will, Katheryn Curnow and Lynne Tammitta for their expert (and tough) administration and coordination of the event.

We have definitely earned great respect from the Stansbury Community for our Beach Safety sessions with the local Primary School and will in future continue to make that a permanent part of the weekend. Our sincere thanks again to Mr Robert Gerard AO John Butterfield and Kevin Renfrey for their generosity in providing their boats for two days in support of the event.

I was recently elected to the City of Charles Sturt's Community Coastal Reference Group as the representative for Community Services groups. The aim of the group is to provide a conduit between the Community and Council for issues that affect the coast and environs. Issues I have raised to date are the deliberate pumping of polluted road grime into the sea; non policing of beachside Dry Zones and associated bad behaviour; and non policing of littering laws.

Each of these issues affect the quality and amenity of the marine environment and our beaches – our other back yard and we hope to achieve improvement in the short term.

In closing I again thank our volunteer members, families, friends and supporters for their ongoing efforts in keeping this iconic Club so successful and vibrant. The next twelve months will be even more exciting than the last.

## Club Captain

In order for our club to function there are many people who work tirelessly behind the scenes devoting their time, energy and expertise towards ensuring that we are able to operate successfully. In some areas we perform very well and in others we need to find way to improve how we perform. To that end, it is vital that we constantly evaluate our performance in all areas and strive to improve. The Henley SLSC is not a building, nor is it a stock of material resources and equipment. Our club is made up of each and every individual member. We are an organization of people, and it is our people that are our greatest assets. Not everyone is able to contribute at the same level, but each and every member does have something to offer. Whether the contribution is large or small, it is important and vital.

Looking into the future, we are entering a new phase of our club's lifecycle. There will be a year of hardship and inconvenience during our redevelopment program. It will mean that money is tight, and our opportunities to socialise together as "clubbies" will be limited. Following this, there will be a period of rapid growth and change as we adapt to our new circumstances. To facilitate this we will need our members to once again dig deeply into their store of altruism and take on roles either large or small to ensure that our club, our culture and our reputation are nurtured and grown in a way that retains all of the characteristics that makes our club (our people) such a rewarding organization to be a part of.

During our rebuilding phase, we will endeavour to provide opportunities to get together as fellow members. This will be harder without our own "home" but essential to ensure that we remain strong into the growth phase that will follow.

The Management Committee has a difficult role at the best of times. Members of the committee have to accept accountability for their area. This often means that we are answerable on a personal level to our members, and often accept personal legal and moral responsibility for our clubs interaction with the community. At times this means that we must make unpopular decisions. Occasionally, we are asked to perform unpleasant duties. No one tries to find dramas, nor does any one of us enjoy occasionally having to make the "tough choice". What we all have in common is our desire to always try and do what is in the best interests of every individual member and our club as a whole. It is impossible to please 100% of people 100% of the time; so instead, we agonise over the difficult decisions and do our best to serve our members in the best way possible.

I would like to acknowledge certain areas of our clubs operations.

Our Trainers and Lifesaving Officers have to put in a lot of work behind the scenes in order to comply with rapidly changing rules and regulations. In addition to the hands on duties, there are many hours spent on computers performing administrative tasks and ensuring that our qualifications remain current. In addition to our Trainers and Lifesaving Committee, many other hard workers perform the tedious jobs to ensure that our club keeps running. Spare a moment to consider these people, without whom we simply could not operate.

A major project for next season is to expand our activities in Surf Lifesaving competition. There is a camaraderie that flows from competition experience that is an important aspect of our club life. Also, there is a need to provide the means for any member that wishes to compete to reach their highest potential. Whilst easy access to training equipment and facilities may be compromised during our redevelopment process, the benefits of not delaying this activity will make the extra work worthwhile. What doesn't kill us makes us stronger!

My highlight for the season came on Australia Day. Instead of driving an IRB for the long swim, I was on the balcony with binoculars and a radio (and my arm in that damn sling). What I saw was nearly 60 Henley members on boards, skis, boats, IRBs (3) and in the water with rescue tubes. Our Rhino was moving up and down the beach. We had a patrol set up in front of the club (from 8am). We had a first aid station and outpost just North of the jetty and we had roving patrols and jetty outposts. Every part of the club was represented. On our most important National Day, we showed why the Henley SLSC is a fair representation of one of our most iconic national organizations.

My observations of our club over the last season have been extremely positive. There is a great connection between old and new. Our Life Members continue to contribute at a level that earned them their prestigious award. Without their experience and guardianship of our culture, we would all be worse off. Our young members also give me great hope for the future of our club. It is particularly satisfying to see them remain committed and enthusiastic about their role within our club. Their humour, energy and maturity beyond their years add much to the ambience of the club. I'm looking forward to watching these terrific young adults becoming the backbone of our club for many years to come.

Finally, I would like to thank everyone that helped me during the time I was incapacitated. 7 weeks with my arm in a sling was personally frustrating as it severely limited what I was able to do. Willing helpers and constant words of caution ("don't do that Tony!"), have made a difficult situation a lot easier, and ensured that I stuck to my rehab properly.

Next season isn't far away and there is much to do in preparation for the next phase of our clubs ongoing development. I know that with the commitment and enthusiasm of our current members, we can approach this next phase with quiet confidence.

## **PATROL SUMMARY**

This has been an extremely busy year for Henley SLSC patrol services. It has been made possible by the dedication of our patrolling members.

40 lives were saved and many more incidents were prevented by the diligence and professionalism of our patrol services.

Our Patrol Captains recorded detailed information including our numbers of roving patrols and outposts as well as the routine reports of rescues, first aids and preventions. Surf Lifesaving quizzes and rescue scenario practice were also a mandatory part of our patrol duties.

These were done to ensure that we maintained the highest possible level of lifesaving cover from Reddie St to The Outlet and all members were trained to the highest possible level of competence.

Much effort from the Lifesaving Area officers ensured that we had properly functioning and adequate equipment to perform our duties.

In addition to our 48 rostered patrols, Henley SLSC provided an additional 24 "Unrostered Patrols" to cover busy times during hot weather and community events. Our statistics for the season clearly demonstrate how much we have managed to achieve during 2008-9.

As a club we finished the season with 174 people contributing patrol services to Henley SLSC. This worked out as an average of 29 hours per member. Of the 174 members, 32 members were not available to patrol for the entire season, mainly because they either left the club early in the season or gained their awards mid or late in the season. This means that our average per member for all members that started and finished the entire season was 33.5 hours. Most importantly, we started the season with 150 members on our roster and finished with 165.

It is simply not possible to individually name all of our outstanding patrol contributors, although individual letters have gone to all patrol members expressing appreciation for their efforts. As a whole club, we should be very proud of our service to our community. I hope that we can continue to perform at this level well into the foreseeable future.

The patrol hours sheet statistics highlight just how much extra we have done over the season.

- \* These members gained their 200 "Henley Hours" this season.
- Total average hours per member: 29.0
- Total average for members that patrolled the entire season: 33.5
- 23 members left the club and/or ceased to patrol during the 2008-9 season
- 38 new patrolling members joined the roster during the season

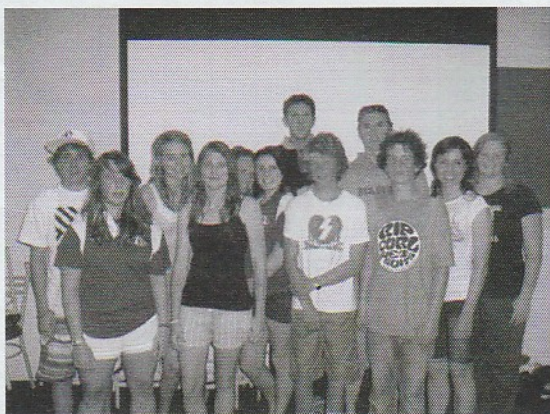

## Chief Instructor

It has been another busy yet enjoyable season for the training crew. Firstly, I would like to express my endless appreciation to the following trainers for their tireless efforts to see everyone succeed with their chosen awards: Tony Tammita, Sam Moore, Kate Viner, Janna Lutze, Andy Stewart, Roy Menner, Sarah Melios-Traver, Kevin "Fitzy" Fitzgerald, Maddy Jessup, Andrew Henry, Dean Woods and Paul Leonard. Without their continuous efforts this season would not have been possible. THANK YOU!

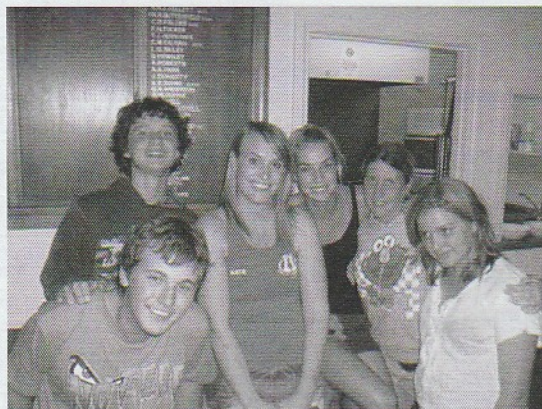

The popularity of the Bronze Medallion and Surf Rescue Certificate continued this season, with significant numbers gaining their awards. Candidates were both current members seeking to advance in their surf skills and new members. The following summarises awards gained this season. Well done all!

- 34 Bronze Medallions
- 12 Surf Rescue Certificates
- 1 Defibrillation Certificate
- 17 Basic Emergency Care
- 4 Silver Medallion IRB Driver
- 5 IRB Crew
- 2 Training Officer Bronze Medallion

Special congratulations to Kate Viner and Roy Menner who both received their Training Officer Bronze Medallion.

L to R: Hayden Frances (BM), Cassie Yankoff (BM), Nicole Dillon, Tiarne Easley (BM), Janya Newchurch (BM), Emily Leary (BM), Ryan Sharp, Matthew Lindsay (BM), Shannon Hall (BM), Kyle Johnston (BM), Susie Lee (BM), Toni Lutze (BM).

L to R: Thomas Melio-Traver (SRC), Ashleigh Williams (SRC), Kate Viner (Trainer), Claire Harrington (BM), Sam Moore (Trainer), Catrin Williams (SRC)

As we strive for continuous improvement with training, the introduction of a trainer's uniform (rashies and singlets) this season has been pleasing. The uniform was introduced to easily identify trainers from award candidates, to promote training activities and to ensure public are aware that rescue scenarios are training and not actual incidents. It has also provided a professional appearance to Henley's current training programs.

To finish, once again I'd like to recognise those who have helped achieve a successful season. To our award candidates, you have been a pleasure to train. To our fake patients and watercover, we are extremely grateful for your time. To the management committee, thank you for your support. To the training team, you are invaluable!

As we move forward I hope all members seek to advance their skills with the awards offered by the Club and Surf House. See you all on the beach next season!

**LEAH PANAKERA-THORPE**  
CHIEF INSTRUCTOR

## Competition Manager

I'm sure each of the area captains will cover everything, but here are some of my highlights or "memorable moments" for the season:

- ◆ Daniel Sheehy selected in the State Team again, finishing 1<sup>st</sup> in the Beach Flags, 6<sup>th</sup> in the Beach Sprint and 4<sup>th</sup> in the All Age Beach Relay at the Interstate Championships in Scarborough just prior to Aussies.
- ◆ Zac Jessup & Ben Moore competing for the first time ever in the U19 Belt Race at State Titles with novice reel & line people who had a crash course from Andrew Lanyon 5 minutes before the race. They both made the final and had to do it all over again, finishing 6th and 7th respectively;
- ◆ Daniel Sheehy with the golden double in the U19 Sprint & Flags, backing up from last year's double in the U17;
- ◆ Andrew Lanyon, not managing a Gold medal at States, comes home with a Gold and Silver from Aussie Titles! Still, 3 Silvers and 3 Bronze at States is a great achievement;
- ◆ Fitzy's U19 Boat Crew wining the State Navy Cup, travelling to Broulee NSW finishing 2nd in the U19 and making the QF in the Open, I must add that Kevin "I'll be right" Fitzgerald had been knocked out in the boat at Middleton and sent to hospital with concussion just the week before!
- ◆ Great effort by the boys with a Silver Medal in the U19 Board Relay, Zac Jessup, Ben Moore & Michael Domarecki;
- ◆ Hocko's U19 Boat Crew wining gold at their first State Championships, with last year's winners (Fitzy's crew) coming a close second.

Thanks to Dean Woods for organising the bus for most of the Senior Carnivals, helping all the HET crew get to the carnivals, and the officials once again, without them our club cannot compete, but we can't keep relying on the same people year in year out, we need more people to do the officials course and help out at carnivals.

Thanks to everyone who helped out with officiating, water cover, IRB cover, patrol help and other carnival related duties that the club was required to perform.

Thanks also to the area captains for organising training sessions for their respective areas, and thanks also to those who ran training sessions on behalf of the area captains.

Lindy Lewis, Kelly Mercer, Sarah Melios-Traver & Emma Cassidy

I was unable to attend Club Champs due to the change of date and commitments I had elsewhere, but I hear it was once again poorly attended which is unfortunate, but we plan to make some changes to encourage more participation in the future.

Tony and I, along with the area captains are coming up with strategies for the future, to ensure that our club can provide the training, equipment and coaching required for our members to be the best they can be in the discipline of their choice, while ensuring Lifesaving and Patrols are still our club's no. 1 priority.

**LINDY LEWIS**  
COMPETITION MANAGER

35-39 Men's Beach Flags	Greg Fletcher
130+ Taplin Relay	Andrew Lanyon, Neville Fielder & Scott Robinson

## Australian Titles Report

A small contingent of Australian Title competitors travelled across to Scarborough Western Australia in March. It was the last 'Aussies' in the west for a while, as it is going back to Queensland.

Andrew Lanyon, who was also the Team Manager, was the first to compete in the Australian Masters. He had a very successful day winning gold in the 50-55 Tube Race and silver in the 50-55 year iron man in quite warm conditions. Unfortunately the rest of the team had not arrived yet to help Andrew celebrate. Well done Andrew.

The rest of the team arrived and for the first time for many years the club had six people representing South Australia in the interstate competition on the Wednesday. The surf was the biggest the locals had seen at that beach for decades, as the waves were thumping in at times a 5 foot dumping shore break. The conditions reminded me of the Boomer beach carnivals we used to have in the seventies. There were Boaties, ski and board paddlers getting crunched on the dangerous shore break. A meeting was held in the boat area considering cancelling the boat events for the day after four female boat crews not only back shot but did a complete back flip injuring many rowers, but the decision was to continue on. Our U19 crew, Dan Travers, Dan Murdock, Jake Fitzgerald, Jake Foody and Kevin Fitzgerald (sweep), rowed bravely in the next race gaining third position for the State. Daniel Sheehy on the pristine white sand gained first in his beach flag final for the State.

The Australian Titles then started up with an inconsistent swell. One minute it was flat and the next you were getting thumped by a big shore break. The U19 boat crew had a good carnival getting fourth in the quarter finals. Unfortunately we were claimed by a large wave that decided it would end our season.

Daniel Sheehy competed in the sprints and the beach flags. What a fantastic effort as he made it into the final in the flags. Bec Woods competed in her first Australian Titles gaining some invaluable experience. She competed in swimming, sprints and boards, and has found out how the clubs in the east do it. Well done Bec.

I would like to thank Andrew Lanyon for the great job he did as Team Manager. He picked up the trailer, organised for the boat to get scrutineered with Trevor Mulvihill and Jim Doherty. He also organised us all during the trip and picked up and dropped us off at the airport.

Well done to Trevor Mulvihill and Jim Doherty who represented the club as officials.

**KEVIN FITZGERALD**  
TEAM CAPTAIN

		Jake Fitzgerald, Jack Foody, Daniel Murdock, Daniel Travers & Kevin Fitzgerald (Sweep)

## Henley Juniors

Another season has come and gone, it only seems like yesterday when our Junior Committee and Age Group leaders got together and developed our plan for the 08/09 season.

Some of our many goals/ targets were to increase our Junior membership to 120 and encourage more children to participate in carnivals.

By the end of the season we had reached 152 Junior members, the highest ever recorded Junior membership at Henley, and we look forward to more children participating in carnivals next season.

We were fortunate enough to have approximately 100 children on the beach each weekend and it was a pleasure to see the children's knowledge, confidence and fitness improve while all having fun at the same time.

One of the highlights again this year was the Henley SLSC Big Row, now in its third year where senior members of the club row a surf boat from Stansbury to Henley Beach and in doing so raised \$52,000 for our new club rooms, a fantastic effort.

While we were in Stansbury we conducted a Junior coaching day for the 50 children from the Stansbury area school who experienced the fun and challenges of Surf Life Saving. While the tide was against us we still managed to complete a great session with the local children which was greatly appreciated by the school teachers and parents.

Special thanks to the 35 senior members and Madeline Cole from the club who made the bus trip across and assisted with the Junior training session.

Throughout the season we were able to have approximately 50 children regularly competing at carnivals and the State Titles at Seacliff Beach.

The Henley Surf Life Saving club finished 13th overall at the Junior State Titles, this is a fantastic effort and everyone should be proud of what they achieved. Special mention to Izzy Williams who won our only medal this year, a Bronze in the Under 10 Girls Beach Flags. A mighty fine effort and I'm not sure who was more nervous on the day, Izzy or mum, dad and Butsy.

It was very evident from our results in swimming events this season where every age group made the finals, this is obviously the result of the weekly swimming sessions at Immanuel College, well done guys keep up the good work.

Congratulations to our Westpac Junior Life Savers of the Year award recipients, Laura Cassidy and Josh Miller. Both of these juniors epitomise what Surf life Saving is all about and we look forward to their leadership and enthusiasm in the years ahead around the club.

Winter training has already commenced and the enthusiasm amongst the Juniors is tremendous with additional training sessions for boards, sprints and flags I am sure the children will benefit from the knowledge that is being passed on by our senior members.

I would also like to thank all the many people who help and assist with the running of the Junior section this year, in particular;

### Junior Committee

Mark Frances, Shelly Watkin, Roy Menner, Barry Cole.

### Age Group Leaders

Tim Cavanagh, Shelly Watkin, Sandra Daly, Mitzy Dorward, Jamie Butterfield, Quentin Dorward, Bec Woods, Ken Heaver, Pat Robinson, Mark Frances, David Shultz, Ollie Miller

### Carnival Officials

Barry Cole, John Coorey, Frank Ballard and Robyn Heaver

All the guys and girls, young and old who help each weekend in providing water cover and IRB cover, a fantastic effort without them we would not be able to have our children in the water weekly and compete at carnivals.

The Cole family, Barry, Irene and Madeline who each week ran our BBQ and assisted with other fund raising events raising very valuable funds to assist with the running of our juniors and the club.

And finally the volunteer bar staff, the Mums and Dads who assisted at training sessions and carnivals during the season without any hesitation your efforts are greatly appreciated.

### PHIL HOGAN

JUNIOR CHAIRPERSON

# Henley Extreme Team (HET)

This is the fourth year in the Henley Extreme Team's (H.E.T) history. We held our annual events in the camp at Chiton Rocks in November and our dinner this year at Red Rock Noodle bar in May. We had 25 attend the camp and 20 HET crew come to the dinner. Considering we have had a few get too old for the group we have had great numbers with another 15 members to follow through in the coming season.

The camp at Chiton was a success with all getting wiped out on the Chiton shore break. Spot light on the Saturday night turned into hide and seek in the sand dunes. A good camp even though the surf wasn't pumping, good times were had by all.

Our dinner in May was great, with the scarcest movie ever at the club after! My ears are still ringing after 15 girls screaming every 10 minutes.

I would like to acknowledge this group of young adults as a responsible and a mature group and highlight to all club members that this group is what makes the club such a happy, energetic & fun place to be. I ask all members to take the time to get to know this crew if you have not already. This group will be the ones in 5-10 years making the decisions of the clubs future as now do some of the inaugural retired HET crew.

Special thanks to the oldies who helped the camp happen this year: Aaron Lewis, Lindy Lewis, Dean Woods & Roy Menner. Dean & Roy also organised buses for carnivals and a surf day at Middleton thanks for your huge efforts...

**ANDREW HALL**  
YOUTH CO-ORDINATOR

HET Pyramid !

## Beach Area

The 2008/09 lifesaving season was a good season on the beach. The same old faces were still around, and a few new ones appeared (Laura Cassidy and Harrison Shultz to name a couple).

Throughout the season, there was decent representation by Henley in the beach area at carnivals. Some competitors needed more encouragement than others, but in the end most events had Henley representation.

Medals were again won on the beach at Open State Titles. Daniel Sheehy cleaned up in the Under 19 sprints and flags. Emma Cassidy missed out on progressing through the sprint rounds because of mistaken identity. Lindy Lewis came in at fourth place in the Open flags, but she did a great job to get there as she was competing against girls half her age. The open female relay team grabbed the silver medal- the same team as last year (Emma Cassidy, Lindy Lewis , Kelly Mercer and Sarah Melios-Traver) and the same position behind Brighton. Hopefully the result will be reversed next season. Many brave souls participated in the 2km run, and all did very well.

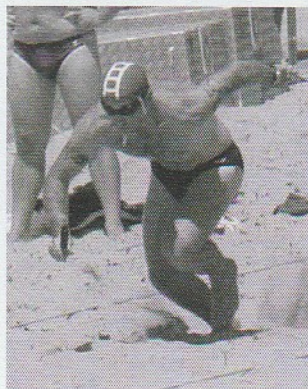

Masters State Titles were interesting to say the least. Kelly Mercer won the 30-34 beach sprint, but missed out on participating in the flags as a result of being on a board at the time that flags were run. Paul Digger Martin and Nev Fielder lodged a protest, and Nev was subsequently told to go away as he was 'intimidating' the officials. The ladies, Kelly Mercer, Carly Lutze, Kathy Beales and Mel Ford, got the bronze in the beach relay. The old blokes, Greg Fletcher, Matteo Simone, Scott Robinson and Trent Bernard scored silver in the 140+ men's beach relay. Trent Burnard, in his first year of surf, scored the gold in the 35-39 flags, knocking out Greg Fletcher on the way to the win. Dave Barnes did well to grab silver and a bronze in the sprints and flags and Joe Bayer thought he would act like an ostrich. Whilst running along in a beach relay, he tripped over a grain of sand and ploughed head first into the beach. It was very entertaining for all who were spectating. I think he was cleaning sand out of his ears and nose for a week after. In addition to all that excitement, batons were dropped and some interesting running styles were observed. I'm certain there was a pulled hammy or two also!

I would like to encourage all competitors to keep coming to the carnivals and participating in the beach events next season. It's great to have lots of Henley caps milling around when the beach relays are on. It's also fantastic to see the flag line-up full of Henley caps. Finally, I'd also like to encourage participation in beach training throughout winter and then through the 2009/2010 season. Training isn't just for the 'Usain Bolts' amongst us. Beach training will improve your starts in boards and swim events and is also great for fitness in general.

### **KELLY MERCER** BEACH CAPTAIN

**LINDY LEWIS**

**TRENT BURNARD**

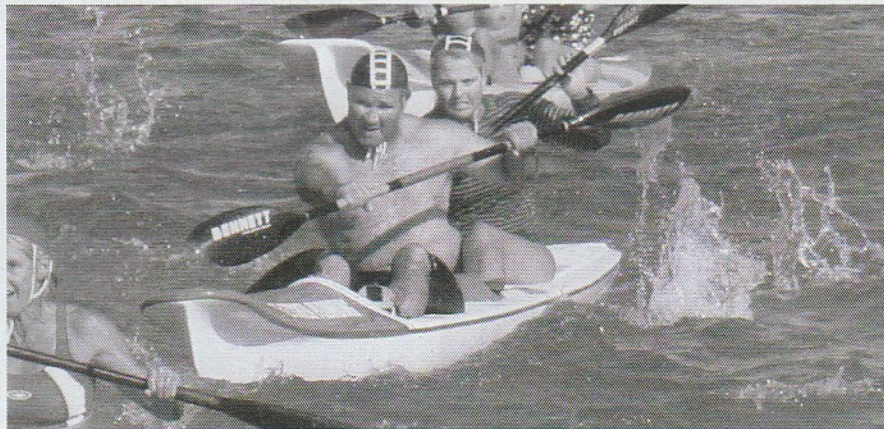

## Ski Area

Improving upon last year's efforts, the Henley ski team held consistent training sessions throughout the season and was represented at all senior carnivals. At the Senior State Titles we witnessed some strong performances by Ben Moore and Zac Jessup in their U19 single ski races and also a close 4th place in their double ski race.

Many of our Masters competitors came out of the woodwork for the Masters State Titles and produced fantastic results. Libby Maxwell finished 3rd in the women's ski race and Scott Robinson, Greg Fletcher and Matteo Simone finished 3rd, 4th and 7th respectively in the 35-39 men's ski race. The prominent results continued in the Master's team events where Scott Robinson and Greg Fletcher gained 2nd for the silver medal and Matteo Simone and Andrew Lanyon finished close behind in 3rd for the bronze. Another silver medal was received by Matteo Simone, Greg Fletcher and Scott Robinson with a 2nd in the 110yr ski relay. The mixed double ski race saw Kelly Mercer and Scott Robinson home in 4th place with Libby Maxwell and Greg Fletcher in 8th position

The Henley ski team is looking to expand for the upcoming season with keen interest from many potential new paddlers and is hoping for a big performance boost next season with more training scheduled and continuing enthusiasm.

### **TOM LANYON SKI CAPTAIN**

L-R Greg Fletcher And Libby Maxwell

## Board Area

This season has been a productive year, not only has Henley increased its members in the board paddling area but because of the growing interest we have decided to invest in 3 new force fields, and have received another dolphin. Many of these purchases have been made possible by generous grants from a variety of organizations.

This years senior and masters state titles were quite an achievement. We had a number of competitors in races of all age categories and two medals were attained by Kelly Mercer, Gold, 30-34yrs, Female & Bronze medal for the 110yrs board relay, Steve Forest, Dean Woods and Dave Barnes.

Strong performances at State Titles level were achieved by Zac Jessup, Ben Moore and Michael Domarecki, winning a Silver medal in U19 Board Relay. Well done also to Zac, who was very unlucky to finish a fighting 4th in individual U19 board race.

With the new clubrooms on the horizon, it is important that we see how we can best maximise our board storage capacity.

Much appreciation goes to the nippers for their well cared for boards this season, especially with many stormy Saturdays.

I would also like to thank Force Field for donating a rescue board to help the clubs ongoing patrols.

Finally, I would like to express my appreciation to Andrew Lanyon for training and supporting the younger members with developing their paddling skills.

### **DEAN WOODS** BOARD CAPTAIN

## IRB Area

This past season saw the club's Inflatable Rescue Boat (IRB) crews have a very demanding year.

With the large number of shark sightings in the Henley and Grange areas during November, December and January, crews were called regularly outside **normal** patrol duties. They responded quickly and were able to ensure the public safety. Extra patrols were also scheduled during the long heat wave putting a strain on club resources. With the club now able to provide three fully equipped IRB, we were able to provide a high level of water cover for beach users in the Henley to Grange area. This was adamant on a Saturday during nipper training. It had been reported a member of the public was seen going under near the Torrens Outlet. Within minutes we were able to provide two IRBs to assist JRBs, Westpac One and West Beach SLSC in the search, leaving an IRB to provide water cover for junior activities. Fortunately the swimmer was found safe and well.

Unfortunately with the lack of space in the club rooms at times we can only have one fully equipped IRB on standby on the trailer with the All Terrain Vehicle (ATV) for an instant response. Other boats maybe required to be assembled creating a delay in providing extra assistance. Hopefully with the prospective new clubroom we will have enough space to improve our response time for responding with multiple IRBs.

I would like to thank Telstra and Yamaha in proving financial assistance. Also I would like thank Outboard Motors Service for servicing our motors promptly.

Without the assistance of dedicated members it would have been difficult to maintain an efficient service. I would like to thank all drivers and crew for their professional approach and in particular Paul Leonard, Sam Leonard, Tony Tammita, Aaron Lewis, Darren Hocking and Reg Lindsay. I would to make special mention of Mark Searcy and Russell Watkins for providing water cover every Saturday for nippers.

Congratulations to all the recipients on the awards page who were competent in being awarded the Silver Medallion as a IRB driver and crew person.

### IRB OFFICER / ATV OFFICER PAUL MARTIN

Russell Watkins & Mark Searcy

Tracey Showder & Greg Fletcher at a Junior Carnival

## Surf Boat Area

In 2007/2008 the first paragraph of the boat report read "The season will be remembered as the season Henley returned to the Boat Arena and rekindled the clubs reputation as a determined group of lifesavers who are respected for their quest to be successful and competitive at all levels". This explains the creed of the Boat Area and in 2008/2009 we have stepped up another rung of the "Henley Ladder".

The club took a touring party of three crews to Pt Augusta for the City of Pt Augusta Outback Carnival on the 8/9<sup>th</sup> of November. It was a great experience for new crews to row together in a short course carnival and get some pre-season fitness and have a weekend away with fellow lifesavers. The two Henley surf boats provided water coverage for the Australia Day swimmers from Grange to Henley jetty to support swimmers during a time of increased shark sightings along the coastal waters.

### U19s Henley Colts

(Jake Fitzgerald, Jack Foody, Daniel Travers, Daniel Murdoch, Kevin Fitzgerald - Sweep)

Kevin "Fitzy" Fitzgerald's U19 crew the "2008 Gold Medalists" had two new rowers join the crew in 2009. Fitzy had the crew training very hard early in the season, with the intention of representing South Australia in the Surf Rowers League "Navy Cup". The U19's won the Navy Cup Series in South Australia and travelled to Broulee NSW on the 6<sup>th</sup> to 8<sup>th</sup> of February to compete. The crew finished 2nd in the Navy Cup final, rowing against the strongest crews in Australia. They made the quarter finals in the Australian open at Broulee. Fitzy is a tough competitor, he was knocked out cold rowing in the bow the week before at Middleton in 4ft surf and spent the night in hospital with concussion and still managed to tow the boat to Broulee in NSW with wife Sue to compete at the carnival the following weekend. Great effort Fitzy!

The crew had trained extensively in surf at Middleton during the season in preparation for the carnivals at Broulee and Australian Titles at Scarborough Beach WA. The crew finished 3<sup>rd</sup> in the Interstate championship and made the quarter finals before an outstanding Back Shute on a cracking barrel wave. Kevin is to be congratulated for his outstanding dedication when sweeping and coaching our crews. Congratulations to the crew in representing the state at The Navy Cup Series and the Australian Titles at Scarborough WA.

The Henley boaties love their surf. There were not any carnivals programmed for far South Coast, so Henley decided to put their hand up and run a carnival at Middleton. It was a good surf, officials and competitors were very complimentary to Henley's organization of the carnival. The running of such an event if organized well is great for club camaraderie.

The West Beach Community Bank Big Row was again a highlight for the club. Well done to all involved. It is a fantastic challenge for the crews to row in such an event and assists the fundraising for a 'New Club House'.

## RESULTS FROM THE MASTERS STATE TITLES

The Masters were held at Pt Elliot Beach. The conditions were good with a small shore break. High winds were forecast later in the day, the change came in making it challenging for the crews.

<b>Women's 120's - Gold Medal</b>	
	Lisa Will Jane MacFarlane Carly Lutze Kelly Mercer Darren Hocking (sweep)
<b>Women's 160's - Gold Medal</b>	
	Cathy Beales Jane Dewar Leanne Folkers Lynne Tammita Jamie Butterfield (sweep)
<b>Men's 180's</b>	
	Barrie Cole Rob Langford Adam Harris David Barnes Jamie Butterfield (sweep)
<b>Men's 160's - Bronze Medal</b>	
	John Foody Gary Fazzalari Scott Mather Andrew Morrison. Darren Hocking (sweep)
<b>Men's 140's</b>	
	Darren Hocking Jamie Butterfield Russell Watkins Shane Johns Trevor Mulvihill (sweep)
<b>Men's 200's</b>	
	Gary Tredrea Neil Barrett (Chook) Steve Horsman Mark Shuttleworth Rob Langford (sweep)

Garry Fazzalari trained a master's crew of 4 new members that show great promise in master's completion and foremost are very dedicated patrolling members on the beach. *Congratulations!*

Gary Fazzalari (sweep)

Gary Tredrea

Steve Horsman

Neil "Chook" Barrat

Simon Holmes

## STATE TITLES RESULTS

Henley's rebuilding program in the boat area has been a great team effort. This crew of new members was recruited by Russell Watkins "Rusty". Russell, Trevor Mulvihill and Rob Langford "Yobbo" all helped train the crew during the season and generally kept the crew interested in rowing. The Big Row committee decided to invite the crew on the Big Row to reward their enthusiasm. Darren Hocking "Hocko" intensively coached the crew leading up to State Titles. They competed well at South Port their first ever carnival and won GOLD at the State Titles, just finishing in front of the Henley State U19 crew – virtually on the same wave. This was truly a great final to watch unfold! To have two Henley crews (with two super competitive sweeps and mates) take Gold and Silver in the U19's State Championships was a very proud moment for Henley. Congratulations to both crews.

### U19 GOLD MEDALISTS "HENLEY KILLAS"

Daniel Polec,  
Lucas Rescke  
Daniel Kulikowski  
David Kulikowski  
Darren Hocking (sweep)

### U19 SILVER MEDALLISTS "HENLEY COLTS"

Jake Fitzgerald  
Jack Foody  
Daniel Travers  
Daniel Murdock  
Kevin Fitzgerald - Sweep

### Open Women's Silver Medallists

Lisa Will  
Leah Panakera Thorpe  
Cec Owens  
Cathy Beales  
Kevin Fitzgerald (Sweep)

The Henley Open Women's Blue Crew have been very dedicated to their training programs and were rewarded with a Silver medal at the state titles. They were not looking great at the turning cans, but with superior fitness, strength and skill used the conditions to perfection. The silver medal was well deserved for all the work the crews have put in over the past two seasons.

### Open Women's (white)

Jamie Butterfield (sweep), Jane Macfarlane, Jane Dewar, Lynne Tammita, Carly Lutze. The Henley Open Women's white crew were a little "underdone" in preparation, but rowed all day to a race plan that made the most of their experience. The "Boilers" rowed above expectations and made the open women's final.

L-R Jamie Butterfield, Jane MacFarlane, Carly Lutze, Jane Dewar, Lynne Tammita

## **New Rowers**

Brett Dyki  
David Barnes  
Nathan Davidson  
Jamie Butterfield (sweep)

It was great to see a crew of new members compete in the open men's at several carnivals and performed well, unfortunately due to several "Soft Tissue injuries" the crew were unable to compete all season. The club plans to build on this foundation in 2010. For Henley to return as a Power House in surf boats we must aim at building a "Medal Winning" Open Men's Crew.

## **Reserves Crew**

The reserves crew trained consistently during the season being swept by Darren Hocking. It was great to see John Foody and Garry Fazzalari back in the boats this season. Their humour in the Boat Tent at carnivals is great support to the boat area when "Hocko" or "Mulchy" are having a grumpy day on the beach. These crews of old sea dogs are very experienced in waves and excelled when the surf was up.

Darren Hocking (sweep), John Foody, Russell Watkin, Garry Fazzalari, Scott Mather, Andrew Morrison

On behalf of the boat area, I would like to sincerely thank Kevin Fitzgerald, Darren Hocking, and Russell Watkin for their time and effort maintaining the boats and trailers. Katheryn Curnow (ASRL), Jane Dewar (Big Row), Trevor Mulvihill (Club Official), Lisa Will and Lynne Tammita for their club work. Thank you to the Committee for their continued support of Surf Boats.

It is an exciting time to be a member at Henley Surf Club we have a great mixture of youth and experienced members in our club. The most pleasing thing as Boat Captain during 2008/09 is to witness members enjoying surf boat rowing, enjoying success and each others company.

## **JAMIE BUTTERFIELD BOAT CAPTAIN**

L-R Jake Fitzgerald, Jack Foody, Daniel Travers, Daniel Murdock, Kevin Fitzgerald (sweep)  
Australian Titles Scarborough Quarter Final just before a back shoot.

## Water Area

Every Tuesday and Thursday evening we have an enthusiastic bunch of 30 to 40 members take over Immanuel College pool for an hour long workout. Swimming is one of the most basic lifesaving skills and the swimming skill and general fitness of all taking part are improving month by month. Many thanks to our coaches Nick Lewis and Ben and Amy Moore and organiser Roy Menner.

The weekly Saturday swims at the club were well supported again this season. The results are included in the table below. Well done to Tom Lanyon and Hannah Sitters as the highest aggregate points scorers for the male and female sections, and to David Cassidy who was the leading point scorer of the many masters (over 30 years) swimmers.

Water area competition includes the swimming events of surf race, tube race, belt race and surf teams plus the multidiscipline events of board rescue, ironman, Taplin relay and Cameron relay. We had an enthusiastic core group of competitors at training and carnivals including Zac Jessup (U19), Ben Moore (U19), Michael Domerecki(U19), Hannah Sitters(U17), Rebecca Woods(U17), Sam Moore (U15) and Dean Woods(M).

It was great to see Henley represented in many events at state titles, with the main contributors listed below:

Ironman: U19 Ben and Zac, U15 Sam  
Board Rescue: U19 Ben/Zac, U17 Hannah/Rebecca  
Surf Races: Ben, Zac, Michael, Hannah, Bec, Sam  
U19 Belt Race: Ben, Zac  
Tube Races: Hannah, Bec, Sam  
Taplin relay: U19 Ben, Zac, Michael.  
Henley also had a good turn out for Masters state titles at Port Elliot.

In the team events:

In the men's 130+ years surf teams Adam Harris, Neville Fielder and Andrew Lanyon brought home a silver medal.

In the Board Rescue events, Kelly Mercer and Melissa Ford in the 30-34 women's event and Neville and Andrew in the 50-54 years men's each claimed bronze medals and Dean Woods and Steve Forrest finished 5<sup>th</sup> in the 40-44years.

The women's 110+ years Taplin relay team saw a great effort from Libby Maxwell (ski), Melissa Ford(board) and Kelly Mercer(swim) finishing 4th. In the men's 110+ Taplin relay Greg Fletcher (ski), Dean Woods (board) and Adam Harris (swim) were 5th and in the 130+ Taplin relay Scott Robinson (ski), Andrew Lanyon (board) and Neville Fielder (swim) finished 6<sup>th</sup>.

In the individual events:

Tube Races: Adam Harris took the gold in the 45-49 years showing the benefits of regular training at Immanuel pool. Andrew Lanyon and Neville Fielder finished second and fourth in the 50-54 years and Dean Woods was 6<sup>th</sup> in the 40-44 years.

Surf races: Neville Fielder and Andrew Lanyon were fifth and third respectively in the 50-54 years.

Iron man: Kelly Mercer was 4<sup>th</sup> in 30-34 years iron woman and Andrew Lanyon was 3rd in the 50-54years iron man.

Well done and thank you to all who took part in water area activities this season.

**ANDREW LANYON**  
WATER CAPTAIN

## Sponsorship Report

As the Sponsorship Manager, I am very proud of what we have achieved this year – with the Big Row result – our best ever so far, and some other major contributions provided by generous companies, organizations and individuals.

Our sponsorship framework is again very focused on The Big Row (see following pages), however I also must acknowledge the following sponsors who have provided Henley SLSC with financial support, or “in kind” donations.

### BUNKER FREIGHT LINES

Bunker Freight Lines provided sponsorship for the Australian Titles touring team. Many thanks to Darren “Hocko” Hocking for arranging this. This sponsorship considerably decreased the financial burden on our competitors attending the Aussies and we are extremely grateful for their support.

We have recently been awarded sponsorship to purchase a new IRB hull from the Lions Club of Brighton. PLEASE NOTE - This does not fit into this financial period of 08/09 (so will not be reflected in this year’s financial report).

However due to the size of this sponsorship, I wanted to thank the Lions Club of Brighton for their generous support. IRB’s are an essential part of our core focus – patrolling – and we thank them for supporting this essential part of our lifesaving.

**JANE DEWAR**  
SPONSORSHIP MANAGER

## Supporters

We were lucky to receive support from the following companies and organisations

### ASIAN WOMEN’S CONSULTATIVE COUNCIL S.A.

This organisation heard about our quest to rebuild our club rooms, and duly organized a fundraising dinner for our club – which raised \$3000 for the club. Henley SLSC club members attended this dinner, but so did many of the AWCC members to help in this fundraising effort. The AWCC also provided items to raffle – and the proceeds were given to HSLC. Thank you to everyone involved in organising this fundraising dinner.

We also have received contributions from the following:

- ◆ City of Charles Sturt
- ◆ Henley Opportunity Shop
- ◆ LotteriesSA
- ◆ Rotary Club of Henley Beach
- ◆ Selleys
- ◆ Telstra
- ◆ Yamaha Motors

## The West Beach Community Bank Henley SLSC Big Row

The 2009 West Beach Community Bank Henley SLSC Big Row was the most successful so far, raising over \$52,000 in cash and "in kind" support for Henley Surf Life Saving Club. A superb result considering the global economic meltdown where many businesses are tightening their belts.

The combined effort needed to put together such an event is huge, so I thank everyone who contributed to the Big Row's success. From those who organized it, donated their time, chased sponsors, patrolled on the beach, helped behind the bar. All these aspects are important to pull it all together so thank you. There are too many names to mention everybody – which is a good indication of how our club pulls together to get this event running each and every year.

However - special thanks must go to the support crews who make this event safe, and to the generosity of John Butterfield, Kevin Renfrey and Robert Gerard for donating the services of their boats for the day. This year's crossing went without a hitch, thanks to the expertise of our safety guru Adam Harris who plans, tracks and monitors the safety aspects, and the health of the rowers throughout the row, and John Hatwell and Gavin Stagg who man the "Ophelia Chaser" and ensure the rowers are moved safely between the mother ship and the surf boat. Thanks also to the Lime Patrol for doing a fantastic job in challenging circumstances on one of the busiest days of the year.

Our relationship with the local Stansbury community continues to strengthen, with our members conducting a surf safety school with the primary school children. The kids love this day every year, and learn invaluable surf safety skills they otherwise would miss out on - with thanks to Barrie Cole and Phil Hogan for organizing the junior's session.

We have had the valuable ongoing support from the West Beach and Districts Community Bank Branch – Bendigo Bank West Beach. This branch supports its local community and the best way to return the support is by opening a bank account at their branch on Burbridge Road, West Beach. Thanks to Andrew Farren for your continued commitment to support our event and our club.

This year, those chosen to be in the finishing crew were Kevin Fitzgerald, Barrie Cole, Neville Fielder, Phil Hogan – as a recognition for their hard work and contribution to the club, and Daniel Polec - as the youngest member doing the crossing - in keeping with Big Row tradition.

I won't be coordinating this event next year, I am taking a "leave of absence" as I am having my second baby, but I would like to thank everyone who has contributed in any way towards "The Big Row" over the last 3 years and am confident this event will continue to prosper and provide essential financial support to the club as the years go on.

Please consider how you can contribute to next year's event **20<sup>th</sup> February 2010** – whether it be a financial contribution, donating your time, or approaching a sponsor - it all helps!

## Blue and White Supporters 2009

This year we introduced the Blue and White categories. This was an attempt to try to involve our members more in our fundraising, as some of the Big Row Sponsorship categories are well out of reach for individuals, and this is a way in which individuals are able to contribute.

Many of the supporters listed below are not club members, but members of the public, family and friends who see what a great service we provide to the community and assist by financially supporting our club.

If you are able to contribute, please consider becoming a Blue or White Supporter for The Big Row 2010!

Thanks to all those listed below.

## Grants Report

*Community way of life!*

The 2008/2009 season provided us with some fantastic opportunities to apply for, and be awarded grants.

The highlight being the Clubs SA grant – with Henley SLSC being awarded a **record breaking \$25,300 grant** from Clubs SA to completely refurbish and refit our gymnasium. As part of this grant application, Clubs SA were included as major sponsors of the Big Row to increase their profile.

Clubs SA is the official industry body representing the interests of licensed clubs in this state. Its major platform has been to effect changes to government legislation to enable Clubs to become more self sufficient over the long term, and to also provide a recognised infrastructure for the active support and promotion of sport and community events across the Club industry.

A huge thank you to Clubs SA for their support.

The club has also received grants from

Active Clubs Grant from the Office of Recreation and Sport - \$4,300 to purchase new Nipper Boards for the juniors.

Australian Sports Commission --- Local Sporting Heros Program - \$3,300 – which supported the Under 19 boat crew to travel and compete at the Australian Titles.

# Finance Report

The overall financial position of the club has been maintained, if not to some degree strengthened, in the 2008-09 operating year.

The closing cash position for the Club as at 30 April 2009 was \$101,142 which included a balance in the operating account of \$33,789 (consisting of an operating balance of \$18,839 associated with the trading account and a balance of \$14,950 associated with the Building Levy raised to date) and \$67,278 in the two investment accounts. The total figure recorded as at 30 April was above the opening balance of \$97,299. This increase in the overall cash position is explained by two main reasons:

- ◆ Improved trading results achieved for the year, and
- ◆ The continued impact and importance for the Big Row, and
- ◆ Use of grants funding for capital expenditure.

It should also be noted that the Club signed a reimbursement deed with the City of Charles Sturt late in the financial year and as at balance date an amount of \$50,000 had been claimed but not paid. This amount was reimbursed in May/ June and effectively increases the cash balance to an amount in the order of \$150,000.

## Capital Expenditure:

During the year the Club incurred expenditure on capital items (assets) totaling \$73,261. The item purchased included:

Capital costs associated with the new Building	\$64,173
--	----------

## New Equipment:

Competition Equipment (Boards)	\$4,459
--------------------------------	---------

Other Capital Items	\$4,628
---------------------	---------

## New Equipment – Grant Funded:

New Gym Facilities	\$23,000
--------------------	----------

The equipment purchase decisions made during the year have taken into account the need to ensure that the core activities of the Club are supported. The ability to secure additional grant funding to upgrade Gym Equipment was very much appreciated and reflects the great effort of club members in applying for such grants.

As at 30 April 2009 the total book value of assets reported was \$641,816 consisting of the Building (\$497,224) and Plant & Equipment (\$144,592).

Operating income for the year was \$205,563 (\$186,259 in 2007-08) and was the result of;

- ◆ Strong overall Trading outcome (\$55,716)
- ◆ Grants, Sponsors and Fundraising (\$63,521)
- ◆ Big Row Donations (\$44,648)
- ◆ Membership / Levy contribution (\$28,940)
- ◆ Sundry and Other Income (\$12,738)

The Grant Funding includes an amount of \$23,000 (net of GST) as a specific purpose grant used directly to fund the purchase of the new Gym Equipment.

These funds were used in a variety of outcomes including:

- ◆ Lifesavings – administration, training and operations (\$30,728)
- ◆ General Operation (\$23,881 )
- ◆ Building maintenance and operations (\$10,360)
- ◆ Juniors / Competition (\$2,537)
- ◆ Fundraising (\$6,550)

The net operating result of the Club after taking in account depreciation on the assets held by the Club of \$17,615 was an Operating Profit of \$84,729. This result was \$38,003 (\$15,003 ignoring the specific gym funding grant) above the result achieved in the previous year of \$46,276.

Included within this result was the trading account (Bar and Clothing) result of a Gross Profit of \$25,654. This result was above that recorded in 2007-08 of \$11,202 and is largely the result of the lower costs of operations (thanks to the amazing efforts of Sue and Kevin Fitzgerald) and improved clothing sales (as a result of the efforts of Lynne Tammita and Lee-Anne Folkers in the redesign of the clubs clothing range).

The year end balance retained within the investment and operating accounts and incorporating the building levy funding raised totals some \$101,000. This figure is improved if the reimbursement of a portion (\$50,000) for the capital cost of the building is taken into account.

The retention of a strong cash position within these accounts has been a focus for the Committee given the need to retain funds to ensure that the long term financial position of the Club is strong.

As Treasurer I am pleased to report that the committee continues to work together to ensure that it has a strong focus of its financial stewardship role.

The Club has a number of financial challenges to deal with in the future with the building program now likely to occur during the 2009-10 financial year.

Higher operating costs, the increasing numbers involved in activities and the need to ensure equipment standards are maintained will add continued stress to our on-going need to ensure consistent levels of funding are generated.

The increases membership numbers has played a significant part in income generation this past financial year. Last financial year members subscriptions generated some 33% of the direct costs (\$63,263) incurred to operate the club. I am pleased to report that this ratio has improved to a figure of some 40% for 2008-09 and reflects the importance of attracting and (importantly) maintaining high membership numbers. In this regard the efforts of the Junior Committee and the importance of the youth (HET) program (and the senior members who support this program) should not be ignored and in fact be applauded.

The building project will add increased financial pressures both during the construction phase and then in relation to the need to service and repay the additional borrowing required as a result of the project.

As we now embark on this major development the work undertaken during this last year to strengthen our financial position has in my opinion established a solid financial base for the club from which to move forward with this project. The continued support of all Members will however be essential in maintaining this position.

The report is provided for the consideration of Members.

# Notes to the Financial Statements

## For the year Ended 30 April 2009

### Note 1 Statement of Significant Accounting Policies

The Financial Report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standard, other mandatory professional requirements and the requirements of the Associations Incorporation Act (South Australia).

The Financial Report covers Henley SLSC as an individual entity. Henley SLSC is an association incorporated in South Australia under the Associations Incorporations Act.

The accounts have been prepared on the basis of historical costs and do not take into account the changing values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the significant accounting policies adopted by the Club in the preparation of the financial report. The accounting policies have been consistently applied, unless other wise stated.

- (a) Income Tax - The Association is exempt from income tax under the provisions of Division 50 of the Income Tax Assessment Act 1997
- (b) Inventories - Inventories are valued at the lower of cost and net realizable value.
- (c) Property, Plant and Equipment - The value of the Club's Non-Current Assets are reviewed annually by the Management Committee and they are of the opinion that the book value, after allowance for the current year's depreciation charge, represents fairly their carrying values.
- (d) Cash - For the purposes of the Statement of Cash Flows, cash includes cash on hand and at bank.
- (e) Revenue - Revenue from the sale of goods is recognized upon delivery of goods to customers. Interest Revenue is recognized on the basis of the interest rate applicable to the financial assets. Revenue from rendering of a service is recognized upon the delivery of a service to customers. All revenue is net of the amount of goods and services tax (GST).
- (f) Goods and Services Tax - Revenues, expenses and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognized as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

## Note 12 Association Details

The Principal place of business of the association, Henley SLSC Inc, is:  
The Esplanade Henley Beach SA 5022

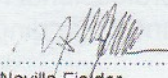

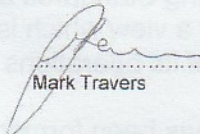

# Henley Surf Life Saving Club Inc. Statement by Committee Members

In the opinion of the Committee the Financial Report as set out on pages 39 to 44:

- (a) presents fairly the financial position of the Henley Surf Life Saving Club Inc. as at 30 April 2009 for the year ended on that date in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
- (b) at the date of this statement there are reasonable grounds to believe that the Henley Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for an on behalf of the Committee by:

  
.....President  
Neville Fielder

  
.....Treasurer  
Mark Travers

Dated this 13th day of July 2009 at Adelaide, South Australia

# Auditor's Report To the Members of Henley Surf Life Saving Club Inc.

## Scope

I have audited the financial report being the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Notes to the Financial Statements and the Statement by members of the Committee of Henley Surf Life Saving Club Inc. set out on pages 39 to 44 for the year ended 30 April 2009.

The Committee is responsible for the financial report. I have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Club.

My audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements so as to present a view which is consistent with our understanding of the Club's financial position, the results of its operations and cash flows.

The audit opinion expressed has been formed on the above basis.

## Qualification

Given the nature of the operations of the Henley Surf Life Saving Club inc. it is not practicable to establish accounting controls over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, my audit has been limited to the amounts of cash receipts recorded in the books of account of the Club.

## Audit Opinion

In my opinion, subject to the above qualification, the financial report presents fairly in accordance with the applicable Australian Accounting Standards and other mandatory professional reporting requirements the financial position of Henley Surf Life Saving Club Inc. as at 30 April 2008, and the results of its operations and cash flows for the year then ended.

Peter R Brass, Honorary Auditor  
B.Ec., FCPA

Dated this 13th day of July 2009  
at Adelaide, South Australia

# Compilation Report Henley Surf Life Saving Club Inc.

On the basis of information provided by the committee of the Henley Surf Life Saving Club Inc., and in accordance with APS 9: Statement of Compilation of Financial Reports the special purpose financial report of the Club for the year ended 30 April 2009 has been compiled and set out on pages 48 and 49.

The committee is solely responsible for the information contained in the special purpose financial report.

The special purpose financial report was prepared exclusively for the benefit of the Club. I do not accept responsibility to any other person for the contents of the of the special purpose financial report.

Peter R Brass, Honorary Auditor  
B.Ec., FCPA

Dated this 13<sup>th</sup> day of July 2009  
at Adelaide, South Australia

# Births, Engagements, Marriages

## Births

Andrew and Fiona Hall welcomed baby Lachlan

Neil "Chook" and Cathy Barratt welcomed baby Levi Charlie

Jo and Jason Ilmer welcomed baby Caleb

## Engagements

Jane MacFarlane engaged to Brett Hidson

## Marriages

Cecelia Owens married Stephen Low

## Life Membership – Barrie Cole

Barrie was made a Life Member of Henley SLSC in 2008.

Barrie joined the Henley SLSC in 1980 and has always been a very keen member. Since Barrie first joined Henley he has always taken his patrol activities seriously, and has been an enthusiastic fundraiser and surf boat competitor. During the past 7 years with the club he has been actively involved in the running of the junior organisation. The club has a strong youth membership of former Nippers who have developed a strong relationship with Barrie due to his long contribution to our Junior Division.

Barrie has been instrumental in ensuring new families are made to feel welcome when joining our Club.

### Awards Gained

- Surf Rescue Certificate
- Bronze Medallion
- Advanced Resuscitation Certificate
- Training Officer Certificate
- Radio Operation Certificate
- Senior First Aid Certificate
- Certificate 2 in Public Safety in Surf Life Saving.

### Patrols

Barrie has completed 776 patrol hours up until 2008 for Henley, and was the recipient of Most Outstanding Patrol Member in 2001/02.

### Positions Held

- Club Captain for 2 years
- Secretary for 1 year
- Junior Chairman for 2 years.
- Age Group Leader with the Juniors for 7 years
- Committee Member
- State Delegate

### Competition

Barrie has rowed surf boats for the reserve crew for over ten years and spent one year rowing in the 'A' grade division. For over 7 years he has helped manage the juniors at junior carnivals. He has been a Carnival Official for 3 years.

### Other Activities

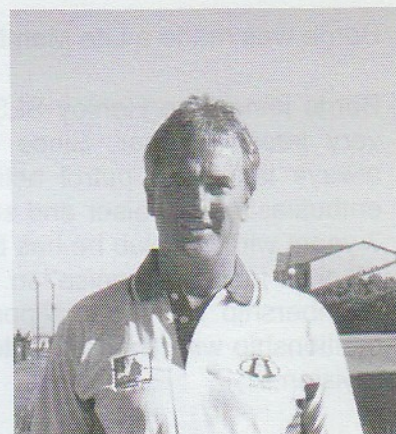

- Involvement with the 'Big Row' which netted a considerable amount of support from the general public.
- Instrumental with the strong relationship with the town of Stansbury, playing a huge part in the organization of the training day for the local children before the Big Row.
- Performing regular bar duty and cooking of BBQs.
- Always been a great contributor at club working bees, club functions and very active during the last club rebuilding in the late 90s. Always the first arrival and last to depart with the rubbish trailer.

## Life Membership – Neville Fielder

Neville Fielder was awarded Life Membership to Henley SLSC in 2007.

Neville joined the club in 1971 and has always been a very keen member, which from a young age saw him winning club junior awards. His father Charles 'Chook' Fielder who himself was a Life Member and was a very strong member in the history of the club influenced Neville to take up leadership roles. Neville wears his heart on his sleeve and is a very passionate club member. Neville has, and still is, playing a very important part in the future of the club.

### Awards Gained

Holds the Surf Rescue Certificate, the Bronze Medallion, the Advanced Resuscitation Certificate, the Senior First Aid Certificate, the IRB Crewman's Certificate, Silver Medallion/ IRD Driver Certificate and the Certificate 2 in Public Safety in Surf Life Saving.

### Patrols

Neville has completed 520 patrol hours up until 2006 for Henley and 176 hrs for Darwin SLSC where he was transferred with employment from 1980 until 1984.

### Positions Held

President	6 years
Club Captain	2 years
Treasurer	2 years
Assistant Secretary	1 year
Water Captain	1 year

Over 10 years has been spent on the Management Committee.

### Competition

73/74	Junior Club Champion, State Junior Belt Race Champion
73/74	Member of the State Team for South Australia
74/75	Member of the State Team for South Australia
75/76	Member of the State Team for South Australia, State Junior Belt Race Champion
00-07	Neville has won seven gold medals in various individual and teams events in State Masters competition and has been a finalist at National level in Masters competition.
01/02	Club Member of the year
04/05	Veteran Club Champion

### Other Activities

- Elected in 2002 as President and has continued to hold that position in high regard to this day.
- Chairman of the Building Committee since 2004/05 has required him to make many and lengthy meetings with Council, Master Plan consultants and architects. Contributing many hours of his time to bring the standard of conditions to be enjoyed by the members, to a greater height. He is in close contact with both Members of Henley Ward of the City of Charles Sturt, putting his views and seeking their support on the building project.
- Founded 'The Big Row' with ongoing involvement which has netted a considerable amount of support from the general public and raised substantial funds for the new clubrooms.
- The on-going negotiations with Council the Club's input into the Master Plan of the Square precinct.
- Initiation and continuous involvement of the Club at the local Anzac Day Memorial Services.
